Independent Auditors' Report

The Board of Directors, ALPHA HI-TECH FUEL LIMITED Station Road, Lakhtar, Dist. Surendra nagar, GUJRAT 382775

Introduction

We have reviewed the accompanying unaudited standalone financial results of Alpha Hi-Tech Fuel Limited (the Company) for the quarter ended on 31st December, 2022 (the financial results). Preparation of these financial results is the responsibility of the management of the Company, in accordance with the provisions of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, and the Recognition and Measurement principles laid down in Accounting Standard for Interim Financial Reporting 'IND-AS 34', prescribed under section 133 of the Companies Act, 2013 and the rules framed thereunder, and the accounting principles generally accepted in India. The said financial results have been approved by the Board of Directors. Our responsibility is to express a conclusion on these financial results based on our review.

Scope of Review

We conducted our review of the financial results, in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Based on our review, with the exception of matters described in the preceding paragraph, nothing has come to our attention that causes us to believe that the accompanying financial results, are not prepared in all material aspects in accordance with the prescribed accounting standards and other recognized accounting practices and policies, and has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with SEBI Circular dated 5-7-2016, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Material Uncertainty as a Going Concern

We draw your attention to the financial results which indicates that the Company has incurred a net loss during the 3 months period ended on 31st December, 2022, and has substantial accumulated losses due to which its net worth has been significantly eroded. These conditions indicate the existence of a material uncertainty that may cast a doubt on the Company's ability to continue as a going concern. Our opinion is not modified in this respect.
