Independent Auditor's Review Report on the Quarterly Unaudited Standalone Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.

Review Report

To
The Board of Directors,
INDIA HOME LOAN LIMITED
[CIN: L65910MH1990PLC059499]
Mumbai

We have reviewed the accompanying statement of unaudited financial results of INDIA HOME LOAN LIMITED ("The Company") for the quarter ended September 30, 2023 ("the Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").

Scope Of Review

This statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with regulation 33 of Listing Regulation read with circulars issued by SEBI. Our responsibility is to issue a report on these financial results based on our review.

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Qualified Conclusion

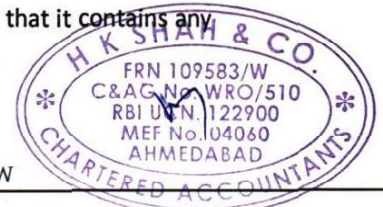

Based on our review conducted as above, with the exception of the matter described in the 'Basis for Qualified Conclusion' para below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other recognised accounting practices and policies, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Basis for Qualified Conclusion

1. In light of the non-availability of the comfort given to HFCS during COVID times and the backlash thereof, in the form of the underlying securities, in our limited review, we state that the company has not classified fully the advances into NPA category. The amount due to such classification and its impact upon income (loss), classification and provisioning cannot be ascertained in absence of Omnifin, which is yet to be implemented. To that extent, the company's income is overstated (loss is understated) and the NPAs as well as the provisions are understated.

2. The going concern view of the company is challenged in light of pressure on liquidity.

3. The process of removing name of Banks, of which the loans were repaid, from MCA Portal is pending as informed to us.

NOTES :

1

The above Financial results for the quarter ended September 30, 2023 have been reviewed and recommended by the Audit Committee and approved by the Board of Directors of the Company at its meeting held on 6th November, 2023. The Statutory Auditors of the Company have issued Limited review report with Qualified opinion on the financial results for the quarter ended September 30, 2023.

Tel. : 079-40035027, 26449917, 26449918

Corp. Off. : 504, Nirmal Ecstasy, 5th Floor, Jatashankar Dossa Road, Mulund(W), Mumbai-400080.

These financial-results have been prepared in accordance with the Ind AS, notified under Section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time, and other accounting principles generally accepted in India and in accordance with the requirements of Regulation 33 and Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.

As required by Ind AS 109, the company has developed a preliminary model to calculate expected credit losses (ECL) and charged as Impairment to financial assets. Where impairment allowance under Ind AS 109 is lower than the provisioning required under IRACP (including standard asset provisioning), company have been appropriated the difference (if any) from their net profit or loss after tax to a separate 'Impairment Reserve'.

The Other Comprehensive Income comprises actuarial gain on re measurement of defined benefit plans as per the actuary report as per the actuary report as per IND AS 19 "Employee Benefits".

In accordance with the RBI guidelines relating to COVID - 19 Regulatory Package dated March 27, 2020 and April 17, 2020, the Company granted moratorium of three months on payments of all instalments and/or interest falling due on or after March 31, 2020 till May 31, 2020 (further extended as per RBI guidelines for another 3 months falling due on or after June 1, 2020 till August 31, 2020) to eligible borrowers who have requested for moratorium. For all such accounts where the moratorium is granted, the prudential assets classification and stage movement was kept on stand still during the moratorium period. The Company has used the principles of prudence in applying judgments, estimates and possible forward looking scenarios to assess and provide for the impact of the COVID-19 pandemic on the Financial Statements specifically while assessing the expected credit loss on financial assets by applying the customer-profiling within salaried and self-employed portfolio and management overlays. The Company has performed an estimation of portfolio stress through analyzing its portfolio in respect of various risk classification, using the available historic and current data and based on current indicators of future economic conditions. On May 22, 2020 the RBI has announced extension of the moratorium period by further three-months. The extent to which COVID-19 pandemic effect will impact the company's provision on financial assets will depend on future developments, which are highly uncertain. The impact of COVID - 19 pandemic may be different from the estimated as at the date of approval of these financial statements and the Company will continue to closely monitor any material changes to future economic conditions and execution of mortgage rights to favour the company's recovery effect which is mainly based on security values.

Post outbreak of COVID-19, virus continued to spread across the country, resulting in significant volatility in financial markets and a significant decrease in economic activities. On March 11, 2020, this outbreak was declared a global pandemic by the World Health Organization and consequent lockdowns were imposed across. The situation was improving up to Jan - Feb 2021 but due to the onset of the 'second wave', things deteriorated since March 2021. Increase in COVID 19 cases necessitated imposition of restrictions which could have once again impacted economic activity and markets. In preparing the accompanying financial statements, the Company's management has assessed the impact of the pandemic on its operations and its assets as at September 30, 2023. The management does not, at this juncture, believe that the impact on the value of the Company's assets is likely to be material. The extent to which the second wave of COVID 19 pandemic will impact the Company's results will depend on ongoing as well as future developments, which are at this juncture are highly uncertain.
