Independent Auditor's Review Report on Unaudited Financial Results of the Company pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, for the Quarter and Half Year ended September 30, 2022

To The Board of Directors of JCT Limited.

1. Introduction

We have reviewed the accompanying Statement of Unaudited Financial Results (the 'Statement') of JCT Limited (the 'Company') for the quarter and half year ended September 30, 2022. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial results based on our review.

2. Scope of Review

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

3. Conclusion

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement of Unaudited Financial Results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

4. Other Matter

We draw attention to the fact that corresponding figures for the quarter / half year ended September 30, 2021 and for the quarter ended June 30, 2022 are based on previously issued unaudited financial results that were reviewed, and figures for the year ended March 31, 2022 are based on the audited financial statements that were audited, by the predecessor auditor, who expressed unmodified conclusion / opinion on those unaudited financial results / audited financial statements.

Our conclusion on the Statement is not modified in respect of the above matter.

- A.1 The above results have been reviewed by the Audit Committee of the Board and subsequently approved by the Board of Directors at their respective meetings held on November 29, 2022.
- A2 These financial results have been prepared in accordance with the Indian Accounting Standards (Ind AS) as prescribed under Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time.
- A.3 Accumulated losses have resulted in erosion of substantial net worth of the Company, however, the Company is making efforts to improve its financial performance by change of its product mix to ensure the increased manufacturing of the high margin products and also by rationalizing its production, man power and other cost / overheads etc. over a period of time. Further, to improve its liquidity / cash flow, and to revive its financial position by reducing its debts, the Company is in the process of disposing off some of its non-core property and has been successful in the sale of some of such properties, which has helped to improve its financial position / cash flow.

Considering the above, and the future profitability and cash flow projections and the continued support of its promoters, lenders, business associates and workmen, the management is hopeful of further improvement in its financial position / performance, and accordingly the financial results have been prepared on a going concern basis.

A4 In the earlier years, the operations of Textile Unit at Srigangenagar were discontinued, and the assets thereof had been disposed off/transferred, except the portion of land, which had been classified as held for sale. During the earlier year ended March 31, 2022, portion of land having carrying value of Rs. 81.81 lakhs has been sold at the sale proceeds of Rs. 3,246.42 lakhs (net of expenses on sale) resulting in profit of Rs. 3,164.61 lakhs (included under Other Income). Further, as the balance land having carrying value of Rs. 23.21 lakhs, is not in the possession of the Company and for the same legal suits have been filed, there is uncertainty relating to its sale, and therefore, considering the principle of prudency, the same was fully impaired.

AS The figures of the previous period / year have been regrouped/reclassified, wherever necessary, to confirm to current/quarter/s/period's classification.
