Independent Limited Review Report on Quarterly Financial Results of PBA Infrastructure Limited Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

To
The Board of Directors
M/s PBA Infrastructure Limited

We have reviewed the accompanying statement of unaudited financial results of **M/s PBA Infrastructure Limited** ("The Company") for the quarter (April to June 2021) ("The Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the relevant Circulars issued by SEBI from time to time.

The preparation of the Statement in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, Interim Financial Reporting (Ind AS 34) prescribed under Section 133 of the Companies Act, 2013, as amended read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The statement, is the responsibility of the Company's Management and has been approved by the Board of Directors of the Company. Our responsibility is to express a conclusion on the Statement based on our review.

We have conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with standards on auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Based on our review conducted as above, except for the effects/possible effects of our observation stated in Basis of Qualified Opinion Paragraph, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the applicable Indian Accounting Standards ("Ind AS") specified under Section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other recognized accounting practices and policies thereon, has not disclosed the information required to be disclosed in terms of Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

R V Luharuka & Co LLP, Chartered Accountants
225, Jolly Maker Chambers II, Nariman Point, Mumbai 400 021

Basis of Qualified Opinion

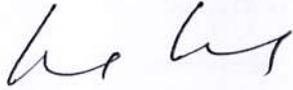

1. The company has made defaults in repayment of its obligations towards its lenders and an amount of Rs.315.15 Crores is overdue as per the SARFASEI Notice issued by the consortium bankers. This indicates the existence of a material uncertainty that may cast apprehension about the Company's ability to function as a going concern. However, the financial statements of the Company have been prepared on a going concern basis & do not include any adjustments that might result from the outcome of this uncertainty. We would also like to draw attention to the fact that in absolute terms, total outside liabilities of the company exceeds underlying current assets.
2. Loan Statements pertaining to certain current/cash credit/term loan accounts loans from banks & financial institutions have not been reconciled as the company has not provided for interest since 1st January 2018 on the said loans on account of being an NPA account with the bank. The same policy of not providing interest has been continued in the current FY 2020-21. Hence, to that effect, in any, of such pending reconciliation, of financial statements remain unascertained. Lead Bank under consortium has approached CMM Court to take physical possession of the various secured assets against total consortium overdue of Rs.315.15 crores under SARFASEI Act 2002. The Company has also received notice of physical possession of various secured assets from the lenders in response to which the company has filed a counter case and received stay on proceedings from DRT court. Company has time and again proposed One Time Settlement with the consortium Banks out of which Settlement offer from one of its lender i.e. State Bank of India was received and has been duly accepted by the company.
3. Fixed Asset register is still under compilation to have proper records showing full particulars, including quantitative details and situation of property, plant and equipment. Company to have a regular program of physical verification of its fixed assets, periodically.
4. Company follows accounting practice of recognizing revenue on the basis percentage completion method. Company being an EPC contractor raises claims / arbitration money with its principals / Customers for the delay on obtaining approvals, cost escalation, etc. as per Company policy, though the claims are raised for the actual loss incurred by the Company (SOC), the same is recognized in the books at realizable value determined by the internal team of the Company. Though, these claims are not acknowledged by the principles / customer, the same being intangible / uncertified in nature is being classified as work in progress. The said claims though classified under WIP (Current Asset) are subject to uncertainty as to recoverability. Unbilled work in progress of Rs.27.20 crores and trade receivables amounting to Rs.115.24 crores as on 30th June 2021 which represents various claims raised on the Clients based on the terms and conditions implicit in the Engineering & Construction Contracts in respect of closed / suspended/under construction projects and which are overdue for a substantial period of time. These claims are mainly in respect of cost over run arising due to suspension of works, client caused delays, changes in the scope of work, deviation in design and other factors for which Company is at various stages of negotiation/ discussion with the clients or under Arbitration/ litigation. Based on discussions with principles/arbitrations (which are at various stages), litigations and on legal opinion / past experience with respect to such claims, management is of the view that the aforementioned balances are fully recoverable.

5. There were defaults in repayment of its Public Deposits and Inter Corporate Deposits on maturity and payment of interest thereon for the past few years with repayment being delayed.
6. There are arbitration proceedings / legal cases against by / the Company which may result in Compensation / interest / penalties.

Our opinion is not modified in respect of these matters.
