- 1) We have reviewed the accompanying unaudited consolidated financial results of M/s. - 2) This Statement, which is the responsibility of the Holding Company's Management and approved by the Holding Company's Board of Directors in their meeting held on November 10, 2023 has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under section 133, of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
- 3) We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity," issued by Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the statement is free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33 (8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

Basis for Qualified Conclusion

5) We draw attention to the following matters:

- a. In relation to Note 7 of the accompanying statement with regard to fair valuation of the investment in 0.01% Non-Cumulative Compulsorily Convertible Preference Shares (CCPS) issued by associate (erstwhile wholly owned subsidiary) by the management based on its internal assessment and best estimate of the milestone shares, milestone events and milestone consideration, as defined in the Put Call Option Agreement dated 19 November 2021 and its subsequent amendments. Pending finalisation of the terms and conditions of the milestone shares, milestone events and milestone consideration we were unable to obtain sufficient appropriate audit evidence about the fair value the CCPS as at September 30, 2023. Consequently, we were unable to determine whether any adjustments to these amounts were necessary and its resultant impact on the loss for the period ended September 30, 2023.
- b. Based on audit procedures performed in relation to trade payables in respect of one subsidiary i.e. Sastasundar Healthbuddy Limited on sample vendor balances we noted instances wherein the independent balance confirmations received from vendors were not in agreement with the balances in the books of account. As stated in Note 6 of the Statements, the management is in the process of reconciling the outstanding balances as at September 30, 2023. Pending reconciliations of the said balances, we are unable to comment on the adjustments, if any, with respect to the balances of trade payables arising out of such reconciliation and its consequential impact on the Statement."

Considering the qualifications mentioned in paragraph above, we are unable to determine and comment on the extent of adjustments, if any, that may be required to these Statement for the quarter and half year ended September 30, 2023.

Qualified Conclusion

- 6) Based on our review conducted and procedures performed as stated in paragraph 3 above and based on the consideration of the management reviewed interim financial results of subsidiaries referred to in paragraph 7 below, except for the observations/matters mentioned in the preceding paragraph, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the applicable Indian Accounting Standards as prescribed under Section 133 of the Companies Act, 2013, as amended read with relevant rules issued there under and other recognized accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Regulation, read with the Circular, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Emphasis of Matter

7) We draw your attention to the following matter:

- a. Refer Note 8 of the Statements, which more fully explains that during the course of preparation of the Consolidated Financial Statements for the year ended 31 March 2023 management of the

Company identified and corrected an accounting error in respect of recognition of deferred tax liability pertaining to the previous year. Accordingly, the corresponding figures pertaining to the period ended September 30, 2023 have been restated in accordance with the requirements of applicable standards, for rectification of material prior period errors.

- b. Refer Note 5 of the Statements, with regard to Material Uncertainty Relating to Going Concern has been communicated to us by the auditors of Happymate Foods Limited ('HFL'), a step-down subsidiary of the Holding Company, vide their report stating that HFL's current liability exceeds its current assets as at September 30, 2023 and as of that date the Company's net worth has been eroded. However, the financial statement of HFL has been prepared on going concern basis for the preparation of this Statement.

Our opinion is not modified in respect of these matters.

Other Matters:

- 8) The Statement includes the interim financial statement of Eight ("8") step-down subsidiaries which have not been reviewed by their auditor, whose interim financial statement reflect Group's share of total assets of Rs.2,899.17 Lakhs as at September 30, 2023 and total revenue of Rs.96.48 Lakhs and Rs.182.97 Lakhs for the quarter and half year ended September 30, 2023, total net loss of Rs.212.83 and Rs. 398.80 lakhs for the quarter and half year ended September 30, 2023, and total comprehensive loss of Rs.196.21 Lakhs and Rs.389.96 Lakhs for the quarter and half year ended September 30, 2023 and net cash inflow of Rs.6.81 lakhs as considered in the consolidated unaudited financial results for year-to-date ended September 30, 2023. According to the information and explanations given to us by the Management, these interim financial results are not material to the Group.
- 9) We did not review the interim financial statement of Three ("3") subsidiaries and Two ("2") step-down subsidiaries included in consolidated unaudited financial results, whose interim financial statement reflect Group's share of total assets of Rs.11,797.72 Lakhs as at September 30, 2023 and total revenue of Rs.10,662.63 Lakhs and Rs. 18,818.28 lakhs for the quarter and half year ended September 30, 2023, total net profit/(loss) of (Rs.16.54 Lakhs) and Rs. 342.08 lakhs and total comprehensive income of Rs.35.65 Lakhs and Rs.310.00 lakhs for the quarter and half year ended September 30, 2023 and net cash inflow of Rs.61.53 lakhs as considered in the consolidated unaudited financial results for year-to-date ended September 30, 2023. Our conclusion on the Statement is not modified in respect of the above matters.
