We were engaged to audit the accompanying statement of year-to-date Standalone financial results of Reliance Naval & Engineering Limited (the "Company") for the year ended March 31, 2022 ("Statement"), attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").

- i. are prepared in accordance with the recognition and measurement principles laid down in "Indian Accounting Standard 34 - Interim Financial Reporting" specified under Section 133 of the Companies Act, 2013 and;
- ii. disclose the information required to be disclosed in terms of the Listing Regulations including the manner in which it is to be disclosed or that it contains material misstatements.

2. Basis for Disclaimer of Opinion

We draw attention to:

The NCLT, vide its order dated January 15, 2020 ("Insolvency Commencement Date") initiated the Corporate Insolvency Resolution Process ("CIRP") of the Company under the Code. The said NCLT Order also records the appointment of Mr. Rajeev Bal Sawangikar as the Interim Resolution Professional ("IRP") in accordance with Section 16 of the Code. Subsequently, pursuant to the meeting held on March 13, 2020, the Committee of Creditors (the "CoC") had replaced the existing IRP with Mr. Sudip Bhattacharya as the Resolution Professional ("RP") for the Company. Upon the application filed by CoC, the NCLT has approved the appointment of RP vide its order dated 5th May, 2020. In view of the on-going CIRP and the powers of Board of Directors remain suspended and hence, as explained to us, the powers of adoption of the Statement vests with RP. audited financial results have been prepared by the accounting professionals engaged by the corporate debtor. Basis the financial statements prepared by the accounting professional appointed by the Company with the guidance of Ex-Chief Financial Officer who was in office till May 31, 2022, the Resolution Professional has considered and approved the audited Financial Results of the Company for the year ended March 31, 2022.

The Results for the FY 21-22, have been prepared on the basis of the trial balance for the period ended March 31, 2022 which is on the basis of the carrying balance of assets and liabilities as at March 31, 2020 and inturn as at March 31, 2021. Prior to the commencement of CIRP, the Board of Directors, whose powers were subsequently suspended during the CIRP, had oversight on the management of the affairs of the Company together with the KMPs for the year ended 31st March 2020. Thus, the Resolution Professional does not assure accuracy and reliability of the opening balances as at 1st April 2020.

The primary purpose of publishing the financial results is for the compliance with the provisions of the Companies Act, 2013, the rules and regulations framed thereunder ("Act") and the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements), Regulations 2015 ("Listing Regulations").

The results for the FY 2021-22, have been finalized on 16th December 2022. Accordingly, as required under "SA 560 - Subsequent Events" we have performed audit procedures designed to obtain sufficient appropriate audit evidence that all events occurring between the date of the financial statements and the date of the auditor's report that require adjustment of, or disclosure in, the financial statements have been identified and accordingly dealt with in the standalone financial results and the limited review report.

- The aggregate carrying value of Property, Plant and Equipment (PPE), Capital Work in Progress (CWIP), Investments, Other Non-Current Assets, Inventories, Trade Receivables and Other Current Assets (Advances to vendors, Shipbuilding Contracts Receivables, etc.) is Rs. 3,74,053 Lakhs. As explained above, the Company is under CIRP and RP is required to invite resolution plan from potential resolution applicants, which shall be put up for necessary approvals before the CoC and the NCLT. On 24th February, 2022, all two compliant Resolution Plans submitted by two Resolution Applicants were put for e-voting for approval by the CoC members in accordance with Section 30(4) of the Insolvency and Bankruptcy Code, 2016 (Code) read with Regulation 39(3) of the CIRP Regulations. The e-voting on approval of Resolution Plan was concluded on 17th March, 2022 at 8.00 p.m. and the resolution plan submitted by Hazel Mercantile Limited has been duly approved by the 94.86% CoC members under Section 30(4) of the Code as the successful resolution plan subject to approval of Hon'ble NCLT Ahmedabad. The Resolution Professional of the Company has duly filed the resolution plan as approved by the CoC with the Hon'ble NCLT, Ahmedabad Bench on 23rd March, 2022, in accordance with Section 30(6) of the Insolvency and Bankruptcy Code, 2016. The CIRP is ongoing and the final outcome is yet to be determined basis the resolution process. The Company has not taken into consideration any impact of impairment in the value of tangible, financial and other assets, if any, in preparation of Financial Statements and has not made full assessment of impairment as required Ind AS 36 - Impairment of Assets" and "Ind AS 109 - Financial Instruments" if any, as on March 31, 2022 in the carrying value of the above assets. Hence, we are unable to comment on the quantum of provision/impairment to be made on the assets appearing in the accompanying standalone audited financial results.
- ii. As on 31st March 2022, the company has given Security Deposits (short-term and long-term) amounting to Rs. 9373.28 Lakhs. Out of the said security deposits, an amount of Rs. 7,370 Lakhs is with one of the related party i.e., E-Complex Private Limited ("ECPL") towards the land taken on lease. E-Complex Private Limited ("ECPL") has been admitted under NCLT and undergoing

CIRP Process and hence the recoverability of the same may be doubtful. Further, the recoverability of the Security Deposits deposited with Court against certain ongoing legal cases, amounting to Rs. 1,777.97 Lakhs, are subject to the outcome of the said cases.

- iii. For the period ended 31st March 2022, the company has Gross Trade Receivables for Rs. 79,580.93 Lakhs, out of which provision for doubtful debt/ECL has been created for Rs. 79,508.24 Lakhs in the previous financial years. The detailed party wise breakup of the same was not available with those charged with governance and the officials of the Company. Hence, we are unable to review the party-wise listing of Rs. 79,508.24 Lakhs and accordingly necessary audit procedures couldn't be performed on the same.
- iv. In absence of bank confirmations for 35 current accounts, as required under SA 505 External Balance Confirmation, having a book balance of Rs. 2,781.63 Lakhs as on March 31, 2022 and borrowings amounting to Rs. 17,50,517.23 Lakhs; also, non-availability of Bank account statements for 33 current accounts having a book balance of Rs. 161.81 Lakhs as on March 31, 2022, led to incomplete supporting for our audit opinion. Hence, we are unable to comment on the bank transactions as well as the closing balances as appearing in the books of accounts for the said bank balances.
- v. The total provisional claim admitted of financial creditors (thereby representing lending facilities availed by the company from various bankers & FIs, as forming a part of Secured Loans) was Rs. 12,40,173 Lakhs as on 15th January 2020(Based on the Claims sheet as on 31st August 2022 as received from RP). For sake of clarity, the following table may be read:

Α	Amount outstanding as at 31.03.2020	12,06,667 Lakhs	As appearing in Audited financials for FY 2019 -20
В	Amount outstanding as at 30.06.2020	12,36,190 Lakhs	As per unaudited results for 30th June, 2020
С	Amount outstanding as at 30.09.2020	14,68,186 Lakhs**	As per unaudited results for 30th September, 2020
D	Amount outstanding as at 31.12.2020	15,06,450 Lakhs*	As per unaudited results for 31st December, 2020
Е	Amount outstanding as at 31.03.2021	15,52,619 Lakhs*	As per audited results for 31st March, 2021
F	Amount outstanding as at 30.06.2021	16,01,962.71 Lakhs*	As per unaudited results for 30th June, 2021
G	Amount outstanding as at 30.09.2021	16,51,607.93 Lakhs*	As per unaudited results for 30th September, 2021
Н	Amount outstanding as at 31.12.2021	17,01,718.21 Lakhs*	As per unaudited results for 31st December, 2021
I	Amount outstanding as at 31.03.2022	17,50,517.23 Lakhs*	As per audited results for 31st March, 2022

We draw your attention to the fact that the Company had done a comparison of the figures of Financial Creditors (excluding loans from Body Corporates) as per the CIRP process as on March 31, 2021 and in the books of account of the Company, difference of Rs. 130,165.13 Lakhs are charged to profit and loss account as an extraordinary item during the previous year ended March 31, 2021.

- *Reason for change in amount of borrowing as on December 2021 and March 2022 as compared to as on September 2021, is mainly due to accounting recognition of finance cost and penal interest on provisional rate of 13% at simple interest on the basis of interest rate available in IDBI sanction letter (being the lead bank).
- ** Reason for change in amount of borrowing as on September 2020 as compared to June 2020, is mainly due to accounting of borrowings of the financial creditors as per the claims admitted by the RP and recognition of finance cost and penal interest on provisional rate of 13% at simple interest on the basis of interest rate available in IDBI sanction letter (being the lead bank).

The finance costs appearing in the accompanying results are based on the transactions accounted in the accounting system and as the CIRP process is on-going, our report is qualified in this matter.

The Below table states the position of the Principal amount outstanding of financial creditors (other than body corporate) in the accompanying audited financial results for the quarter ended March 31, 2022 and the latest claims position as on the date of signing this report.

A	Principal amount outstanding of financial creditors (other than body corporate)	12,44,715.89 Lakhs	As appearing in audited financial results for the year ended March, 2022
В	Amount claimed as per the latest claim sheet as on date 31st August, 2022	12,46,076.16 Lakhs	As per claim sheet dated 31st August, 2022
С	Amount claimed and admitted as per the latest claim sheet as on date 31st August, 2022	12,40,173.03 Lakhs	As per claim sheet dated 31st August, 2022

It can be seen from the above table that the principal amount outstanding of the financial creditors (other than body corporate) is different from the latest position of amount claimed and received (based on the claim sheet dated 31st August, 2022). Considering that the CIRP process is going on, Company has not made any adjustment in its borrowing of financial creditors (other than body corporate) as on March 31, 2022 by comparing the same with the latest claim sheet. Accordingly, our report has qualified in this matter.

- vi. During the year ended March 31, 2022 as a part of CIRP, financial and operational creditors were called upon to submit their claims to the IRP/RP. These claims submitted will be dealt as per the provisions of the code, post implementation of the approved Resolution plan, necessary adjustment will be made in these statements for the differential amounts, if any; accordingly, no adjustment entry to this effect has been passed in the books of accounts for the quarter and year ended March 31, 2022. Hence, we are unable to comment on the outstanding balance of these liabilities.
- vii. With respect to a contract with Indian Navy 255/DSP/C/11-12/NOPVs (5), the Ship Building Trade Receivable from Indian Navy was Rs.1,68,431.42 Lakhs as on June 30, 2020. As per the

The captioned matter was listed for hearing before the Hon'ble Delhi High Court on February 17, 2020. After hearing the arguments of both parties at length, the Hon'ble Court was pleased to direct the Ministry of Defense to consider the writ petition as a representation in response to the Impugned Termination Notice and take a decision on termination as per law. The Hon'ble Court was further pleased to direct that in case the final decision of the Ministry of Defense in relation to termination of the NOPV Contract is adverse to the interests of the Company, the operation of the said decision shall remain suspended for a period of 7 days after communication of such decision to the Company. Although the Ministry of Defense has not revived the contract, it has offered the Company an opportunity to present a proposal by August 31, 2020, outlying how it can complete two of the five NOPVs (NS001 and NS002) which were in advance stages of completion by outsourcing the remaining work to a PSU shipyard. However, the proposal submitted by the Company was not agreeable by Ministry of Defense. Accordingly, the contract was terminated vide letter dated September 21, 2020. In response to which, company has filed an application challenging the order in National Company Law Tribunal on October, 2020 which is pending for further hearing.

Considering the above event, the total receivables for shipbuilding contract including bank guarantee invoked by Ministry of Defense amounting to Rs. 1,68,431.42 Lakhs have been considered for the impairment testing by the management and below mentioned accounting effects has been considered under the unaudited financial results for the quarter ended June 30, 2020.

^{**} Company had not undertaken the impairment testing of the inventory as explained in point above.

*Since the Ministry of Defense has already encashed the Bank Guarantees provided against the Advances Received by Reliance Naval and Engineering Limited, the same has been recorded by the Company as financial Liability and hence liability for advance received from customer towards CGTS and FVP amounting to Rs. 16,040.84 lakhs have been reversed and shown under the exceptional item in the audited financial statement for the previous year ended March-21. An action against this termination by way of a petition in NCLT is filed in March 2022. Pending the Award, no provision has been made against Work in progress amounting to Rs. 5,684 Lakhs and Advance against purchase of Material/ Services and Inventories. Further, in absence of the working for Advance against purchase of Material/ Services and inventories relating to the said project (OSVs), we are unable to comment on the quantum of the provision/adjustments to be accounted for with respect to Advance given to vendor related to OSVs and inventories relating to the said project (OSVs) in the audited standalone financial result for the year ended March 31, 2022.

x. The Company is currently under the process of CIRP and cash flows generated after the initiation of CIRP are inadequate to meet cash requirements and, hence the business of the company could not be classified as a cash generating unit. However, during the period ended March, 2022, company has not disclosed the assets as discontinued operations, as per the requirement of "Ind AS 105 - Non-Current Assets Held for Sale and Discontinued Operations".

Looking to above facts and in conjunction with "Ind AS 105 - Non-Current Assets Held for Sale and Discontinued Operations", the revenue from operations and assets should have been disclosed under discontinued operations. This Statement, which includes the Standalone Financial Results is the responsibility of the Company's Management (Officials of the Company, RP and Ex-CFO) and has been approved by RP for the issuance. The Statement has been compiled from the related audited standalone financial statements for the year ended March 31, 2022, and interim financial information for the quarter ended March 31, 2022 being the balancing figure between audited figures in respect of the full financial year and the audited year to date figures up to the third quarter of the current financial year. This responsibility includes the preparation and presentation of the Statement that give a true and fair view of the net loss and other comprehensive loss and other financial information in accordance with the recognition and measurement principles laid down in the Indian Accounting Standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Results that give a true fair view and is free from material misstatement, whether due to fraud or error.

In preparing the Statement, the Company's Management (Officials of the Company, RP and Ex-CFO) are responsible for assessing the Company's ability, to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Company's Management (Officials of the Company, RP and Ex-CFO) either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Company's Management (Officials of the Company, RP and Ex-CFO) are also responsible for overseeing the financial reporting process of the Company.

5. Auditor's Responsibilities for the Audit of the Financial Results

Our responsibility is to express an audit opinion on these Standalone Financial Results. However, because of the significance of the matters described in paragraph 1 and 2 above, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an opinion on these Standalone Financial Results and hence we do not express an opinion on the aforesaid Standalone Financial Results.

We are independent of the Group in accordance with the ethical requirements in accordance with the requirements of the Code of Ethics issued by ICAI and the ethical requirements as prescribed under the laws and regulations applicable to the Group.

6. Going Concern Assessment

The lending arrangement of the Company is classified as a non-performing asset by the lenders. The said classification was done by the lead bank IDBI (forming 11% of total debt from lenders) and by SBI Bank limited (consortium member accounting for 16% of said lending). Further, the Corporate Insolvency Resolution process (CIRP) was initiated against the company under the provisions of Insolvency and Bankruptcy Code, 2016 (Code) by an order of National Company Law Tribunal (NCLT), Ahmedabad dated 15th January 2020.

We draw your attention to the Note no. 2 of the Statement of audited financial results for the quarter ended March 31, 2022, regarding the preparation of Standalone financial results of the Company on going concern basis, notwithstanding the fact that the Company continues to incur the cash losses, it's net worth has been fully eroded, defaulted in repayment of principal and interest to its lenders, loans have been called back by the secured lenders, non-current assets are significantly impaired, current liabilities exceed total assets of the Company, major customers have cancelled the orders, termination notice received to terminate the sub concession lease agreement of land parcel on which Company's EOU unit operates etc. As mentioned above, since the CIRP is currently in progress, as per the Code, it is required that the Company be managed as going concern during the CIRP, the audited standalone financial results is continued to be prepared on going concern basis. However, there exists material uncertainty about the Company's ability to continue as a going concern since the same is dependent upon the result under the CIRP process. The appropriateness of preparation of these audited financial results for the year ended March 31, 2022 on going concern basis is critically dependent upon CIRP as specified in the Code.

In light of the matters indicated above, in our opinion, the company's ability to continue as Going Concern is severely impacted. The underlying results have been prepared by the company on a going-concern basis, resulting in non-statement of assets at their recoverable position (as against currently stated at their brought forward values plus/minus transactions), the quantification of which would be reflected in the subsequent results and / or review reports / annual reports.

The accompanying audited financial results have been prepared by the accounting professionals engaged by the corporate debtor. Basis the financial statements prepared by the accounting professional appointed by the Company with the guidance of Ex-Chief Financial Officer who was in office till May 31, 2022, the Resolution Professional has considered and approved the audited Financial Results of the Company for the year ended March 31, 2022.

7. Other Matters

- Due to non- payment of various statutory liabilities, there may be potential non-compliances under the Companies Act, 2013; SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and other statutes and regulations.
- ii. As the final outcome of the secretarial audit report is pending and due to non-payment of various statutory liabilities, there may be potential non-compliances under the Companies Act, 2013; SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, FEMA and other statutes and regulations.

Notes

On September 4, 2018, IDBI Bank in its capacity of financial creditor had filed a petition under the Insolvency and Bankruptcy Code 2016 (the "IBC" / "Code") with the Hon'ble National Company Law Tribunal, Ahmedabad (the "NCLI") against Reliance Naval and Engineering Limited ("the Company").

The NCLT, vide its order dated January 15, 2020 ("Insolvency Commencement Date") initiated the Corporate Insolvency Resolution Process ("CIRP") of the Company under the Code. The said NCLT Order also records the appointment of Mr. Rajeev Bal Sawangikar as the Interim Resolution Professional ("IRP") in accordance with Section 16 of the Code.

Subsequently, pursuant to the meeting held on March 13, 2020, the Committee of Creditors (the "CoC") has replaced the existing IRP with Mr. Sudip Bhattacharya as the Resolution Professional ("RP") for the Company. Upon the application filed by CoC, the NCLT has approved the appointment of RP vide its order dated 5th May, 2020.

Under the IBC proceedings, the powers of the board have been suspended with effect from January 15, 2020. The powers of the Board of Directors are to be exercised by the RP.

The NCLT order also provided for a moratorium with effect from January 15, 2020 till the completion of the CIRP or until it approves the resolution plan under section 31(1) or passes an order for liquidation of the Company under Section 33, whichever is earlier, Currently, the Company is under CIRP.

- The above audited Standalone Financial Results of the Company for the period ended March 31, 2022 and year ended March 31, 2021 have been taken on record by the RP while discharging the powers of the erstwhile Board of Directors of the Company which were conferred upon him by the aforementioned NCLT order dated May 5, 2020 to run the Company as a going concern during CIRP, Hence the financial results for the period March 31, 2022 and year ended March 31, 2022 have been prepared on going concern assumptions. The RP took charge of the Company on May 5, 2020 and authorized the Key Management Personnel (KMP's) to continue with their respective roles and charges as per their original work allocation.
- 103 The amounts of the claims by Financial Creditors admitted or to be admitted by the RP under CIRP process differed from the amount reflecting in the books of account of the Company. The audited financial results for the year ended March 31, 2021, to the extent of Secured Financial Creditors are drawn on the basis of admitted claim figures as per the CIRP process, difference of Rs. 130,165,13 lakts was charged to profit and loss account as extraordinary item in the accounts as on March .2021. The RP and support team believe that these figures may be interpreted solely for the purpose of satisfying the regulatory requirement for filing of quarterly and yearly audited financial results and that these figures could change during the CIRP process or thereafter. Principal amount outstanding of the financial creditors (other than body corporate) as on March 31, 22 is different from the latest position of amount claimed and received (based on the claim sheet dated 31st Aug. 2022). Considering that the CIRP process is going on, Company has not made any adjustment in its borrowing of financial creditors (other than body corporate) as on March 31, 2022 by comparing the same with the latest claim sheet. Accordingly, auditor has qualified in this matter in Limited review report.
- During the year as a part of CIRP, financial and operational creditors were called upon to submit their claims to the IRP/RP and the said process of receiving claims is still ongoing. These claims have been verified by the RP and his team. No adjustments has been made in the books of accounts for the period ended on March 31, 2022, claims submitted will be dealt as per the provisions of the code, post implementation of the approved Resolution plan, necessary adjustment will be made in these statements for the differential amounts, if any. This matter has accordingly been qualified by the auditors in their Limited review report.
- ONGC had placed an order for 12 Offshore Vessels (OSVs) in Financial Year (FY) 2009-10 out of which 7 OSVs have been delivered till 2015-16. ONGC has cancelled the order and invoked all the bank guarantees in FY 2018-19. The Arbitration Petition has been filed by the Company against the cancellation of Order.
