### INDEPENDENT AUDITORS' LIMITED REVIEW REPORT ON THE UNAUDITED STANDALONE FINANCIAL RESULTS FOR THE QUARTER ENDED JUNE 30, 2022

### TO THE BOARD OF DIRECTORS OF NLC INDIA LIMITED

### Introduction

 We have reviewed the accompanying statement of unaudited Standalone financial results of NLC INDIA LIMITED (herein after referred to as 'the Company'), for the quarter ended June 30, 2022 (herein after referred to as 'the Statement') being submitted by the Company pursuant to the requirements of Regulations 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").

### Management Responsibility

2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued there under and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.

### Scope of Review

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Page 1 of 4

### Conclusion

4. Based on our review, nothing has come to our attention that causes us to believe that the accompanying Statement read with notes thereon, prepared in accordance with applicable Indian Accounting Standards specified under Section 133 of the Companies Act, 2013 read with relevant rules issued there under and other recognized accounting practices and policies, has not disclosed the information required to be disclosed in terms of Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

### Material Uncertainty Relating to Going Concern

5. We draw attention to Note 16 of the Statement, which indicates the challenges faced by the Company with reference to acquisition of further lands due to legislative changes and the resistance of land owners for higher compensation / employment opportunities etc. In the eventuality of the Company unable to acquire requisite lands, there would be a material uncertainty on the operations of the Company, which may cast significant doubt on the Company's ability to continue as a going concern in future. However, in order to overcome the challenges, the Company has revised its compensation and Rehabilitation and Resettlement (R&R) policy and various other welfare measures, to continue on further land acquisitions, which would sustain mining operations and power generation, without any disruptions.

Our conclusion on the Statement is not qualified in respect of this matter.

- 6. We draw attention to the following matters in the Notes to the Statement:
  - i) Note 4(a) of the Statement, where the Company had filed review petition before CERC for the trued up Order for the Tariff period 2014-19 for its Neyveli Mines in May'22 and has accounted an amount of Rs. 544.37 Crores (including interest) under Regulatory deferral account. ### INDEPENDENT AUDITORS' LIMITED REVIEW REPORT ON THE UNAUDITED CONSOLIDATED FINANCIAL RESULTS FOR THE QUARTER ENDED JUNE 30, 2022

### TO THE BOARD OF DIRECTORS OF NLC INDIA LIMITED

### Introduction

 We have reviewed the accompanying statement of Unaudited Consolidated Financial Results of NLC India Limited (herein after referred to as 'the Company/Parent') and its 2 subsidiaries (the Parent and its subsidiaries together referred to as "the Group"), a joint venture and an associate, for the quarter ended June 30, 2022 (herein after referred to as 'the Statement') being submitted by the Parent pursuant to the requirements of Regulations 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations")

### Management Responsibility

2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued there under and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.

### Scope of Review

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

- We also performed procedures in accordance with the Circular No. CIR/CFD/CMDI/44/2019 dated March 29, 2019 issued by the Securities and Exchange Board of India under Regulation 33(8) of the Listing Regulations, to the extent applicable.
- 5. The statement includes the unaudited financial results of the following entities:
  - a) Talabira Project of the Company (Branch);
  - b) Rajasthan Projects of the Company (Branch);
  - c) NLC Tamilnadu Power Limited (Subsidiary);
  - d) Neyveli Uttar Pradesh Power Limited (Subsidiary);
  - e) MNH Shakti Limited (Associate); and
  - f) Coal Lignite Urja Vikas Private Limited (Joint venture).

### Conclusion

6. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement read with notes thereon, prepared in accordance with applicable Indian Accounting Standards specified under Section 133 of the Companies Act, 2013 read with relevant rules issued there under and other recognized accounting practices and policies, has not disclosed the information required to be disclosed in terms of Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

### Material Uncertainty Relating to Going Concern

7. We draw attention to Note 16 of the Statement, which indicates the challenges faced by the Company with reference to acquisition of further lands due to legislative changes and the resistance of land owners for higher compensation / employment opportunities etc. In the eventuality of the Company unable to acquire requisite lands, there would be a material uncertainty on the operations of the Company, which may cast significant doubt on the Company's ability to continue as a going concern in future. However, in order to overcome the challenges, the Company has revised its compensation and Rehabilitation and Resettlement (R&R) policy and various other welfare measures, to continue on further land acquisitions, which would sustain mining operations and power generation, without any disruptions.

Our conclusion on the Statement is not qualified in respect of this matter.
