Limited Review Report on Unaudited Quarterly and Year to date Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended.

To,
The Board of Directors
Ujaas Energy Limited

We have reviewed the accompanying statement of Unaudited Financial Results of Ujaas Energy Limited ("the Company") for the quarter ended 31st December 2022 and year to date for the period from 1st April, 2022 to 31st December 2022 ("the statement"), being submitted by the Company pursuant to Regulation 33 of SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015, as amended. This statement is the responsibility of the Company's Management and has been approved by RP. Our responsibility is to issue a report on the financial statements based on our review.

The National Company Law Tribunal ("NCLT"), admitted petition for initiation of Corporate Insolvency Process ("CIRP") of the Insolvency and Bankruptcy Code, 2016 ("the Code") filed by a operational creditor vide order no. CP(IB) No. 09/9/NCLT/AHM/20 dated 17th September, 2020 and appointed an Resolution Professional ("RP") to manage affairs of the Company in accordance with provision of the Code. In view of the pendency of the CIRP and suspension of powers of Board of Directors and as explained to us, the power of adoption of the Statement vests with RP.

We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Basis of Qualified Conclusion

1. As mentioned in Note 1 & 3 of the Statement, creditors were called upon to submit their claims. Claims submitted by the Financial creditors and operational creditors are subject to reconciliations. Pending reconciliation and final outcome of the CIRP, no accounting impact in the books of accounts has been made in respect of excess, short, or non-receipts of claims for operational and financial creditors. Hence consequential impact, if any, on the financial results is currently not ascertainable.
2. We have been informed by Resolution Professional the certain information including the minutes of the meeting of the Committee of Creditor and the outcome of certain procedures carried out as a part of the CIRP are confidential in nature and could not be shared with anyone other than the Committee of Creditor and NCLT. Accordingly, we are unable to comment on the possible financial impact, presentation and disclosure, if any, that may arise if we have been provided access to those information.
3. As mentioned in Note No 4 of the Statement, no impairment assessment of property plant and equipment and intangible asset in carrying value as at 31st December, 2022 is made. Therefore, we are unable to comment on consequential impairment, if any, that is required to be made in carrying value of property, plant and equipment and intangible assets.
4. As mentioned in Note No 5 of the Statement, balance confirmations not been received in respect of trade receivables, deposits, loans and advances and trade and other payables as a result of which reconciliation process and consequential adjustments, if any, has not been carried out. The Company has adjusted / provided / written off / back significant amounts basis its internal estimates, against which necessary supporting documentation has not been made available to us.

Emphasis on Matter

1. Since the CIRP is currently in progress, as per the Code, it is required that the Company be managed as going concern basis during CIRP. The financial results is continued to be prepared on going concern basis. However, there exists material uncertainty about the Company's ability to continue as going concern since as per Note No. 2 NCLT has rejected the resolution plan vide order dated 06/01/2023 against which the resolution applicant has filed an appeal before NCLAT. The appropriateness of preparation of financial results on going concern basis is critically dependent upon outcome of CIRP as specified in the Code.
2. We draw your attention to note 6 of the Statement with regard provision of interest on borrowing by the Company for the quarter ending 31st December 2022 amounting to Rs. 309.65 lacs (corresponding previous quarter December 21 Rs. 181.12 Lacs) and for the nine months ended on 31st December 2022 amounting to Rs. 928.94 Lacs (corresponding previous nine months ended 31st December 21 Rs. 540.79 Lacs), for the quarter ended September 2022 Rs. 309.65 Lacs, for the year ended March 22 Rs. 723.28 Lacs which has not been charged by certain bankers.
3. We draw your attention to note 7 of the Statement with regard to accrued interest income on Fixed Deposits with Axis Bank during the quarter ending 31st December 2022 amounting to Rs.5.72 Lacs (corresponding previous quarter December 21 Rs.5.72 Lacs) and for the nine months ended on 31st December 2022 amounting to Rs.17.09 Lacs (corresponding previous nine months ended December 21 Rs.17.09 Lacs), for the quarter September 22 Rs. 5.72 Lacs, for the year ended March 22 Rs. 22.68 Lacs, which has not been credited by bank.
4. We draw your attention to note 8 of the Statements with regards to management's assessment of inter-alia, realisability of Renewable Energy Certificates amounting to Rs. 1173.00 lacs which is subject to adjudication of pending litigation at Apex Court. The management is hopeful of realizing the aforesaid amount considering the legal opinion.

Other Matter

Comparative financial information of the company for the quarter ended December 2021, September 2022 and period April 2021 to December 2021 and for the year ended 31st March 2022 included in this statement have been reviewed and audited by predecessor auditor. The report of the predecessor auditor on these comparative financial information dated 31.01.2022, 11.11.2022 and 30.05.2022 respectively expressed a modified conclusion and opinion.

Based on our review conducted as above except for possible effect of our observation described in Basis of Qualified Conclusion paragraph and read with our comment in paragraph "Emphasis of Matter" above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable Indian Accounting Standards (Ind AS) and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.
