Review Report

To

The Board of Directors, India Home Loan Limited Mumbai.

- We have reviewed the accompanying statement of unaudited financial results of India Home Loan Limited. ("The Company") for the quarter ended 31st December, 2021 ("the Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
- 2. This statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with regulation 33 of Listing Regulation read with circulars issued by SEBI. Our responsibility is to issue a report on these financial results based on our review.
- 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
- 4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other recognised accounting practices and policies, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

 We draw attention to Note 4 to the accompanying financial results, which explains the impact of lockdown and other restriction imposed by the government and condition related to COVID-19 pandemic on the company's operations and financial position including the company's estimate of the possible increase in impairment loss, for which definitive assessment would highly depend on future developments, as they involve in subsequent periods.

- We draw attention to Note 12 to the accompanying financial results, which states that during the quarter-1 (2021-22), the company has offered resolution plan to its eligible customer pursuant to RBI Circular "Resolution Framework 2.0 – Resolution for Covid-19 related stress of individuals and small business", dated May 05, 2021.
- 3. The quality of cash inflows are under influence of corona fallouts and recovery process is also influenced accordingly. (For e.g. non availability of fast access to legal recovery system due to non-availability of courts/collector offices). Due to covid, overall economy has also been impacted in general and HFCs' and NBFCs' in particular. Hence, the loan repayment moratorium effected by the government was availed by the borrowers of the company and the company has allowed the same in true spirit to its borrowers, which has resulted in pressure on liquidity and the Assets and Liabilities Management. Due to this, there is a contraction on servicing the loans during the quarter. The company has informed us that it aims to regularise its loans through re negotiating with lenders/investors for debt/equity infusion.
