The company accounted Net Surplus received from Keyman Insurance policy received on Maturity
On account of COVID-19 pandemic, the Government of India had imposed a complete Nation wide lockdown on March 24, 2020. This affected the Company's operations. The fall in Turnover is consequent to
the late commencement of wind season coupled with Covid – 19 related restriction like lockdowns, limited man power liability and frequent load sheddings. However, as the lockdown was in force for significant
period of the quarter, the results for the quarter ended 31st December, 2020 was adversely impacted. The results for the quarter are, therefore, not comparable with those of previous quarters.

The Company has taken into account the possible impacts of COVID-19 in preparation of the financial results, including but not limited to its assessment of liquidity and going concern assumption, recoverable values of its financial and non-financial assets and impact on revenues. The Company has considered internal and certain external source of information including reliable credit reports, economic forecasts and industry reports upto the date of approval of the financial results and expects to recover the carrying amount of its assets. The Sibustion is changing rapidly giving rise to inherent uncertainly around the extent and timing of the potential future impact of the COVID-19, which may be different from the estimate as at the date of approval of the financial results. The Company will continue to closely monitor any material changes arising out of future economic conditions and impact on its business

Limited Review Report on the Unaudited Financial Results for the quarter and nine months ended December 31, 2020 of M/s Indus Finance Limited pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To the Board of Directors of Indus Finance Limited

- 1. We have reviewed the accompanying statement of unaudited financial results ('the Statement') of Indus Finance Limited ('the company') for the quarter and nine months ended December 31, 2020, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015 (as amended), including relevant circulars issued by the SEBI from time to time.
- 2. The Statement is the responsibility of the Company's management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard (Ind AS) 34, 'Interim Financial Reporting' prescribed under Section 133 of the Companies Act,2013 and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
- 3. We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, 'Review of interim Financial Information performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Basis for Qualified Conclusion

- 4. The Company earlier extended advance to staff amounting to ₹ 43 lakhs which is not in accordance of the remuneration policy of the company. We are unable to obtain the sufficient appropriate audit evidence with respect to recoverability of the same and therefore, are unable to comment on any adjustments that may be required to the carrying value of aforesaid balance in the accompanying statement.
- 5. The Company has the control of the mortgaged property against which the loan was sanctioned in the previous financial years. As informed to us by the management, the value of the mortgaged property is more than the loan amount recoverable however the company has written off the loan against the property as bad debts to the tune of ₹ 25.3 lakhs during the quarter ended December 31, 2020. Accordingly, had the bad debts not been accounted, the loss for the quarter ended December 31, 2020 would have been lower by ₹ 25.3 lakhs.

- 6. Based on our review conducted as above, except for the effects/possible effects of the matter described in paragraph 4 and 5 nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in all material respects in accordance with Ind AS and other recognised accounting practices and policies, has not disclosed the information required to be disclosed in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015 (as amended), including the manner in which it is to be disclosed, or that it contains any material misstatement.
- 7. We draw attention to Note 4 of the statement, which describes the uncertainties and the impact of COVID-19 pandemic on the Company's operation and results as assessed by the management. Our conclusion on the statement is not modified in respect of this matter.

8. Other Matters:

The above Statement contains amounts for the quarter ended December 2019, nine months ended December 2019 and year ended March 31, 2020 which are subjected to limited review/ audit by a firm other than Sanjiv Shah & Associates who have issued modified limited review report/ audit opinion.
