Subsequently, the lockdown has been lifted by the government for certain activities in a phased manner outside specified containment zones. While there have been recent developments including launch of vaccination program in India, the extent to which the Covid-19 pandemic will continue to impact Company's results will depend on future developments, which are uncertain at this stage, including among other things, any new information regarding the severity of the pandemic and any further action to contain its spread or mitigate its impact by the Government.
The Company had granted a moratorium of upto six months on the payment of all instalments and / or interest, as applicable, falling due between March 1, 2020 and August 31, 2020 to the eligible borrowers those who applied for moratorium and also availed moratorium 2.0 for interest and principal liabilities. 3. We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether financial results are free of material misstatements. A review consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement of unaudited standalone financial results, prepared in accordance with the recognition and measurement principles laid down in Ind AS 34 prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other recognized accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Regulation including the manner in which it is to be disclosed, or that it contains any material misstatement.

5. We draw your attention to Note 4 to the Statement which explains the uncertainties due to the lock-downs and other restrictions/ conditions related to Covid-19 pandemic situation, which has been impacting the business activities of the Company including measurement of impairment loss & expected credit loss allowance on loans (financial assets) and assessment of liquidity position in context of moratorium granted to the Company's borrowers with availability of high quality liquid assets and undrawn committed lines of credit from banks/financial institutions to meet its financial obligations in future. Our conclusion is not modified in respect of this matter.

2. This Statement, which is the responsibility of the Company’s Management and approved by the Company’s Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 ‘Interim Financial Reporting’ (‘Ind AS 34’), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other recognized accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410, “Review of Interim Financial Information Performed by the Independent Auditor of the Entity” issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial results are free of material misstatement. A review consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33 (8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

4. The Statement includes the results of the following entities:

Sr. No	Name of the Company	Relationship with the Company
1	R.S. India Wind Energy Private Limited	Associate Company
2	Varam Bio Energy Private Limited	Associate Company

5. Based on our review conducted and procedures performed as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in Ind AS 34 prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other recognized accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Regulation including the manner in which it is to be disclosed, or that it contains any material misstatement.

6. We draw your attention to Note 4 to the Statement which explains the uncertainties due to the lock-downs and other restrictions/ conditions related to Covid-19 pandemic situation, which has been impacting the business activities of the Company including measurement of impairment loss & expected credit loss allowance on loans (financial assets) and assessment of liquidity position in context of moratorium granted to the Company's borrowers with availability of high quality liquid assets and undrawn committed lines of credit from banks/financial institutions to meet its financial obligations in future. The extent to which the Covid-19 pandemic will continue to impact the Company's results will depend on future developments, which are uncertain at this stage.

Our conclusion is not modified in respect of this matter.

7. The consolidated unaudited financial results also include the Company's share of net profit/loss after tax and total comprehensive income/loss of its associates of Rs. Nil for the quarter and nine months ended December 31, 2020, in respect of its two associates as referred to in paragraph 4 above whose financial results are not available with the Company and hence have not been reviewed by us. As mentioned in Note 5 of the Statement, the Company had fully impaired the value of investment in these associates in the previous years and does not have any further obligation over and above the cost of the investments. Therefore, in view of the management, there is no impact of the results of these associates in the consolidated unaudited financial results for the quarter and nine months ended December 31, 2020.

Our conclusion is not modified in respect of this matter.
