Independent Limited Review Report on Quarterly Financial Results of PBA Infrastructure Limited Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

To
The Board of Directors
M/s PBA Infrastructure Limited

1. We have reviewed the accompanying statement of unaudited financial results of **M/s PBA Infrastructure Limited** (“The Company”) for the quarter (April to June 2023) (“The Statement”) attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the relevant Circulars issued by SEBI from time to time.
2. The preparation of the Statement in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, Interim Financial Reporting (Ind AS 34) prescribed under Section 133 of the Companies Act, 2013, as amended read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The statement is the responsibility of the Company’s Management and has been approved by the Board of Directors of the Company. Our responsibility is to express a conclusion on the Statement based on our review.
3. We have conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, ‘Review of Interim Financial Information Performed by the Independent Auditor of the Entity’, issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with standards on auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, except for the effects/possible effects of our observation stated in Basis of Qualified Opinion Paragraph, nothing has come to the attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the applicable Indian Accounting Standards (“Ind AS”) specified under Section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other recognized accounting practices and policies thereon, has not disclosed the information required to be disclosed in terms of Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.
5. The statement includes the result for the quarter that ended June 30, 2022, has relied on the information compiled and presented by the management.

Basis of Qualified Opinion

1. The company has made defaults in repayment of its obligations towards its lenders and an amount of Rs. 315.15 Crores was overdue as per the SARFASEI Notice issued by the consortium bankers. Lead Bank under consortium had approached CMM Court to take physical possession of the various secured assets against total consortium overdue of Rs. 315.15 Crore under SARFASEI Act, 2002. Out of these, an amount of Rs. 26.50 Crores due towards State Bank of Patiala has been settled under the OTS Scheme of State Bank of India. Hence the amount overdue is now reduced to Rs. 288.65 Crores. The Company has also received notice of physical possession of various secured assets from the lenders in response to which the company has filed a counter case and received a stay on proceedings from DRT court. The defaults indicate the existence of a material uncertainty that may cast apprehension about the Company's ability to function as a going concern. However, the financial results of the Company have been prepared on a going concern basis & and do not include any adjustments that might result from the outcome of this uncertainty. We would also like to draw attention to the fact that in absolute terms, the total outside liabilities of the company exceed underlying current assets.
2. The company is classified as Non-Performing Assets by banks and financial institutions; hence the company has not been providing interest since January 2018 to the current financial year 2023-24
3. The company follows the accounting practice of recognizing revenue on the basis percentage completion method. The company is an EPC contractor who raises claims/arbitration money with its principals / Customers for the delay in obtaining approvals, cost escalation, etc. As per Company policy, though the claims are raised for the actual loss incurred by the Company (SOC), the same is recognized in the books at a realizable value determined by the internal team of the Company. Though, these claims are not acknowledged by the principles/customer, the same being intangible/uncertified in nature is being classified as a work in progress. The said claims though classified under WIP (Current Asset) are subject to uncertainty as to recoverability. Total WIP is of Rs.86.59 Crores out of unbilled work in progress of Rs.28.44 Crores and Claim (WIP) amount is to Rs.58.15 Crore as of 30.06.2023 due to the various claims raised on the Clients based on the terms and conditions implicit in the Engineering & Construction Contracts in respect of closed/suspended/ under construction projects and which are overdue for a substantial period of time. These claims are mainly in respect of cost overrun arising due to suspension of works, client-caused delays, changes in the scope of work, deviation in design, and other factors for which the Company is at various stages of negotiation/ discussion with the clients or under Arbitration/ litigation.
4. The Fixed Asset register is still under compilation to have proper records showing full particulars, including quantitative details and the situation of property, plant, and equipment. The company has a regular periodic program of physical verification of its fixed assets.
5. There are arbitration proceedings/legal cases against / the Company which may result in Compensation/interest/penalties.

Our opinion is not modified with respect to these matters.
