**MERCATOR LIMITED**  
**NOTES FORMING PART OF STANDALONE FINANCIAL RESULTS FOR THE**  
**QUARTER ENDED JUNE 30, 2022**

1. A Corporate Insolvency Resolution Process (CIRP) has been initiated against the Company vide an order no. CP(IB) 4404(MB)/2019 dated February 08, 2021 of the Hon'ble National Company Law Tribunal, Mumbai Bench ('NCLT') under the provisions of the Insolvency and Bankruptcy Code, 2016 ('Code'). Pursuant to the order, the powers of the Board of Directors stand suspended and are vested with Mr. Girish Siriram Juneja, who had been appointed as Interim Resolution Professional (IRP) by the NCLT and later confirmed as a Resolution Professional (RP) by the Committee of Creditors (CoC). As per requirements of the 'Code' and 'CIRP Regulations', the Resolution Professional had invited expression of Interest (EoI) from prospective Resolution Applicants (PRAs) to submit the Resolution Plan for the Company. The first round of Invitation of EoI was published on April 24, 2021 and the timelines to submit EoI were extended as approved by Committee of Creditors (CoC). Last date to submit EOI as per second round of Invitation of EoI (published on May 18, 2021) was on June 2, 2021 and the Resolution Professional had declared the final list of Resolution Applicants on July 7, 2021. The last date for submission of resolution plan was August 31, 2021, which was thereafter extended to September 6, 2021 basis the request received from the PRAs. The application seeking exclusion of the time period of 88 days i.e. from April 4, 2021 to June 30, 2021 from the overall CIRP period (due to the second wave of Pandemic and various restrictions imposed by Government of Maharashtra) was heard and allowed by the NCLT on August 9, 2021. The CIRP period was extended to November 3, 2021. Further, since certain Resolutions Plans were in hand which had to be put before CoC for voting, an application seeking extension of the CIRP time period by 90 days was heard and allowed by NCLT on November 11, 2021 whereby the CIRP period was extended up to February 1, 2022. Vide order dated July 26, 2022, honourable NCLT, Mumbai has excluded period from December 28, 2022 to March 2, 2022 from the CIRP period. Accordingly, CIRP period stands extended to April 7, 2022.

The Resolution Plans submitted by the Resolution Applicants (RAs) were placed before the Committee of Creditors for their consideration and voting but failed to receive the requisite votes in terms of the provisions of the code. Accordingly, an application for liquidation has been filed in terms of section 33 of the Code, which is pending adjudication by the NCLT. Next hearing date by the honourable NCLT, Mumbai for the said application is scheduled on September 15, 2022.

Pending decision by NCLT, the financial results of the Company have been prepared on a going concern basis.

2. The standalone financial results of Mercator Limited (hereinafter referred as "the Company") for the quarter ended June 30, 2022 have been prepared by the Chief Financial Officer (CFO) and the management, reviewed by the Audit Committee and approved at the meeting of the Resolution Professional & Directors held on August 9, 2022. The RP with the assistance of the management and Chief Financial Officer of the Company has made all practical and reasonable efforts to prepare the results for the quarter ended June 30, 2022. These results have been prepared with the same 'Basis of Preparation' as adopted by the erstwhile Board of Directors as prescribed under the Companies Act, 2013 and related regulations. For opening balances of the earlier year

as well as transactions made prior to initiation of CIRP, RP has relied on the representations and statements made by the Directors and the KMPs of the Company. The RP has relied upon the assistance provided by the members of the Audit Committee in review of the financial results and certifications, representations and statements made by Director of the Company in relation to these financial results. As authorised, Director and Chief Financial Officer of the Company have signed the financial results and the RP has taken on record the said statement of financial results.

3. The financial results of the Company have been prepared in accordance with the recognition and measurement principles laid down in the applicable Indian Accounting Standards ("IND AS") prescribed under Section 133 of the Companies Act, 2013, read with the relevant rules thereunder and in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and SEBI Circular no. CIR/CFD/FAC/62/2016 dated July 5, 2016.
4. The Company has continued to follow the same accounting policies in preparation of financial results for the quarter ended June 30, 2022 as followed in the previous financial year ended March 31, 2022.
5. The Auditors have expressed an Adverse Conclusion on these Financial Results basis the following:

**i. Going Concern**

The financial results of the Company have been prepared on a going concern basis by the management. The company has negative retained earnings as at June 30, 2022, wherein assets are insufficient in comparison to liabilities thereby resulting in erosion of its Net-worth. Further, the Company had since disposed-off substantial part of the Property, Plant and Equipment (PPE). During the quarter ended September 30, 2021, the remaining only two non-operating dredgers which had been arrested by operational creditors, have been sold under auction through orders of the respective Hon'ble High Courts. The current liabilities substantially exceed the current assets and large sums of money receivable are in dispute, which is not readily realisable. As referred to in point #1, CIRP has been initiated by Hon'ble NCLT, Mumbai. It may be further noted that in consonance with the stipulations contained in Section 14 of the Code, a moratorium has been declared in the aforesaid order passed by the Hon'ble NCLT, inter alia, prohibiting the following:

- a. the institution of suits or continuation of pending suits or proceedings against the Corporate Debtor including execution of any judgement, decree or other in any court of law, tribunal, arbitration panel or other authority;
- b. transferring, encumbering, alienating or disposing of by the Corporate Debtor any of its assets or any legal right or beneficial interest therein;
- c. any action to foreclose, recover or enforce any security interest created by the Corporate Debtor in respect of its property including any action under the Securitization and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002;
- d. the recovery of any property by an owner or lessor where such property is occupied by or in the possession of the Corporate Debtor.

The Company's ability to continue as a going concern is dependent upon many factors including continued support from the financial creditors, operational creditors. In view of the opinion of the Directors and KMPs, resolution and revival of the Company is possible in the foreseeable future. Further, the RP is required to make every endeavour to protect and preserve the value of the property of the corporate debtor and manage the operations of the corporate debtor as a going concern.

The management / RP is of the view that they are making best efforts to achieve favourable order in ongoing litigations in order to protect the value of its assets and is making efforts to revive operations. As per rules and regulations of the Corporate Insolvency Resolution Process (CIRP) stipulated under the Insolvency and Bankruptcy Code, 2016, RP received Resolution Plans from the eligible Prospective Resolution Applicants (PRA). The Resolution Plans submitted by the Resolution Applicants (RAs) were placed before the Committee of Creditors for their consideration and voting but failed to receive the requisite votes in terms of the provisions of the code. Accordingly, an application for liquidation has been filed in terms of section 33 of the Code, which is pending adjudication by the NCLT.

Pending decision by NCLT, the financial results of the Company have been prepared on a going concern basis.

- ii. As per the Code, the RP has to receive, collate, verify and admit all the claims submitted by the creditors of the Company. Such claims can be submitted to the RP during the CIRP, till the approval of a resolution plan by the COC. The impact of such claims, if any, that may arise has not been considered in the preparation of the unaudited financial results.

Principal portion of loans from financial creditors in the books of the Corporate Debtor have been restated with the amounts admitted by RP as on Insolvency Commencement Date ("ICD date") (Rs. 920.65 crore). Total amount of claims towards principal dues of the financial creditors as on June 30, 2022 stand as under:

a.	Principal amount of Loans admitted by RP	Rs. 920.65 crore
b.	Claims under verification by RP/Not filed	Nil
	<b>Total</b>	<b>Rs. 920.65 crore*</b>

\*In addition, Contingent Claims arising out of Corporate Guarantee issued by the Company, has been admitted by RP for Bank of Baroda (Principal amount of Rs. 99.26 crore plus interest amount of Rs. 33.40 crore aggregating to Rs. 132.66 crore) and DBS Bank India Ltd. (Principal amount of Rs. 21.66 crore and interest of Rs. 2.08 crore aggregating to Rs. 23.74 crore).

- iii. Interest or any other finance cost charges has not been accrued in the books of accounts from the date of commencement of CIR process, i.e. February 8, 2021 onwards, on account of moratorium under section 14 of Code. In view of this, no finance cost has been debited in the books of accounts of the Company at standalone level during the quarter ended June 30, 2022.

- iv. The Company had impaired investment amounting to USD 56.55 million in Non-Cumulative Redeemable Preference Shares (NCRPS) of its wholly owned subsidiary Mercator International Pte Ltd, Singapore (MIPL) in earlier year. Basis the information available with the management until March'21, the step-down Subsidiary Company had last carried out valuation of coal business taking cut-off date December 31, 2020 for the purpose local reporting requirement, which has been carried till date. However, due to on-going events such as commencement of liquidation proceedings in Mercator International Pte. Ltd (MIPL), Singapore with effect from April 9, 2021 and non-availability of financial statements / financial results / financial information of step down coal subsidiaries at Indonesia for the quarter ended June 30, 2022, any impact on the valuation is not known as on the date. The coal business is housed in companies which are a subsidiary of MIPL and given the fact that a liquidation has been ordered in case of MIPL by the High Court of the Republic of Singapore, the coal business will be monetized by the liquidator of MIPL or the receiver appointed by the financial creditor with whom the shares of the subsidiary owning the coal business have been pledged, as the case maybe. The residual value, if any, after settling the debts of the financial and other creditors would be available for redemption of the NCRPS of MIPL held by Mercator Limited. No latest information is available with the management of the Company as on June 30, 2022.
- v. Non-Current Tax Assets as on June 30, 2022 amount to Rs.55.97crore(net) includes Rs. 70.48 crore which has not been settled due to on-going tax assessment for various Assessment Years i.e. AY 2003-04 and from AY 2007-08 to AY 2018-19 against which net tax demand of Rs. 86.75 crore has been received and contested by the Company. The management is taking steps to resolve the cases with the income tax department.
- vi. Mercator Oil & Gas Limited ('MOGL'), a subsidiary of the Company was engaged in EPC project awarded by ONGC for conversion of their Mobile Offshore Drilling Unit (MODU) 'Sagar Samrat' into a Mobile Offshore Production Unit (MOPU). On September 25, 2018, MOGL received a notice of termination from ONGC for Sagar Samrat Conversion Project after completing almost 96% of the project work. Basis the information available with the management until September 2021, MOGL had initiated arbitration proceedings against ONGC and appointed its Arbitrator and a Tribunal was formed, for which the proceedings were underway. In addition to above, based on the order of Hon'ble Bombay High Court dated July 29, 2019, ONGC had invoked Bank Guarantee amounting to Rs. 142.19 crore which had been accounted in the books of the accounts of MOGL in the earlier years (quarter ended June 30, 2019). Based on the updates available until September 2021 on the progress of the arbitration proceedings, and discussion held in earlier period with the legal counsel, the management is hopeful of a positive outcome in the claim of Rs. 1,946.73 crore filed against ONGC. Accordingly, the Company has made 50% impairment for an amount of Rs. 0.71 crore for the quarter ended June 30, 2022 (Rs. 2.86 crore for the year ended March 31, 2022) towards accrued interest on loan given to MOGL. Out of the total outstanding loan of Rs. 99.92 crore, unimpaired amount as on June 30, 2022 is Rs. 60.65 crore after considering a provision for impairment of Rs. 39.27 crore.

Further, one of the operational creditors had filed petition u/s 9 of IBC 2016 before the National Company Law Tribunal (NCLT), Mumbai Bench against MOGL and the said application for initiation of Corporate Insolvency Resolution Process (CIRP) under Section 9 of the Insolvency and Bankruptcy Code, 2016 (IBC) was admitted vide the order of NCLT dated June 30, 2021 (Order). In terms of Section 17 of the IBC, the power of the Board of Directors stands suspended and all such powers stand vested in an Interim Resolution Professional (IRP) appointed vide the said Order and subsequently confirmed as a Resolution Professional (RP) by the Committee of Creditors (CoC) in their meeting held on July 27, 2021. Further, in terms of stipulations contained in Section 14 of the Code, a moratorium has been declared vide the Order prohibiting certain stipulated actions.

In terms of an update received from RP, the arbitration tribunal had provided further revised schedule of hearing from October 18, 2021 to October 23, 2021 and final hearing from December 6, 2021 to December 11, 2021. ONGC with a view of postponing the trial, filed a writ petition in Bombay High Court, challenging Tribunal's various orders for timely completion of October, 2021 Trial. On October 18, 2021, the Tribunal convened to commence the October Trial. However, ONGC was not present in the trial. On October 19, 2021, the MOGL was served with an un-numbered writ petition to be filed by the ONGC before the Bombay High Court ("Writ Petition"), inter alia seeking a direction to the Tribunal not to proceed with the October Trial till such time as the NCLT decides the Parties' applications, a stay of this Arbitration until final disposal of the Writ Petition, and interim and ad interim reliefs in this regard. The hearing on this petition was fixed for December 15, 2021. ONGC appeared on the October 22, 2021 and requested for new dates for October Trial. Despite MOGL's objections, new dates for hearing were given as under:

- (a) 10, 20 -22 December, 2021 for Respondent's opening submissions and for completing cross-examination witnesses of both parties;
- (b) 17-20 January, 2022 for Claimant's oral submissions
- (c) 14-17 February 2022 for Respondent's oral submissions
- (d) February 18, 2022 for Claimant's oral submissions in rejoinder.

Further, RP had updated that the last date of submission of Expression of Interest (EOI) by Prospective Resolution Applicants (PRAs) was October 13, 2021. The Resolution Plan was placed before CoC. However, the plan did not secure a majority vote of the CoC and accordingly an application for approval of liquidation of the Company has been filed with Honorable NCLT, Mumbai.

Pursuant to the public announcement dated June 30, 2021 in relation to invitation for submission of claims against MOGL, the Company has submitted its claim on MOGL for outstanding debt as on July 15, 2021 for a total claim of Rs. 222.72 crore comprising of Term Loan for a total amount of Rs. 94.21 crore and corporate guarantee issued to Axis Bank Ltd. (for and in behalf of MOGL) for a total amount of Rs. 128.51 crore. The Company has received an acknowledgement of submission of claim from the RP of MOGL who have informed that the Company being a related party of MOGL shall not have any right of representation, participation and voting in a meeting of the CoC. The RP of MOGL has updated that the claim of Mercator Ltd. as a financial creditor for unsecured loans (without voting rights) for Rs. 222.72 crore have been admitted provisionally by the Interim Resolution Professional for Rs. 94.21 crore. The balance amount of claim for Corporate Guarantee executed by Mercator Limited in favour of Axis Bank Limited for various credit facilities by Axis Bank to Corporate Debtor (Rs. 128.51 crore) is admitted as contingent.

A claim of Rs. 1,947 crore (USD 262 Mn) has been made by the subsidiary company on ONGC. In the view of the management and based on legal advice made available earlier, an estimated amount of Rs. 1,288 crore (USD 173.36 Mn) could probably be awarded as payable to the subsidiary company. However, any impact of the settlement will be known only after completion of the ongoing arbitration proceedings. No latest information is available with the management of the Company as on June 30, 2022.

- vii. The Company has receivable towards loan given of Rs. 90.90 crore (including debentures) to Mercator Petroleum Limited (MPL) as on June 30, 2022, against which impairment of Rs. 24.26 crore has been created and balance outstanding as on June 30, 2022 is Rs. 64.62 crore. During the quarter ended June 30, 2022, the Company has provided additional impairment of Rs. 1.16 crore (Rs. 4.71 crore for the year ended March 31, 2022) towards accrued interest on loan to Mercator Petroleum Limited (MPL), Rs. 0.47 crore (Rs. 1.90 crore for the year ended March 31, 2022) towards interest accrued on 6% optionally convertible debentures issued by MPL, on evaluating the following criteria –
  - a. In October, 2019, MPL had received notice of termination from the Ministry of Petroleum and Natural Gas (MOPNG) in compliance with Production Sharing Contract (PSC) for its non-operative oil Block (CB-3) and also had demanded costs and other dues to be determined as per terms and conditions of PSC. The RP with the assistance of the management of the Company and Chief Financial Officer of the Company has made all practical and reasonable efforts to prepare these quarterly and half yearly results. These results have been prepared with the same 'Basis of Preparation' as adopted by the erstwhile Board of Directors as prescribed under the Companies Act, 2013 and related regulations. For opening balances of the earlier year as well as transactions made prior to initiation of CIRP, RP has relied on the representations and statements made by the Directors and the KMPs of the Company. The said consolidated financial results of the Company have been certified by the Director and Chief Financial Officer of the Company. The RP has relied upon the assistance

provided by the members of the Audit Committee in review of the financial results and certifications, representations and statements made by senior officials/management personnel of the Company in relation to these financial results. The Statutory Auditors have carried out a limited review of the above results.

There are 23 (Twenty Three) subsidiaries of the Company. The responsibility towards preparation and presentation of subsidiary financials is that of the respective management, since the subsidiaries are separate legal entities. The RP has taken on record the said statement of Consolidated Financial results in good faith and only to the limited extent of compliance and discharging the powers of the Board of Directors of the Company which has been conferred upon him in terms of provisions of Section 17 of the Code.

3. The consolidated financial results of the Company have been prepared in accordance with the recognition and measurement principles laid down in the applicable Indian Accounting Standards ("IND AS") prescribed under Section 133 of the Companies Act, 2013, read with the relevant rules thereunder and in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and SEBI Circular no. CIR/CFD/FAC/62/2016 dated July 5, 2016.
4. The Company has continued to follow the same accounting policies in preparation of financial results for the quarter ended June 30, 2022 as followed in the previous financial year ended March 31, 2022.
5. The Auditors have expressed an Adverse Conclusion on these Financial Results basis the following:

- i. **Going Concern**

The financial results of the Group have been prepared on a going concern basis by the management. The Group has negative retained earnings as at June 30, 2022, wherein assets are insufficient in comparison to liabilities thereby resulting in erosion of its Net-worth. The current liabilities substantially exceed the current assets and large sums of money are in dispute, which is not readily realisable. Further, the Company has disposed-off the substantial part of the Property, Plant and Equipment (PPE). During the quarter ended September 30, 2021 the remaining only two non-operating dredgers at standalone level which had been arrested by operational creditors, have been sold under auction through orders of the respective Hon'ble High Courts. It may be further noted that in consonance with the stipulations contained in Section 14 of the Code, a moratorium has been declared in the aforesaid order passed by the Hon'ble NCLT, inter alia, prohibiting the following:

- (i) the institution of suits or continuation of pending suits or proceedings against the Corporate Debtor including execution of any judgement, decree or other in any court of law, tribunal, arbitration panel or other authority;
- (ii) transferring, encumbering, alienating or disposing of by the Corporate Debtor any of its assets or any legal right or beneficial interest therein;
- (iii) any action to foreclose, recover or enforce any security interest created by the Corporate Debtor in respect of its property including any action under the Securitization and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002;
- (iv) the recovery of any property by an owner or lessor where such property is occupied by or in the possession of the Corporate Debtor.

The Holding Company's ability to continue as a going concern is dependent upon many factors including continued support from the financial creditors, operational creditors. In

view of the opinion of the Directors and KMPs, resolution and revival of the Company is possible in the foreseeable future. Further, the RP is required to make every endeavor to protect and preserve the value of the property of the corporate debtor and manage the operations of the corporate debtor as a going concern.

The management/RP of the Holding Company is of the view that they are making best efforts to achieve favourable order in ongoing litigations in order to protect the value of its assets and is making efforts to revive operations. As per rules and regulations of the Corporate Insolvency Resolution Process (CIRP) stipulated under the Insolvency and Bankruptcy Code, 2016, RP received Resolution Plans from the eligible Prospective Resolution Applicants (PRA). The Resolution Plans submitted by the Resolution Applicants (RAs) were placed before the Committee of Creditors for their consideration and voting but failed to receive the requisite votes in terms of the provisions of the code. Accordingly, an application for liquidation has been filed in terms of section 33 of the Code, which is pending adjudication by the NCLT.

Pending decision by NCLT, the financial results of the Company have been prepared on a going concern basis.

Under Ind AS 110, an entity shall not prepare its financial statements / financial results on a going concern basis if management determines after the reporting period date either that it intends to liquidate the entity or to cease trading, or that it has no realistic alternative but to do so. Hence, in view of non-availability of liquidation values of assets and liabilities of such subsidiaries, the same are not stated at fair values.

- ii. As per the Code, the RP has to receive, collate, verify and admit all the claims submitted by the creditors of the Company. Such claims can be submitted to the RP during the CIRP, till the approval of a resolution plan by the COC. The impact of such claims, if any, that may arise has not been considered in the preparation of the unaudited financial results.

At the standalone level, Principal portion of loans from financial creditors in the books of the Corporate Debtor have been restated with the amounts admitted by RP as on ICD dates (Rs. 920.65 crore). 1. We have reviewed the accompanying Statement of Unaudited Standalone Financial Results of **Mercator Limited** ("the Company") for the quarter ended June 30, 2022 ("the Statement") being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations") and has been initialed by us for identification purpose.

The Hon'ble National Company Law Tribunal, Mumbai (NCLT) had admitted the petition of the Financial Creditors under the Insolvency and Bankruptcy Code (IBC) 2016 vide its Order dated February 8, 2021. As per Section 17 of the IBC, the powers of the Board of Directors of the Company have been suspended and such powers have been vested with Mr. Girish Siriram Juneja as the Interim Resolution Professional (hereinafter referred as "RP"), by the NCLT vide its aforesaid order to manage the affairs of the Company as per the provisions of the IBC. The Committee of Creditors (CoC) confirmed Mr Juneja as the Resolution Professional (RP) at its meeting held on March 10, 2021.

2. This Statement, which is the responsibility of the Company's management and considered and taken on record by the RP, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standards 34 "Interim Financial Reporting" ("Ind AS 34") as prescribed under section 133 of the Companies Act 2013 to be read with the relevant rules issued thereunder ("the Act") and as per the presentation requirement of the SEBI circular CIR/CFD/FAC/62/2016 dated July 5, 2016 (hereinafter referred to as "the SEBI Circular") and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review of the interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

#### 4. Basis for Adverse Conclusion

We draw attention to –

- a. Note No. 5(i) regarding preparation of the statement on a going concern basis. The Company's financing arrangements have expired and substantial amounts have been recalled and are due and payable as on June 30, 2022. Besides the NCLT has admitted the petition of the Financial Creditors vide its Order dated February 8, 2021 and proceedings under the IBC have been initiated on the company. The Company has substantial investments and loans and advances receivable from subsidiary companies and other disputed receivables, which are not readily realizable to service the Company's current liabilities and the Company's net worth has also been fully eroded, along with the inability to meet its current liabilities which substantially exceeds its current assets. The Company had substantially disposed-off its Property, Plant and Equipment and currently doesn't have significant operating revenue and operating assets. Further, the management has not shared a revival plan for the company to continue as a going concern and hence in the absence of the same we conclude that the going concern assumption has been vitiated. The Financial Results have however been prepared on a going concern basis by the management.
- b. Note No. 5(ii), regarding the balances restated in the books of accounts pursuant to admission of the claims submitted by the financial creditors, of which as on June 30, 2022, as confirmed by RP, no claim is pending for verification with Resolution Professional (RP). We have relied on the adjustments made by the RP w.r.t. the claims received and are unable to comment on the financial impact of the same on the financial results of the Company.
- c. Note No. 5(iii), regarding interest or any other charges not being accrued in the books of accounts from the date of commencement of CIR process, i.e. February 8, 2021 onwards, on account of moratorium under section 14 of the Code.
- d. Note No. 5(iv), regarding the Company's investments in its wholly owned foreign subsidiary Mercator International Pte Ltd. (MIL) which was impaired in full, amounting to Rs. 443.37 crore as on June 30, 2022 (excluding investment in equity shares – Rs. 0.29 crore) during the previous year. The significant investment of MIL is in its coal mines and related infrastructure in Indonesia and the valuation of these assets was conducted on December 31, 2020 by an independent valuer, and the same has been considered as on June 30, 2022. Further, we have been informed by the management that a liquidator has been appointed on MIL effective April 9, 2021 and no financial statement / financial results / financial information of MIL has been made available to the Company. We are unable to comment on the value or recoverability of the said investment in subsidiary keeping in mind the non – availability about the information about the fair value of assets and liabilities of MIL and the impact the valuation would have, had the same been done as on June 30, 2022 on the financial statements as on the reporting date.
- e. Note No. 5(v), regarding unprovided current tax demands under dispute to the tune of Rs. 63.18 crores pending at various judicial forums of the Income Tax department, which are treated as contingent liabilities. In the absence of the required supporting documents justifying the stand of the Company, we are unable to comment on the final outcome of such assessments and the potential financial impact of the same.

- f. Note No. 5(vi), regarding termination of Sagar Samrat Conversion Project (SSCP), undertaken by a subsidiary Mercator Oil & Gas Ltd. (hereinafter referred to as "MOGL" or "subsidiary"), by ONGC, which is currently under arbitration. The Company has investments in equity amounting to Rs. 0.15 crore, which has been fully impaired in previous years and loans amounting to Rs. 99.92 crore (which includes un-serviced interest amounting to Rs. 34.43 crore, excluding impairment of Rs. 39.27 crore), and the balance as per the financial results net of impairment amounts to Rs. 60.65 crore as at June 30, 2022 in MOGL, which in the view of the management is recoverable. The petition filed in NCLT, Mumbai Bench by an operational creditor against MOGL was admitted vide Order dated June 30, 2021 and an Interim Resolution Professional (IRP) has been appointed. The unaudited financial statements / financial information available with the management / RP is not certified by the management / IRP of MOGL as on June 30, 2022. In view of the pending outcome of the arbitration and non – availability of substantive documentation about the expected recovery or the financial statements of the Company as on June 30, 2022, we are unable to comment on the recoverability of such investment and loan amount.
- g. Note No. 5(vii), regarding the Company's investments in its Indian subsidiary Mercator Petroleum Ltd. (hereinafter referred to as "MPL") amounting to Rs. 47.93 crore, (excluding impairment of Rs. 16.17 crore) and loan (including Debentures) given amounting to Rs. 122.51 crore (including un-serviced interest of Rs. 50.84 crore and excluding impairment of Rs. 24.26 crore) as on June 30, 2022, and the balance as per the financial results including investments and loans amounts to Rs. 130 crore, which are considered as recoverable. Further, the petition filed in NCLT, Mumbai Bench by an operational creditor against MPL was admitted vide Order dated August 31, 2020 and an Interim Resolution Professional (IRP) has been appointed. We have been informed by the management / RP that no financial statement / financial results / financial information of MPL as on June 30, 2022 is being made available to the Company. In the view of non – availability of any financial information, we are unable to obtain sufficient appropriate evidence about the recoverability of such investment and loan given.
- h. Note No. 5(viii), regarding the fact that the Financial Statement / Financial Results / Financial Information of any subsidiaries / step – down subsidiaries are not available. We are therefore unable to obtain sufficient and appropriate evidence about the recoverability of such investments and loans given.
- i. Note No. 5(ix), regarding balance confirmations not been received in respect of certain secured / unsecured loans, trade receivables, trade and other payables, and loans and advances as a result of which reconciliation process and consequential adjustments, if any, have not been carried out. The Company has adjusted / provided significant amounts basis its internal estimates, against which necessary supporting documentation have not been made available to us.
- j. Note No. 5(x), the Company had failed to pay the installment due of the debentures on the due date and failed to pay the interest due thereon for a continuous period of more than a year. Hence, all the directors are disqualified from being appointed as director in terms of Section 164 (2) of the Act.

## 5. Adverse Conclusion

Based on our review conducted above, we report that due to the significance of the matters stated in para 4 "Basis for Adverse Conclusion", we have come to the conclusion that the Statement is not prepared fairly in accordance with the aforesaid Indian Accounting Standards and other recognized accounting practices and policies generally accepted in India and has not disclosed fairly the information required to be disclosed in terms of the SEBI Circular.

## 6. Emphasis of Matter

We draw attention to –

- a. Note No. 8, regarding a receivable from an insurance Company amounting to Rs. 54.28 crore pertaining to a claim of loss on a vessel pertaining to the year 2012-13, which is under litigation. The same has been considered fully recoverable by the management and is supported by a legal opinion.

Our conclusion is not modified in respect of the aforementioned matter.

For certain step-down subsidiaries, limited financial information has been shared for inclusion in preparation of the consolidated financial results but proper details and bifurcations are not available to ensure eliminations.

However, as informed by the management / RP of the Parent Company, MOGL had not accepted the claim and recognized Rs. 22.97 crore as contingent liability on the subject matter. Further, the petition filed in NCLT, Mumbai Bench by an operational creditor against MOGL has been admitted vide Order dated June 30, 2021 and an Interim Resolution Professional (IRP) has been appointed.
