Independent Auditor's Limited Review Report on Standalone Unaudited Financial Results of IFCI Limited for the Quarter and Nine Months ended 31st December 2022 pursuant to the Regulation 33 & Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended

To,
The Board of Directors of
IFCI Limited
New Delhi

- 1. We have reviewed the accompanying statement of Standalone Unaudited Financial Results of IFCI Limited ("The Company") for the quarter and nine months ended 31st December, 2022 ("The statement") attached herewith, being submitted by the company pursuant to the requirements of Regulation 33 and Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
- 2. This statement, which is the responsibility of the Company's Management and has been approved by the Board of Directors, of the Company, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting standards ("Ind AS 34") "Interim Financial Reporting", prescribed under section 133 of the Companies Act, 2013, as amended read with relevant rules issued there under, as applicable and other accounting principles generally accepted in India. Our responsibility is to issue a report on these financial statements based on our review.
- 3. We conducted our review in accordance with the Standard on Review Engagement ("SRE") 2410, "Review of Interim Financial Information performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India ("ICAI"). This standard requires that we plan and perform

the review to obtain moderate assurance as to whether the Financial Statements are free from material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

4. Basis for Qualified Opinion

- a) In one of the credit account, OTS (One Time Settlement) was sanctioned at Rs. 61.50 crores against outstanding amount of Rs. 219.23 Crores though security in the form of ZCBs (Zero Coupon Bonds) of Rs 9.75 crores, cheque of Rs. 9.75 Crores was held with the company. Further, additional security in the form of Arbitration Award amounting to Rs. 426 Crores was available. The ZCBs having face value of Rs. 9.75 Crores were now settled in favor of sacrifice incurred by the company amounting to Rs. 5.54 Crores. In our opinion, though the company possessed adequate security, the financial terms of one-time settlement appear to be prejudicial to the interests of the company.
- b) IFCI disbursed Rs. 39.32 Crores under PLI Scheme for SPECS up to 31st December 2022. The files and documents were not furnished to us, and thus we could not review the same.

The cumulative financial impact of aforesaid observations could not be ascertained.

5. Based on our review conducted as above, with the exception of matter described in the paragraph 4 and the effects thereon, nothing has come to our attention that causes us to believe that the accompanying Statement of unaudited financial results, prepared in accordance with applicable Indian Accounting Standards specified under Section 133 of the Companies Act, 2013, as amended, read with rules issued there under and other recognized accounting practices and policies generally accepted in India, has not disclosed the information required to be

disclosed in terms of Regulation 33 and Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) regulations, 2015, including the manner in which it is to be disclosed, or that it contains any material misstatement or that it has not been prepared in accordance with relevant prudential norms issued by the Reserve Bank of India (so far it is not inconsistent with IND AS norms) in respect of income recognition, asset classification, provisioning and other related matters.

Emphasis of Matter

- In terms of DoP (Delegation of Power), identification of account for assignment is to be approved by Board. However, in one of the fraud classified account, the assignment of loan process was initiated even before receipt of formal approval from competent authority.
- The company has informed us vide letter dt. 01.11.2022 received from nodal ministry that case specific data for SDF (Sugar Development Fund) Scheme may not be shared with auditors. Accordingly, same is not reviewed by us.
- No files and documents were provided to us towards PLI (Production Linked Incentive) schemes. Accordingly, same is not reviewed by us.
- 4. In a certain case, it was observed that one party has appointed the company as it's advisor/consultant for assisting and preparation of their proposal under SDF (Sugar Development Fund) scheme of Government of India (GOI). However, company is also acting as nodal agency/agent of government for independently carrying out various due diligence procedures on application received by nodal ministry under SDF Scheme. Notwithstanding express approval from GOI, the action of assisting/coaching an applicant into preparation of documents/project reports on commercial terms, and simultaneously conducting due diligence

on behalf of GOI, severely undermines the creditability of the proposals appraised by the company, and comprises the independent position of the company.

- 5. We draw attention to Note No. 5 where the valuation of the investments in subsidiary companies has been considered on the basis of Financial Statements for the year ended 30th Sep 2022.
- 6. We draw attention to Note No. 8 where the Capital Risk Adequacy Ratio (CRAR) stands at (-) 70.25% as on 31.12.2022, below the RBI stipulated guidelines vide circular dt. 31st May 2018 (RBI/2017-18/181DNBR (PD) CC. No. 092/03.10.001/2017-18).

Our opinion is not modified in respect of these matters.

Independent Auditor's Limited Review Report on Consolidated Unaudited Financial Results of IFCI Limited for the Quarter and Nine Months Ended 31st December 2022, pursuant to the Regulation 33 & Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended

To,
The Board of Directors of
IFCI Limited
New Delhi

- 1. We have reviewed the accompanying Statement of Consolidated Unaudited Financial Results of IFCI Limited ("the Parent") and its subsidiaries (the Parent and its subsidiaries together referred to as "the Group"), and its share of the net profit/(loss) after tax and total comprehensive income/loss for the quarter and nine months ended 31.12.2022 (the "statement"), being submitted by the Parent pursuant to the requirement of Regulation 33& Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
- 2. This statement, which is the responsibility of the Parent's Management and approved by the Parent's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting standards ("Ind AS 34") "Interim Financial Reporting", prescribed under section 133 of the Companies Act, 2013, as amended read with relevant rules issued thereunder, as applicable and other accounting principles generally accepted in India. Our responsibility is to issue a report on these consolidated financial statements based on our review.
- 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India ("ICAI"). A review of interim financial information consists of making inquiries, primarily of Parent's personnel responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under Section 143(10) of the Companies Act, 2013 and consequently does not enable us to

obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33(8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

4. The consolidated financial results include the results of the following entities:

5. Basis for Qualified Opinion

- a) In one of the case, OTS (One Time Settlement) was sanctioned at Rs. 61.50 crores against outstanding amount of Rs. 219.23 Crores though security in the form of ZCBs (Zero Coupon Bonds) of Rs 9.75 crores, cheque of Rs. 9.75 Crores was held with the company. Further, additional security in the form of Arbitration Award amounting to Rs. 426 Crores was available. The ZCBs having face value of Rs. 9.75 Crores were now settled in favor of sacrifice incurred by the company amounting to Rs. 5.54 Crores. In our opinion, though the company possessed adequate security, the financial terms of one-time settlement appears to be prejudicial to the interests of the company.
- b) IFCI disbursed Rs. 39.32 Crores under PLI Scheme for SPECS up to 31st December 2022. The files and documents were not furnished to us, and thus we could not review the same.

The cumulative financial impact of aforesaid observations could not be ascertained.

- 6. Based on our review conducted and procedures performed as stated in paragraph 3 above, with the exception of matter described in the paragraph 5 above and based on consideration of the review reports of other auditors referred to in paragraph 7 below, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with the Indian Accounting Standards as specified u/s 133 of the Companies Act, 2013, as amended read with relevant rules issued there under and other recognized accounting practices and policies, has not disclosed the information required to be disclosed in terms of Regulation 33 and Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) regulations, 2015, including the manner which it is to be disclosed, or that it contains any material misstatement.
- 7. We did not review the unaudited financial results of six subsidiaries and seven step-down subsidiaries included in the consolidated unaudited financial results, whose financial results reflect total income of Rs. 257.74 Crores & Rs. 759.99 Crores total net profit/loss after tax of Rs. 42.12 Crores & Rs. 176.47 Crores and total comprehensive income (net of

tax) of Rs. 209.30 Crores & Rs 1723.83 Crores for the quarter and nine months ended 31.12.2022 respectively, as considered suitably in the consolidated unaudited financial results. These unaudited financial results have been reviewed by other Auditors whose report has been furnished to us by the Management and our conclusion on the Statement, in so far as it relates to the amounts and disclosures included in respect of this subsidiary, is based solely on the report of the other auditors and the procedures performed by us as stated in paragraph 3 above.

Emphasis of Matter

- In terms of DoP (Delegation of Power), identification of account for assignment is to be approved by Board. However, in one of the fraud classified account, the assignment of loan process was initiated even before receipt of formal approval from competent authority.
- The company has informed us vide letter dt. 01.11.2022 received from nodal
 ministry that case specific data for SDF (Sugar Development Fund) Scheme may not
 be shared with auditors. Accordingly, same is not reviewed by us.
- No files and documents were provided to us towards PLI (Production Linked Incentive) Schemes. Accordingly, same is not reviewed by us.
- 4. In a certain case, it was observed that one party has appointed the company as it's advisor/consultant for assisting and preparation of their proposal under SDF (Sugar Development Fund) scheme of Government of India (GOI). However, company is also acting as nodal agency/agent of government for independently carrying out various due diligence procedures on application received by nodal ministry under SDF Scheme. Notwithstanding express approval from GOI, the action of assisting/coaching an applicant into preparation of documents/project reports on commercial terms, and simultaneously conducting due diligence on behalf of GOI, severely undermines the creditability of the proposals appraised by the company, and compromises the independent position of the company.
- 5. We draw attention to Note No. 6 of the Financial Results in the matter of Stock Holding Corporation of India Limited where certain litigation is sub-judice before Honorable Supreme Court since May 2015. As per the legal opinion obtained by the

Management of Stock Holding Corporation of India Limited, no provision has been recognized in the Statement of Profit and Loss.

- 6. We draw attention to Note No. 8 of financial results where the Capital Risk Adequacy Ratio (CRAR) stands at (-) 70.25% as on 31.12.2022, below the RBI stipulated guidelines vide circular dt. 31st May 2018 (RBI/2017-18/181DNBR (PD) CC. No. 092/03.10.001/2017-18).
- 7. Refer Note No. 9 of financial results, pertaining to audit observations of subsidiary companies, which are considered non-material at group level.

Our opinion is not modified in respect of these matters.
