FOR ARCOTECH LIMITED

RADHANATH PATTANAYAK
WHOLE TIME DIRECTOR

Encl:

1. Financial Results with Statement on Impact of Audit Qualifications for the Financial Year ended 31st March, 2021

TO THE BOARD OF DIRECTORS

ARCOTECH LIMITED

1. We have audited the quarterly financial results of ARCOTECH LIMITED for the quarter ended 31 March, 2021 and the year to date results for the period 01 April 2020 to 31 March 2021, attached herewith, being submitted by the Company pursuant to requirement of Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. These quarterly financial results as well as the year to date financial results have been prepared on the basis of the interim financial statements, which are the responsibility of the company's management. Our responsibility is to express an opinion on these financial results based on our audit of such interim financial statements, which have been prepared in accordance with the recognition and measurement principles laid down in Ind AS 34 for Interim Financial Reporting prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued there under and other accounting principles generally accepted in India.
2. We conducted our audit in accordance with the auditing standards generally accepted in India. Those standard require that we plan and perform the audit to obtain reasonable assurance about whether the financial results are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financials results. An audit also includes assessing the accounting principles used and significant estimates made by management. We believe that our audit provides a reasonable basis for our opinion.
3. **Basis for Qualified Opinion**
The Company has filed restructuring proposal with the lenders. Consequent to the filing of restructuring package with the lenders, TEV (techno economic viability) study of the operations of the Company was conducted by the outside agencies where in certain reliefs/ concessions have been envisaged to make the project viable. Included in these is relief in interest rates effective from 01.11.2018. The company has provided interest at the rates mentioned in TEV. This alongwith other unprovided interest amounts to Rs. 2360.14 lakhs (net of tax) for the current financial year.
4. **Qualified Opinion**
Based on review conducted as above , except for the effects of the matter described in the Basis for Qualified Opinion stated in paragraph 3 nothing has come to our attention that causes us to believe that accompanying Statement, prepared in accordance with recognition and measurement principles laid down in the applicable Indian Accounting Standards as prescribed under section 133 of the Companies Act, 2013 read with relevant rules issued there under and other recognized accounting practices and policies, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as modified by Circular No. CIRICFD/F AC/62/20 16 dated July 5, 2016, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Material Uncertainty Relating to Going Concern

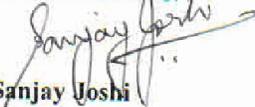

5. The Company has incurred a net loss of Rs 2652.44 lacs during the financial year ended 31 March 2021 (Previous Year loss of Rs 5871.42 lacs). The turnover of Company during the financial year ended 31 March 2021 is Rs 5315.60 lacs (Previous Year Rs 7665.68 lacs). The current liabilities exceed current assets. Had the company provided the interest as mentioned in para 3 above the net loss for the current financial year would have been Rs 5,012.58 lacs.

The restructuring of the Company's business is under consideration by the lenders. In view of the management's expectation of successful outcome of above proposal and revival of its business, the financial statements have been prepared on going concern basis. However, in view of above uncertainties, we are unable to comment on the ability of the company to continue as a "going concern" and the consequential adjustments to the accompanying financial statements, if any, that might have been necessary had the financial statements been prepared under liquidation basis.

The lenders had mandated a credit rating agency to review the restructuring plan of a company which has received a RP4 rating. This rating as per RBI circular allows the company to be restructured under the resolution of framework, as this is a investable great rating. Our opinion is not modified in respect of this matter.

6. The Company is still recognizing deferred tax assets on losses. The matters discussed in para 5 above creates doubt and uncertainty relating to recoverability of deferred tax assets. As per explanation given to us and according to management assessment Company will be in position to generate future profits against which these losses will be setoff. Our opinion is not modified in respect of this matter.
