Notes:

- 1. The aforesaid financial results were reviewed by the Audit Committee and approved by the Board of Directors in its meeting held on August 13, 2021
- 2 The Company recognize Trading, Real Estate and Investing activities as separate Business Segments.

3. For the first time for financial years ended 31.03.2019 and 31.03.2020, the company met the '50-50' test for determining financial activity as a principal business and technically got covered under the definition of NBFC. In this regard, the company had filed an application dated 13.08.2020 with RBI to seek exemption from being treated as NBFC by ensuring that income from non-financial activities is more than 50% of the total income of the company and seek condonation for default in not filing application with RBI for registration as NBFC and regularisation of the same, including exemption from the operation of the disclosure requirements as applicable to a NBFC as per the Reserve Bank of India Act, 1934. In this regard, correspondences with Reserve Bank of India are going on and directions given by Reserve Bank of India from time to time are being complied with.

Further the income from non-financial activities for the FY 20-21 has exceeded 50% of the gross income and it is now not required to get registration as a NBFC on the basis of financial statement as on 31.03.2021. Accordingly, the financial results for the quarter have been prepared in accordance with Division II of Schedule III to the Companies Act, 2013 applicable to non-NBFCs.

Independent Auditor's Review Report on Quarterly StandaloneUnaudited Financial Results of M/s Oswal Agro Mills Limited pursuant to Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

To the Board of Directors of M/s Oswal Agro Mills Limited

We have reviewed the accompanying Statement of Standaloneunaudited financial results of **M**/s **Oswal Agro Mills Limited** ("the company") for the quarter ended June 30, 2021 ("the statement"), attached herewith, being submitted by the company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015 as amended ("the regulations") including relevant circulars issued by the SEBI from time to time.

This statement, which is the responsibility of the Company's Management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principle laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" prescribed under section 133 of the Companies Act, 2013 ("the Act") read with relevant rules issued thereunder ("Ind AS") and other accounting principle generally accepted in India. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Basis of Qualified Conclusion

We draw attention to Note 3 of the statement of standalone unaudited financial results whereby for the first time for financial years ended 31.03.2019 and 31.03.2020, the company met the '50-50' test for determining financial activity as a principal business and technically got covered under the definition of NBFC. In this regard, the company had filed an application dated 13.08.2020 with RBI to seek exemption from being treated as NBFC by ensuring that income from non-financial activities is more than 50% of the total income of the company and seek condonation for default in not filing application with RBI for registration as NBFC and regularisation of the same, including exemption from the operation of the disclosure requirements as applicable to a NBFC as per the Reserve Bank of India Act, 1934. In this regard, correspondences with Reserve Bank of India are going on and directions given by Reserve Bank of India from time to time are being complied with.

Further the income from non-financial activities for the FY 20-21 has exceeded 50% of the gross income and it is now not required to get registration as a NBFC on the basis of financial statement as on 31.03.2021. Accordingly, the financial results for the quarter have been prepared in accordance with Division II of Schedule III to the Companies Act, 2013 applicable to non-NBFCs.

The effects on the quarterly standalone unaudited financial results of the aforesaid non-compliances cannot be determined.

Qualified Conclusion

Based on our review conducted as above, except for the possible effects of the matter specified in "Basis of Qualified Conclusion Paragraph", nothing has come to our attention that causes us to believe that the accompanying statement, prepared in accordance with recognition and measurement principle laid down in the applicable Indian Accounting Standard (Ind AS) prescribed under section 133 of the Companies Act, 2013 ("the Act"), as amended, read with relevant rules issued thereunder and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

For the first time for financial years ended 31.03.2019 and 31.03.2020, the holding company met the '50-50' test for determining financial activity as a principal business and technically got covered under the definition of NBFC. In this regard, the holding company had filed an application dated 13.08.2020 with RBI to seek exemption from being treated as NBFC by ensuring that income from non-financial activities is more than 50% of the total income of the holding company and seek condonation for default in not filing application with RBI for registration as NBFC and regularisation of the same, including exemption from the operation of the disclosure requirements as applicable to a NBFC as per the Reserve Bank of India Act, 1934. In this regard, correspondences with Reserve Bank of India are going on and directions given by Reserve Bank of India from time to time are being complied with.

Further the income from non-financial activities for the FY 20-21 has exceeded 50% of the gross income and it is now not required to get registration as a NBFC on the basis of financial statement as on 31.03.2021. Accordingly, the financial results for the quarter have been prepared in accordance with Division II of Schedule III to the Companies Act, 2013 applicable to non-NBFCs.

Independent Auditor's Review Report on Quarterly Consolidated unaudited Financial Results of M/s Oswal Agro Mills Limited pursuant to Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

To the Board of Directors of M/s Oswal Agro Mills Limited

We have reviewed the accompanying Statement of Consolidatedunaudited financial results of **M/s Oswal Agro Mills Limited**("the Holding company") and its associate for the quarter ended June 30, 2021 ("the statement"), attached herewith, being submitted by the holding company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015 as amended ("the regulations") including relevant circulars issued by the SEBI from time to time.

This statement, which is the responsibility of the Holding Company's Management and approved by the Board of Directors of the Holding Company, has been prepared in accordance with the recognition and measurement principle laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" prescribed under section 133 of the Companies Act, 2013 ("the Act") read with relevant rules issued thereunder ("Ind AS") and other accounting principle generally accepted in India. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Basis of Qualified Conclusion

We draw attention to Note 3 of the statement of consolidated unaudited financial results whereby for the first time for financial years ended 31.03.2019 and 31.03.2020, the holding company met the '50-50' test for determining financial activity as a principal business and technically got covered under the definition of NBFC. In this regard, the holding company had filed an application dated 13.08.2020 with RBI to seek exemption from being treated as NBFC by ensuring that income from non-financial activities is more than 50% of the total income of the holding company and seek condonation for default in not filing application with RBI for registration as NBFC and regularisation of the same, including exemption from the operation of the disclosure requirements as applicable to a NBFC as per the Reserve Bank of India Act, 1934. In this regard, correspondences with Reserve Bank of India are going on and directions given by Reserve Bank of India from time to time are being complied with.

Further the income from non-financial activities for the FY 20-21 has exceeded 50% of the gross income and it is now not required to get registration as a NBFC on the basis of financial statement as on 31.03.2021. Accordingly, the financial results for the quarter have been prepared in accordance with Division II of Schedule III to the Companies Act, 2013 applicable to non-NBFCs.

The effects on the quarterly consolidated unaudited financial results of the aforesaid non-compliances cannot be determined.

Qualified Conclusion

Based on our review conducted as above, except for the possible effects of the matter specified in "Basis of Qualified Conclusion Paragraph", nothing has come to our attention that causes us to believe that the accompanying statement, prepared in accordance with recognition and measurement principle laid down in the applicable Indian Accounting Standard (Ind AS) prescribed under section 133 of the Companies Act, 2013 ("the Act"), as amended, read with relevant rules issued thereunder and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.
