To
The Board of Directors of
The Orissa Minerals Development Company Limited

We have reviewed the accompanying statement of unaudited financial results of The Orissa Minerals Development Company Ltd. ("the Company") for the period ended 31st Dec., 2021 This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, subject to the followings -

- (i) Note 1 of the financial results, which states that company's mining operations are under suspension due to non availability of statutory clearances. Mining leases are in process of renewal and accordingly, the financial results have been prepared on going concern basis.
