The audited Standalone Financial Result are prepared in accordance with the Indian Accounting Standard (Ind AS) as prescribed under Section 133 of the Companies Act, 2013.
- 2 The Government of India has inserted section 115BAA in the Income Tax Act 1961 ("Act") with effect from Assessement year 2020-21, which provides a non-reversible option to domestic companies to pay corporate tax at reduced rate effective from April 1, 2019 subject to certain conditions. The Company has assessed the applicability of the Act and opted to continue the existing tax rate for the year ended March 31, 2021.

3 Certain subsidiaries, joint controlled entity and associate are facing uncertainties as detailed below;

#### i) IITL Projects Limited

As at March 31, 2021, the Company has carrying amount of investment in its subsidiary IITL Projects Limited amounting to ₹ 613.13 lakhs in the equity shares. The financial results of the subsidiary have been prepared on a going concern basis, although the subsidiary is incurring continuous losses. The net worth of the subsidiary is negative as on March 31, 2021.

In view of current status of the Real estate industry and in particular adverse cash flows of the its Joint Ventures of the subsidiary, their ability to continue as going concern is doubtful. Further considering that the subsidiary has also net Loss for the year ended March 31, 2021 and the current liabilities exceeded its total assets indicate that a material uncertainty exists that may cast significant doubt its ability to continue as a Going Concern.

Considering the above, the Company carrying impairment provision of ₹748.09 lakhs towards equity investment based on the market price of equity shares of subsidiary and in respect of preference share of the subsidiary company, the Company had provided loss of ₹4,002.27 lakhs fully on account of change in fair value. The management of the Company is of view of that the said impairment provision is considered adequate.

#### ii) IIT Insurance Broking and Risk Management Private Limited

As at March 31, 2021, the Company carrying impairment provision ₹112.00 lakhs on equity investment based on the audited net worth as at March 31, 2021. The management of the Company is of view of that the said impairment provision is considered adequate.

#### iii) IITL Corporate Insurance Services Private Limited

The said wholly owned subsidiary of the Company has made an application to the Ministry of Corporate Affairs (MCA) for removal of the name of the Company from the Register of Companies under the Companies (Removal of Names of Companies from the Register of Companies) Rule, 2016. Accordingly, the Company carrying impairment provision ₹25.00 lakks toward entire equity investment in the said subsidiary as at March 31, 2021.

#### iv) Future Generali India Life Insurance Company Limited (FGILICL)

The Company has made an investment of ₹34,000.00 lakhs in Future Generali India Life Insurance Company Ltd. (FGILICL), a jointly controlled entity of the Company, acquiring 22.5% of its equity capital in the financial year 2012-2013. Between August 2016 to March 2021, FGILICL made various Rights Issues. The Company did not subscribe in any of the Rights Issues. With the increase in paid up capital on account of the Rights issue, the Company's equity stake in FGILICL has reduced to 16.62%. The Company has valued its equity shares at cost as per Ind AS.

The management views the investment in positive light as insurance industry plays a crucial role in the growth and development of the overall economy. There is a huge potential to be tapped across India for life insurance. Life Insurance Industry has a long gestation period and the Company views this as a long term investment. Although FGILICL's net worth as at March 31, 2021 has substantially eroded, however based on projections and future business plan provided by FGILICL to the Company and based on management's assessment of the same, the Company is carrying impairment provision ₹1,330.00 lakhs on equity investment based on the premium paid by the Company as at March 31, 2021.

The management is of the opinion that no further adjustment is required in its carrying amount of investment as at March 31, 2021.

## v) World Resorts Limited (WRL)

The Company has investment in equity shares and preference shares of WRL. WRL has incurred loss in the current period and the net worth of the associate is negative as on March 31, 2021.

Considering the above, the Company carrying impairment provision of ₹ 1,551.81 lakhs toward entire equity investment and ₹ 2,998.94 lakhs toward preference share investment on account of change in fair value as at March 31, 2021.

4 The Covid-19 pandemic which started in India during March 2020 eased to a greater extent during October – November 2020. The resurgence of the pandemic which can be termed as second wave brought back lock downs, eroded revenues and put the livelihoods under threat. This second wave crippled many sectors and caused untold miseries in almost every part of the country. The impact has been more catastrophic this time. The surge in cases and fatalities due to the second wave and the regional lock downs, dented India's economy. The economy has shrunk a record of 7.3% in Financial Year 2021. The second wave has snuffed out the recovery made after the first wave.

The real estate sector, hospitality have taken a larger hit. All sizes of companies bore the brunt of the pandemic. The companies were affected on both supply and demand side. Supply chains were disrupted causing shortage of raw materials and labour.

Since our Company has subsidiaries, associates which are in the business of real estate, hospitality, have suffered a big blow with dwindling income and huge fixed costs.

Based on the current indicators of future economic conditions, the Company has used the principles of prudence in applying judgments, estimates and assumptions and considers this provision to be adequate and expects to recover the carrying amount of these financial and other assets and concludes that no material adjustment required in the financial statement.

The management believes that the extent of impact of COVID-19 pandemic to the Company future results will depend on developments, which are highly uncertain. The Company will continue to closely monitor any material changes to future economic conditions.

Our objectives are to obtain reasonable assurance about whether the Statement as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

The surge in cases and fatalities due to the second wave and the regional lock downs, dented India's economy. The economy has shrunk a record of 7.3% in Financial Year 2021. The second wave has snuffed out the recovery made after the first wave.

The real estate sector, hospitality have taken a larger hit. All sizes of companies bore the brunt of the pandemic. The companies were affected on both supply and demand side. Supply chains were disrupted causing shortage of raw materials and labour.

Since our Company has subsidiaries, associates which are in the business of real estate, hospitality, have suffered a big blow with dwindling income and huge fixed costs.

Based on the current indicators of future economic conditions, the Company has used the principles of prudence in applying judgments, estimates and assumptions and considers this provision to be adequate and expects to recover the carrying amount of these financial and other assets and concludes that no material adjustment required in the financial statement.

The management believes that the extent of impact of COVID-19 pandemic to the Group's future results will depend on developments, which are highly uncertain. The Group will continue to closely monitor any material changes to future economic conditions.

# Auditor's Responsibility for the Audit of the Consolidated Financial Results

Our objectives are to obtain reasonable assurance about whether the Statement as a whole are free from material misstatement whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or
  error, design and perform audit procedures responsive to those risks, and obtain audit evidence that
  is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material
  misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve
  collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates and jointly controlled entities to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associates and jointly controlled entities to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial results/financial information of the entities within the Group and its associates and jointly controlled entities to express an opinion

on the Statement. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the Statement of which are independent auditors. For the other entities included in the Statement, which have been audited by other auditors, such other auditor's remains responsible for the direction, supervision and performance of the audit carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the Annual Consolidated Financial Results that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Annual Consolidated Financial Results may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Annual Consolidated Financial results.

We communicate with those charged with governance of the Holding Company and such other entities included in the Statement of which we are independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

We also perform procedures in accordance with the circular issued by the SEBI under Regulation 33(8) of the Listing Regulations, as amended, to the extent applicable.
