Independent Auditor's Review Report on the quarterly and year to date unaudited standalone financial results pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

**Review Report to
The Board of Directors
Modern India Limited**

1. Introduction

We have reviewed the accompanying statement of unaudited standalone financial results of **Modern India Limited** (the "Company") for the quarter and half year ended September 30, 2020 together with related notes thereon (the "Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations, 2015") read with SEBI Circulars.

This Statement, which is the responsibility of the Company's management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other recognized accounting practices and policies, and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.

2. Scope of Review

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement.

A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

3. Basis for qualified conclusion

An amount of Rs. 1,348.48 lakhs (net of Rs. 104.64 lakhs recovered till date) is outstanding as trade receivables as at September 30, 2020 in respect of commodities trading transaction done on National Spot Exchange Limited (NSEL). The Company has filed a representative suit in the Hon'ble Bombay High Court for recovery of the same. Ministry of Corporate Affairs (MCA) had ordered merger of 63 Moons Technologies Limited with NSEL which was held up by the Hon'ble High Court of Bombay. The same has been set aside by the Hon'ble Supreme Court of India. Pending outcome of the legal suit and resolution of uncertainties involved, the management has considered the receivable as good for recovery. However, in the absence of appropriate audit evidence, we are unable to determine the extent of recovery possible in this case. (Refer note 2 of the Statement).

4. Qualified Conclusion

Based on our review conducted as above, except for the possible effects of the matter described in the Basis for Qualified Conclusion paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement of unaudited standalone financial results prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other recognized accounting practices and policies generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended read with relevant circulars issued thereunder including the manner in which it is to be disclosed, or that it contains any material misstatement.

5. Emphasis of Matter

We draw attention to Note 4 to the Standalone Unaudited Financial Results in which the company describes the uncertainties arising from the COVID 19 pandemic. Our conclusion is not modified in respect of this matter.

Independent Auditor's Review Report on quarterly and year to date consolidated unaudited financial results pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

**Review Report to
The Board of Directors
Modern India Limited**

1. Introduction

We have reviewed the accompanying Statement of Consolidated Unaudited Financial Results of **Modern India Limited** ("the Parent"), which includes its subsidiaries (the Parent and its subsidiaries together referred to as 'the Group') for the quarter and half year ended September 30, 2020 together with the related notes thereon (the "Statement") attached herewith, being submitted by the Parent pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations, 2015") read with SEBI Circulars.

This Statement, which is the responsibility of the Parent's Management and approved by the Parent's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.

2. Scope of review

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the Circular issued by the Securities and Exchange Board of India under Regulation 33(8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended, to the extent applicable.

3. The Statement includes the financial results of the following entities:

Sr. No.	Name Of the Entity	Relationship
Direct Subsidiaries		
1	Verifacts Services Private Limited	Subsidiary
2	Modern International (Asia) Limited	Subsidiary
Indirect Subsidiary		
3	Modern International (Vietnam) Company Limited (Subsidiary of Modern International (Asia) Limited)	Step-Down Subsidiary (w.e.f. 17.10.2019)

4. **Basis for Qualified Conclusion**

In case of the Holding Company, an amount of Rs. 1,348.48 lakhs (net of Rs. 104.64 lakhs recovered till date) is outstanding as trade receivables as at September 30, 2020 in respect of commodities trading transaction done on National Spot Exchange Limited (NSE). The Holding Company has filed a representative suit in the Hon'ble Bombay High Court for recovery of the same. Ministry of Corporate Affairs (MCA) had ordered merger of 63 Moons Technologies Limited with NSEL which was held up by the Hon'ble High Court of Bombay. The same has been set aside by the Hon'ble Supreme Court of India. Pending outcome of the legal suit and resolution of uncertainties involved, the management has considered the receivable as good for recovery. However, in the absence of appropriate audit evidence, we are unable to determine the extent of recovery possible in this case. [Refer note 2 of the Statement]

5. **Qualified Conclusion**

Based on our review conducted as above, except for the possible effects of the matter described in the Basis for Qualified Conclusion paragraph 4 above and based on the consideration of the review/audit reports of the other auditors referred to in paragraph 7 below, nothing has come to our attention that causes us to believe that the accompanying Statement of consolidated unaudited financial results, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other recognized accounting practices and policies generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended read with relevant circulars issued thereunder including the manner in which it is to be disclosed, or that it contains any material misstatement.

6. **Emphasis of Matter**

We draw attention to Note 5 to the Consolidated Unaudited Financial Results in which the Group describes the uncertainties arising from the COVID 19 pandemic. Our conclusion is not modified in respect of this matter.

7. **Other Matter**

Notes:

1 The above results of the Company for the quarter and half year ended September 30, 2020 have been reviewed by the Audit Committee and approved by the Board of Directors in their respective meetings held on November 10, 2020.

2 The Statutory Auditors in their Report on the Standalone Financial Statements for the year ended on March 31, 2020 have qualified their opinion as regards Receivable of ₹ 1,348.48 Lakhs in respect of Commodities Trading Transaction done on NSEL.

The Managements reply is stated here under.

An amount of ₹ 1,348.48 Lakhs (Net of ₹ 104.64 Lakhs recovered till date) is outstanding as receivable in respect of Commodities Trading Transactions done on National Spot Exchange Limited (NSEL). The Company has filed a representative suit in the Hon'ble Bombay High Court for recovery of the same. Ministry of Corporate Affairs (MCA) had ordered merger of 63 Moons Technologies Limited with NSEL which has been set aside by the Hon'ble Supreme Court of India. In the meanwhile various decrees have been passed by the High Court of Bombay against defaulters, including sale of commodities and assets is also in process. Various agencies including Economic Offence Wing and Enforcement Directorate are also in process of liquidating assets of defaulters. However considering uncertainties involved in making any reliable estimate of amount recoverable, provision if any will be considered at an appropriate time on the basis of resultant outcome. Until then the dues are considered as good.

- 3 During the quarter ended June 30, 2020, finance cost and corresponding income recognized in earlier years is net of adjustment on account of revision in estimates done in respect of repayment schedule of interest free security deposits and this does not have any impact on financial results.
- 4 The outbreak of Covid-19 pandemic has caused significant disturbance and slowdown of economic activities globally. The nationwide lockdown ordered by the Government of India has resulted in significant reduction in economic activities and also the business operations of the Company in terms of trading sales, real estate and solar power generation. Further, as at September 30, 2020, the Company expects to fully recover the carrying amount of its assets and liabilities. Based on the current indicators of future economic conditions, the management expects to recover the carrying amount of the assets. However, due to the continuing uncertainties associated with the pandemic, the actual impact may not be in line with current estimates. The Company has assessed the possible impact of COVID-19 on its financial results based on the internal and external information available up to the date of approval of these financial results including but not limited to its assessment of Company's liquidity, recoverable values of property, plant and equipment, intangible assets and the net realisable values of other assets.
- 5 During the period ended September 30, 2020, the Company has negotiated with the landlord on the rent reduction / waiver due to COVID 19 pandemic. The Management believes that such reduction/ waiver in rent is short term in nature and also meets the other conditions specified in the notification issued by the Central Government in consultation with National Financial Reporting Authority dated July 24, 2020 as Companies (Indian Accounting Standards) Amendment Rules, 2020 with effect from April 1, 2020. Thus, in accordance with the said notification, the Company has elected to apply exemption as the reduction/ waiver does not necessitate a lease modification as envisaged in the Standard by recording in the "Other income". Accordingly, the Company has recognised ₹12.75 Lakhs during the quarter in the financial results.
- 6 Previous period/year's figures have been regrouped / reclassified / restated wherever necessary to correspond with the current period classification/disclosure.

Notes:

1 The above results of the Company for the quarter and half year ended September 30, 2020 have been reviewed by the Audit Committee and approved by the Board of Directors in their respective meetings held on November 10, 2020.

2 The Statutory Auditors in their Report on the Consolidated Financial Statements for the year ended on March 31, 2020 have qualified their opinion as regards Receivable of ₹ 1,348.48 Lakhs in respect of Commodities Trading Transaction done on NSEL.

The Managements reply is stated here under.

An amount of ₹ 1,348.48 Lakhs (Net of ₹ 104.64 Lakhs recovered till date) is outstanding as receivable in respect of Commodities Trading Transactions done on National Spot Exchange Limited (NSEL). The Company has filed a representative suit in the Hon'ble Bombay High Court for recovery of the same. Ministry of Corporate Affairs (MCA) had ordered merger of 63 Moons Technologies Limited with NSEL which has been set aside by the Hon'ble Supreme Court of India. In the meanwhile various decrees have been passed by the High Court of Bombay against defaulters, including sale of commodities and assets is also in process. Various agencies including Economic Offence Wing and Enforcement Directorate are also in process of liquidating assets of defaulters. However considering uncertainties involved in making any reliable estimate of amount recoverable, provision if any will be considered at an appropriate time on the basis of resultant outcome. Until then the dues are considered as good.

3	During the quarter ended June 30, 2020, finance cost and corresponding income recognized in earlier years is net of adjustment on account of revision in estimates done in respect of repayment schedule of interest free security deposits and this does not have any impact on financial results.
4	The consolidated financial results represent the results of business operations of the Company, its Wholly owned subsidiary companies Modern International (Asia) Limited (MIAL), Verifacts Services Private Limited and Wholly Owned Subsidiary of MIAL - Modern International (Vietnam) Company Limited w.e.f. 17.10.2019.
5	The outbreak of Covid-19 pandemic has caused significant disturbance and slowdown of economic activities globally. The nationwide lockdown ordered by the Government of India has resulted in significant reduction in economic activities and also the business operations of the Group in terms of trading sales, real estate, solar power generation and background verification. Further, as at September 30, 2020, the Group expects to fully recover the carrying amount of its assets and liabilities. Based on the current indicators of future economic conditions, the management expects to recover the carrying amount of the assets. However, due to the continuing uncertainties associated with the pandemic, the actual impact may not be in line with current estimates. The Group has assessed the possible impact of COVID-19 on its financial results based on the internal and external information available up to the date of approval of these financial results including but not limited to its assessment of Group's liquidity, recoverable values of property, plant and equipment, intangible assets and the net realisable values of other assets.
6	During the period ended September 30, 2020, the Group has negotiated with the landlords on the rent reduction / wavier due to COVID 19 pandemic. The Group believes that such reduction/ waiver in rent is short term in nature and also meets the other conditions specified in the notification issued by the Central Government in consultation with National Financial Reporting Authority dated July 24, 2020 as Companies (Indian Accounting Standards) Amendment Rules, 2020 with effect from April 1, 2020. Thus, in accordance with the said notification, the Group has elected to apply exemption as the reduction / waiver does not necessitate a lease modification as envisaged in the Standard by recording in the "Other income". Accordingly, the Company has recognised ₹ 16.18 Lakhs during the quarter in the financial results.
7	Previous period/year's figures have been regrouped / reclassified / restated wherever necessary to correspond with the current period classification/disclosure.
