STATEMENT OF UNAUDITED CONSOLIDATED FINANCIAL RESULTS FOR THE QUARTER AND NINE MONTHS
ENDED DECEMBER 31, 2018

Notes :

- 1 The above statement of unaudited consolidated financial results ('the Statement') of Mindteck (India) Limited ('the Company') for the quarter and nine months ended December 31, 2018, have been reviewed by the Audit Committee and thereafter approved by the Board of Directors in their meeting held on February 14, 2019.
- 2 These consolidated financial results have been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standards ('Ind AS') prescribed under Section 133 of the Companies Act, 2013, read with the relevant rules thereunder and in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and SEBI Circular No. CIR/CFD/FAC/62/2016 dated July 05, 2016.
- 3 The Company has consolidated the financial statements of the Mindteck Employees Welfare Trust ('the Trust') with that of its consolidated financial statements to comply with the requirements of SEBI (ESOS and ESPS) Guidelines 1999. As a result, the Company's paid up equity shares stand reduced by 416,000 shares. To give effect to the consolidation of the Trust, Rs 41.6 lakhs has been reduced from equity share capital, Rs 362.4 lakhs has been reduced from securities premium account and Rs 32.21 lakhs has been adjusted in reserves. The shares held by the Trust were reduced from outstanding number of shares for computation of basic EPS of the Company.
- 4 The Mindteck Group's operations predominantly relate to providing software services to external customers and providing IT-enabled services to subsidiaries within the Group. Since IT-enabled services are rendered to subsidiaries which are consolidated, the disclosure of a separate IT-enabled services segment as a separate primary segment is not applicable. The Group is therefore considered to constitute a single primary business segment and accordingly primary segment disclosures have not been presented.
 Based on the "management approach" as defined in Ind AS 108 - Operating Segments, the Chief Operating Decision Maker also evaluates the Group performance and allocates resources based on an analysis of various performance indicators by geographical areas. Accordingly, information has been presented in respect of such geographical segments.
 The accounting principles consistently used in the preparation of the consolidated financial statements are also consistently applied to record income and expenditure in the individual segments.
