- 3 Maturity Profile and repayment schedule of principal/interest on unsettled secured loans is not possible to determine by the company as accounts with all the banks slipped into sub-standard category after restructuring. Hence the banks have recalled the entire outstanding and have started recovery actions under SARFAESI ACT, 2002. Since the date of default for repayment of loans to the secured lenders has become older than three years, the Debt payable by the Company to its secured lenders has, however, become barred by limitation.

- 5 Regarding compliance of provision IND AS 109 in respect to accounting of corporate guarantee for Rs. 256.10 crore given by the Company to the Bankers of Jindal Medicot Limited and Jindal Specialty Textiles Limited, as the same is presently not ascertainable as accounts of the companies have turned sub-standard over a period of time. Jindal Medicot Limited is under CIRP as petition filed by a Financial Creditor got admitted by NCLT, Chandigarh on 03/03/2020.
- 6 Amortization of processing fees of term loans has not been done as required by Ind AS, since accounts of the company has been classified as NPA before the transition date as per Ind AS.
- 7 The previous figures have been regrouped /rearranged to make them comparable with those of the current period.
- 8 There is no manufacturing activity in the Company now. Operations at wind mill situated at Jaisalmer are also closed due to non-payment of maintenance charges to SUZLON.
- 9 The Exceptional Income of Rs. 1036.35 Lacs includes profit from sale land of Rs. 29.64 Lacs, profit on sale of plant and machinery under SARFAESI ACT during the previous financial year amounting to Rs. 775 Lacs, income generated due to sale of scrap of Rs.0.15 Lacs, Rs.145.93 Lacs booked on the account of written back of provision for bad debts and Rs. 89.60 Lacs as Rebate & Discount.

Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether Standalone Ind AS Financial Results for the year ended March 31, 2023, as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken based on these Standalone Financial Results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design appropriate audit procedures in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of Standalone Ind AS Financial Results, including the disclosures, and whether Standalone Ind AS Financial Results represents the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Financial Results that, individually or in aggregate, make it probable that the economic decisions of a reasonably knowledgeable user of the Annual Standalone Financial Results may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and evaluating the results of our work; and (ii) evaluating the effect of any identified misstatements in the Standalone Financial Results.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
