Notes to Standalone financial results:

1. (a) In exercise of powers u/s 178 of the Electricity Act 2003, Central Electricity Regulatory Commission (CERC) has notified "CERC (Terms and Conditions of Tariff) Regulations, 2019" vide order dated 7th March, 2019 for the determination of transmission tariff for the block period 2019-24.

   (b) Pending filing of petitions and issue of tariff orders by CERC, Income on account of Transmission Charges for the nine months has been provisionally recognized based on the transmission tariff norms applicable for the block period 2019-24. However, beneficiaries are being billed in accordance with the tariff approved and applicable as on 31.03.2019 as provided in the CERC (terms and Conditions of tariff) Regulations, 2019.

   (c) Consequent to the final orders issued by the CERC, transmission income includes ₹ 19.84 crore (increase) for the quarter (corresponding previous quarter ₹ 28.54 crore (increase)) & ₹ 169.74 crore (increase) for the nine months ended 31st December, 2019 (corresponding previous nine months ₹ 70.20 crore (increase)) pertaining to earlier years.

   (d) Revenue from transmission decreased by ₹ 156.37 crore for the quarter and ₹ 453.76 crore for the nine months ended 31st December, 2019 due to change in MAT rate from 18.5% to 15% considered for grossing up of Return on Equity (ROE) as per CERC Regulations in accordance with the amendment in section 115JB of the Income Tax Act, 1961 announced by Government of India through Taxation Laws (Amendment) ordinance, 2019.

2. The Company has adopted Ind AS 116 'Leases' effective 1st April 2019, using modified retrospective approach and therefore the comparatives have not been restated. On the date of initial application, the lease liability has been measured at the present value of the remaining lease payments and Right of use assets has been recognized at an amount equal to the lease liabilities. Application of Ind AS 116 does not have any material impact on the financial results of the Company.

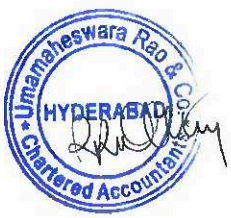

3. The company holds National Long distance (NLD) and Internet Service Provider (ISP) licenses and is regularly paying the applicable license fee to DoT. During the year FY 2018-19, the company has received additional demand of ₹ 21,953.65 crore (including interest and penalty upto the date of respective orders) for FY 2012-13 to FY 2017-18 by adding non-telecom revenue i.e., revenue related to transmission and consultancy as "Miscellaneous income" in Adjusted Gross Revenue (AGR). The company has contested the demands before DoT and requested for their withdrawal, as the same are not payable in terms of NLD and ISP license agreements and accordingly not considered in accounts.

   In the light of recent judgment, dated 24.10.2019 of Hon'ble Supreme Court on the dispute between DoT and Telecom Service Operators (TSPs) regarding interpretation of AGR, DoT vide communication dated 05.12.2019 requested submission of a comprehensive representation since all the earlier demands are being re-examined w.r.t. the Hon'ble Supreme Court Judgement. The Company has accordingly represented to DoT stating inter-alia that the demand raised is not sustainable either in law or on facts as the nature of license in case of telecom service providers is different and distinct from the licenses given to POWERGRID.

   In the opinion of management and based upon legal opinion received, the said judgement dated 24.10.2019 of Hon'ble Supreme Court is not applicable to the company. The company has also filed before the Hon'ble Supreme Court a clarificatory/modificatory petition with respect to non-applicability of said order to the company.

4. Provision for taxes, employee benefits and other provisions for contingencies have been considered on estimated basis.
5. The above statement of Standalone financial results has been reviewed by the Audit Committee and has been approved by the Board of Directors in their respective meetings held on 31st January, 2020.
6. As required under regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015, as amended to the extent applicable, the Statutory Auditors have conducted a limited review of the Standalone financial results for the quarter and nine months ended 31st December, 2019.
7. Previous period figures have been regrouped / rearranged wherever considered necessary.

Notes to Consolidated financial results:

1. (a) In exercise of powers u/s 178 of the Electricity Act 2003, Central Electricity Regulatory Commission (CERC) has notified "CERC (Terms and Conditions of Tariff) Regulations, 2019" vide order dated 7th March, 2019 for the determination of transmission tariff for the block period 2019-24.

   (b) In respect of projects whose tariffs are determined by CERC, pending filing of petitions and issue of tariff orders by CERC, Income on account of Transmission Charges for the nine months has been provisionally recognized based on the transmission tariff norms applicable for the block period 2019-24. However, beneficiaries are being billed in accordance with the tariff approved and applicable as on 31.03.2019 as provided in the CERC (terms and Conditions of tariff) Regulations, 2019.

   (c) Consequent to the final orders issued by the CERC, transmission income includes ₹ 19.84 crore (increase) for the quarter (corresponding previous quarter ₹. 28.54 crore (increase)) & ₹ 169.74 crore (increase) for the nine months ended 31st December, 2019 (corresponding previous nine months ₹ 70.20 crore (increase)) pertaining to earlier years.

   (d) Revenue from transmission decreased by ₹ 156.37 crore for the quarter and ₹ 453.76 crore for the nine months ended 31st December, 2019 due to change in MAT rate from 18.5% to 15% considered for grossing up of Return on Equity (ROE) as per CERC Regulations in accordance with the amendment in section 115JB of the Income Tax Act, 1961 announced by Government of India through Taxation Laws (Amendment) ordinance, 2019.

2. The Group has adopted Ind AS 116 'Leases' effective 1st April 2019, using modified retrospective approach and therefore the comparatives have not been restated. On the date of initial application, the lease liability has been measured at the present value of the remaining lease payments and Right of use assets has been recognized at an amount equal to the lease liabilities. Application of Ind AS 116 does not have any material impact on the financial results of the Group.

3. The company holds National Long distance (NLD) and Internet Service Provider (ISP) licenses and is regularly paying the applicable license fee to DoT. During the year FY 2018-19, the company has received additional demand of ₹ 21,953.65 crore (including interest and penalty upto the date of respective orders) for FY 2012-13 to FY 2017-18 by adding non-telecom revenue i.e., revenue related to transmission and consultancy as "Miscellaneous income" in Adjusted Gross Revenue (AGR). The company has contested the demands before DoT and requested for their withdrawal, as the same are not payable in terms of NLD and ISP license agreements and accordingly not considered in accounts.

   In the light of recent judgment, dated 24.10.2019 of Hon'ble Supreme Court on the dispute between DoT and Telecom Service Operators (TSPs) regarding interpretation of AGR, DoT vide communication dated 05.12.2019 requested submission of a comprehensive representation since all the earlier demands are being re-examined w.r.t. the Hon'ble Supreme Court Judgement. The Company has accordingly represented to DoT stating inter-alia that the demand raised is not sustainable either in law or on facts as the nature of license in case of telecom service providers is different and distinct from the licenses given to POWERGRID.

   In the opinion of management and based upon legal opinion received, the said judgement dated 24.10.2019 of Hon'ble Supreme Court is not applicable to the company. The company has also filed before the Hon'ble Supreme Court a clarificatory/modificatory petition with respect to non-applicability of said order to the company.

4. Provision for taxes, employee benefits and other provisions for contingencies have been considered on estimated basis.

5. The above statement of Consolidated financial results has been reviewed by the Audit Committee and has been approved by the Board of Directors in their respective meetings held on 31st January, 2020.

To
The Board of Directors,
Power Grid Corporation of India Limited

1. We have reviewed the accompanying Statement of Standalone Un-audited Financial Results of **Power Grid Corporation of India Limited** for the quarter and nine months ended 31st December, 2019 (hereinafter referred to as "Statement" and initialed for the purpose of identification), being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended from time to time. This Statement submitted is the responsibility of the Company's Management and approved by the Board of Directors. Our responsibility is to issue a report on the Statement based on our review.

2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("IND AS 34"), prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to issue a report on the Statement based on our review.

3. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Financial Statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement of Standalone Un-audited Financial Results prepared in accordance with the applicable Indian Accounting Standards specified under section 133 of Companies Act, 2013 read with Rule 7 of The Companies (Accounts) Rules 2014 and other accounting practices and policies generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended from time to time, including the manner in which it is to be disclosed, or that it contains any material misstatement.

To
The Board of Directors,
Power Grid Corporation of India Limited
B-9, Qutab Institutional Area,
Katwaria Sarai,
New Delhi – 110016

1. We have reviewed the accompanying Statement of Consolidated Unaudited Financial Results of **Power Grid Corporation of India Limited** ("the Parent") and its subsidiaries (the Parent and its subsidiaries together referred to as "the Group"), and its share of the net profit/(loss) after tax and share of total comprehensive income / (loss) of its joint ventures for the quarter and nine months ended 31st December, 2019 ("the Statement"), being submitted by the Parent pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended from time to time. Attention is drawn to the fact that the consolidated figures for the corresponding quarter and nine months ended 31st December, 2018 as reported in these financial results have been approved by the Parent's Board of Directors, but have not been subjected to review by us.

2. This Statement, which is the responsibility of the Parent's Management and approved by the Parent's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
   We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33 (8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended from time to time, to the extent applicable.

4. The Statement includes the results of the Parent and the following entities:
