Independent Auditor's Review Report on Consolidated Unaudited Quarterly Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)

To the Board of Directors of Motilal Oswal Financial Services Limited

- 1. We have reviewed the accompanying statement of unaudited consolidated financial results of Motilal Oswal Financial Services Limited ('the Holding Company') and its subsidiaries (the Holding Company and its subsidiaries together referred to as 'the Group'), its associate and joint venture (refer Annexure 1 for the list of subsidiaries, associate and joint venture included in the Statement) for the quarter ended 30 June 2020 ('the Statement'), being submitted by the Holding Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including relevant circulars issued by the SEBI from time to time.
- 2. This Statement, which is the responsibility of the Holding Company's management and approved by the Holding Company's Board of Directors, has been prepared in accordance with the accounting principles laid down in Indian Accounting Standard 34, Interim Financial Reporting ('Ind AS 34'), prescribed under section 133 of the Companies Act, 2013 ('the Act'), and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
- 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under section 143(10) of the Act, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the SEBI Circular CIR/CFD/CMD1/44/2019 dated 29 March 2019 issued by the SEBI under Regulation 33 (8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), to the extent applicable.

- 4. Based on our review conducted and procedures performed as stated in paragraph 3 above and upon consideration of the review reports of the other auditors referred to in paragraph 6 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the accounting principles laid down in Ind AS 34, prescribed under Section 133 of the Act, and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including the manner in which it is to be disclosed, or that it contains any material misstatement.
- 5. We draw attention to Note 6 in the accompanying Statement which describes the uncertainties relating to the effects of the COVID 19 pandemic on the impact on expected credit loss recognised towards the housing loans to customers and carrying value of Investments in Real Estate Funds and Private Equity Funds amounting to ₹ 2,094 lakhs and ₹ 55,968 lakhs respectively as at 30 June 2020. Our conclusion is not modified in respect of this matter.

Independent Auditor's Review Report on Consolidated Unaudited Quarterly Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)

6. We did not review the interim financial information of eight subsidiaries included in the Statement, whose financial information reflects total revenues of ₹ 3290 lakhs, total net profit after tax of ₹ 348 lakhs, total comprehensive income of ₹ 397 lakhs, for the quarter ended on 30 June 2020. These interim financial information have been reviewed by other auditors whose review reports have been furnished to us by the Holding Company's management, and our conclusion in so far as it relates to the amounts and disclosures included in respect of these subsidiaries is based solely on the review reports of such other auditors and the procedures performed by us as stated in paragraph 3 above.

Further, of these subsidiaries, one subsidiary is located outside India, whose interim financial information have been prepared in accordance with accounting principles generally accepted in their respective countries and which have been reviewed by other auditors under International Standards on Auditing applicable in their respective country. The Holding Company's management has converted the financial information of such subsidiary from accounting principles generally accepted in its country to accounting principles generally accepted in India. We have reviewed these conversion adjustments made by the Holding Company's management. Our conclusion, in so far as it relates to the amounts and disclosures included in respect of this subsidiary is based on the review report of other auditors and the conversion adjustments prepared by the management of the Holding Company and reviewed by us.

Our conclusion is not modified in respect of this matter with respect to our reliance on the work done by and the reports of the other auditors.

7. The Statement includes the interim financial information of three subsidiaries, which have not been reviewed by their auditors, whose interim financial information reflects total revenues of ₹ 117 lakhs, net profit after tax of ₹ 1 lakh, total comprehensive income of ₹ 1 lakh for the quarter ended 30 June 2020. The Statement also includes the Group's share of net profit after tax of ₹ 420 lakhs, and total comprehensive income of ₹ 420 lakhs for the quarter ended on 30 June 2020, in respect of one associate and one joint venture, based on their financial information, which have not been reviewed by their auditors, and have been furnished to us by the Holding Company's management. Our conclusion on the Statement, in so far as it relates to the aforesaid subsidiaries, associate and joint venture, are based solely on such management certified unreviewed financial information. According to the information and explanations given to us by the management, these interim financial information are not material to the Group.

Further, these subsidiaries are located outside India, whose interim financial information have been prepared in accordance with accounting principles generally accepted in their respective countries and which have not been reviewed by their auditors. The Holding Company's management has converted the financial information of such subsidiaries from accounting principles generally accepted in their respective countries to accounting principles generally accepted in India. We have reviewed these conversion adjustments made by the Holding Company's management. Our conclusion, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries is based on the management certified unreviewed financial information and the conversion adjustments prepared by the management of the Holding Company and reviewed by us.

Our conclusion is not modified in respect of this matter with respect to our reliance on the financial information certified by the management.
