The previous year's losses of the company have wiped off the book value of net worth of the company. However in the opinion of management the going concern of the company is still intact and has not got defeated, as the fair market value of land exist in the financial statement of company is more than sufficient to mitigate the liabilities of the company and moreover the company has leased out the manufacturing facility of company's unit with Plant & machinery and civil construction thereon for usually carrying on manufacturing and trading activities during the financial year. Our opinion is not modified in respect of this matter.
