**BASIS FOR OPINION**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the companies Act 2013(the Act). Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Results* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial results under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Emphasis of Matter**

- 1 We draw attention to following Points due to which material uncertainty exist that may cast significant doubt on the company's ability to continue as a going concern. However the accounts of the company have been prepared as a going concern:
  - i. Note No 4 to the standalone financial results, which describes the extent to which the COVID -19 Pandemic will impact the Company's results which depend on the future developments that are highly uncertain.
  - ii. There is a default in repayment of term loan from JMFARC of Rs 6961.70 lakhs.
  - iii. Company is continuously making operating cash losses.

### **Management's Responsibilities for the Standalone Financial Results**

These quarterly financial results as well as the year to date standalone financial results have been prepared on the basis of the interim financial statements. The Company's Board of Directors are responsible for the preparation of these financial results that give a true and fair view of the net profit/loss and other comprehensive income and other financial information in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, 'Interim Financial Reporting' prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial results, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the audit of the Standalone financial Results**

Our objectives are to obtain reasonable assurance about whether the standalone financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial results, including the disclosures, and whether the financial results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

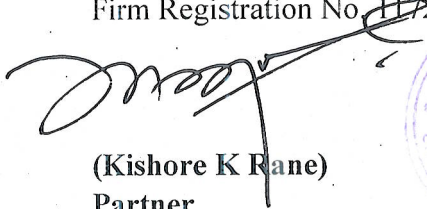

**Other Matters:**

1. We report that the figures for the quarter ended March 31, 2020 represent the derived figures between the audited figures in respect of the financial year ended March 31, 2020 and the published year-to-date figures up to December 31, 2019, being the date of the end of the third quarter of the current financial year, which were subjected to limited review, as required under the Regulations and the Circular.

4. Impact of COVID 19 pandemic:  
The outbreak of novel Coronavirus (COVID-19) pandemic and the consequent lockdown restrictions imposed by the central and state governments has caused significant disturbance and slowdown of economic activity in India and across the globe.  
The Company has taken proactive measures to comply with various regulations/guidelines issued by the Government and local bodies to ensure safety of its workforce and the society in general.  
Operations in many states/union territories were disrupted during March. Management believes that it has taken into account all the known impacts arising from COVID 19 pandemic in the preparation of the financial results. As per the current assessment, other than the impairment recorded, no significant impact on carrying amounts of assets is expected, and management continue to monitor changes in future economic conditions. However, the impact assessment of COVID 19 is a continuing process given the uncertainties associated with its nature and duration. The eventual outcome of the impact of the COVID 19 pandemic on the Company's business may be different from that estimated as on the date of approval of these financial results.
5. Exceptional item consists of the following:
  - a) The company's debt was restructured in FY 2018. Pursuant to the restructuring agreement the balance amount of unsustainable debt amounting to Rs. 14032.15 lakhs has been written back.

According management has estimated a provision of Rs. 3,832.11 Lakhs as a diminution in the carrying value of its investment and loans. Decision of the management is mainly based on existing market conditions. Management has also recognized impairment in certain categories of financial and non-financial assets aggregating to Rs. 6,987.12 lakhs
6. Restructuring of company's debt was approved by JMFARC on January 23, 2018. The company is negotiating with LIC & DBS Bank Limited for restructuring of its facility (outstanding Rs. 20.18 crs. as on 31.03.2020) on terms similar to restructuring done by JMFARC. Pending negotiations with LIC & DBS, no further adjustments in respect of LIC facility has been made.
7. On 27th January, 2020 lock out has been declared at tiles manufacturing unit at Alibaug for a temporary period. The lock out was necessitated due to non-co-operation, coercive and threatening tactics by workmen at the factory premises and with a view to safeguard the interest of the organisation, the safety and security of the personnel and the property of the Company.
8. In view of the accumulated losses, no provision for Tax has been made for the current year.
9. The Company did not raise any funds through preferential allotment or qualified institutions placement during the year under review. However, during FY 2017-18 the company had raised an amount of Rs.97.50 crore through preferential allotment of shares/warrants out of which have been fully utilized by the company till 31st March 2020 (Rs. 37.22 crores have been utilized for the period from 1st April 2019 to 31st March 2020) towards working capital requirements of the company.
