Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs), as specified under Section 143(10) of the Companies Act, 2013, as amended ("the Act"). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Consolidated Financial Results" section of our report. We are independent of the Group, its associates and joint ventures in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us and other auditors in terms of their reports referred to in "Other Matter" paragraph below, is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to the following notes to the accompanying financial results:

(i) Note 06 in connection with an ongoing litigation with its customer. Pending resolution of the litigation and based on legal opinion obtained by the management, no provision has been made towards the customer's counter-claims and the underlying receivable and inventory are classified as good and recoverable in the accompanying financial results.

- (ii) Note 07 in connection with certain ongoing property related legal proceedings in the holding and subsidiary companies. Pending resolution of the legal proceedings and based on legal opinions obtained by the management, no provision has been made towards any claims and the underlying recoverables, deposits and advances are classified as good and recoverable in the accompanying financial results.
- (iii) Note 10 in connection with the management's evaluation of Covid-19 impact on the business operations and cash flows of the Group. In view of the uncertain economic conditions, the management's evaluation of the impact on the subsequent periods is highly dependent upon conditions as they evolve.

Our opinion is not modified in respect of the above matters.

Management's Responsibilities for the Consolidated Financial Results

The Statement has been prepared on the basis of the consolidated annual financial statements. The Holding Company's Board of Directors are responsible for the preparation and presentation of the Statement that give a true and fair view of the net profit/(loss) and other comprehensive income/ (loss) and other financial information of the Group including its associates and joint ventures in accordance with the applicable accounting standards prescribed under section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The respective Board of Directors of the companies included in the Group and of its associates and joint venture entity and management of associate and joint venture partnership are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and its associates and joint ventures and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Statement by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibilities for the Audit of the Consolidated Financial Results

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or
 error, design and perform audit procedures responsive to those risks, and obtain audit evidence
 that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a
 material misstatement resulting from fraud is higher than for one resulting from error, as fraud
 may involve collusion, forgery, intentional omissions, misrepresentations, or the override of
 internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates and joint ventures to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associates and joint ventures to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial results/financial information of the entities within the Group and its associates and joint ventures of which we are the independent auditors, to express an opinion on the Statement. We are responsible for the direction, supervision and performance of the audit of the financial information of such entities included in the Statement of which we are the independent auditors. For the other entities included in the Statement, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Chartered Accountants

We communicate with those charged with governance of the Holding Company and such other entities included in the Statement of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

We also performed procedures in accordance with the Circular No. CIR/CFD/CMD1/44/2019 dated March 29, 2019 issued by the Securities Exchange Board of India under Regulation 33 (8) of the Listing Regulations, to the extent applicable.

- 9 The figures for the quarter ended 31.03.2021 and corresponding quarter ended 31.03.2020 are the derived figures between audited figures in respect of the full financial year ended 31.03.2021 and 31.03.2020, respectively and the unaudited published year-to-date figures in respect of nine months ended 31.12.2020 and 31.12.2019, respectively, being the date of the end of the third quarter of the financial year which were subjected to limited review.
- 10 The outbreak of Covid-19 pandemic globally and in India has caused significant disturbance and slowdown of economic activities. Due to the lockdown announced by the Government, the Group's operations were slowed down/suspended for part of the current year and accordingly the audited consolidated financial results for the quarter and the year ended March 31, 2021 are adversly impacted and not fully comparable with those of the earlier year.

The Group has considered the possible effects that may result from the COVID-19 pandemic on the carrying value of assets [including property, plant and equipment, investment property, investments, inventories, loans, land advance/deposits and receivables]. In developing the assumptions relating to the possible future uncertainties in the economic conditions because of this pandemic, the Group, as at the date of approval of these financial results has used internal and external sources of information to assess the expected future performance of the Group. The Group has performed sensitivity analysis on the assumptions used and based on the current estimates, the Group expects that the carrying amount of these assets as reflected in the balance sheet as at March 31, 2021, are fully recoverable. Though the management has availed for the moratorium on payment of loan instalments as provided by the Reserve Bank of India vide COVID-19 - Regulatory Package, the management has estimated the future cash flows for the Group with the possible effects that may result from the COVID-19 pandemic and does not foresee any adverse impact on realising its assets and in meeting its liabilities as and when they fall due. The actual impact of the COVID-19 pandemic may be different from that estimated as at the date of approval of these financial results.

Further, the Group's management has also made a detailed assessment of the progress of construction work on its ongoing projects during the period of lockdown and has concluded that the same was only a temporary slowdown in activities and has accordingly inventorised the borrowing costs incurred in accordance with Ind AS 23.

The outbreak of Covid-19 has impacted construction operations and project completion timelines of certain ongoing customer contracts of a wholly-owned subsidiary (WOS). The WOS is carrying construction work in progress as at March 31, 2021 and having regard to the WOS's ongoing discussions with its customers towards the construction work, the WOS is confident of billing the same in the ensuing year. Further, the WOS has also initiated proceedings with its customer for extension of certain projects' completion timeline and waiver of liquidated damages thereon amounting to Rs.11 crores. Pending resolution of the aforesaid matter, no provision has been made towards such liquidated damages in the accompanying financial results based on the terms of the customer contracts and impact of Covid-19 pandemic.

The Group will continue to closely observe the evolving scenario and take into account any future developments arising out of the same.

The Code on Social Security, 2020 ('Code') relating to employee benefits during employment and post-employment benefits received Presidential assent in September 2020. The Code has been published in the Gazette of India. However, the date on which the Code will come into effect has not been notified and the final rules/interpretation have not yet been issued. The Group will assess the impact of the Code when it comes into effect and will record any related impact in the period the Code becomes effective.

The Statement has been prepared on the basis of the standalone annual financial statements. The Board of Directors of the Company are responsible for the preparation and presentation of the Statement that gives a true and fair view of the net loss and other comprehensive loss of the Company and other financial information in accordance with the applicable accounting standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. In preparing the Statement, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

- 9 The outbreak of Covid-19 pandemic globally and in India has caused significant disturbance and slowdown of economic activities. Consequently, the Company's operations were slowed down/suspended for part of the current year and accordingly the audited standalone financial results for the quarter and the year ended March 31, 2021 are adversly impacted and not fully comparable with those of the earlier year.

The Company has considered the possible effects that may result from the COVID-19 pandemic on the carrying value of assets [including property, plant and equipment, investment property, investments, inventories, loans, land advance/deposits and receivables]. In developing the assumptions relating to the possible future uncertainties in the economic conditions because of this pandemic, the Company, as at the date of approval of these financial results has used internal and external sources of information to assess the expected future performance of the Company. The Company has performed sensitivity analysis on the assumptions used and based on the current estimates, the Company expects that the carrying amount of these assets as reflected in the balance sheet as at March 31, 2021, are fully recoverable. Though the management has availed for the moratorium on payment of loan instalments as provided by the Reserve Bank of India vide COVID-19 - Regulatory Package, the management has estimated the future cash flows for the Company with the possible effects that may result from the COVID-19 pandemic and does not foresee any adverse impact on realising its assets and in meeting its liabilities as and when they fall due. The actual impact of the COVID-19 pandemic may be different from that estimated as at the date of approval of these financial results.

Further, the Company's management has also made a detailed assessment of the progress of construction work on its ongoing projects during the period of lockdown and has concluded that the same was only a temporary slowdown in activities and has accordingly inventorised the borrowing costs incurred in accordance with Ind AS 23.

The outbreak of Covid-19 has impacted construction operations and project completion timelines of certain ongoing customer contracts of a wholly-owned subsidiary (WOS). The WOS is carrying construction work in progress as at March 31, 2021 and having regard to the WOS's ongoing discussions with its customers towards the construction work, the WOS is confident of billing the same in the ensuing year. Further, the WOS has also initiated proceedings with its customer for extension of certain projects' completion timeline and waiver of liquidated damages thereon amounting to Rs.11 crores. Pending resolution of the aforesaid matter, no provision has been made towards such liquidated damages in the accompanying financial results based on the terms of the customer contracts and impact of Covid-19 pandemic.

The Company will continue to closely observe the evolving scenario and take into account any future developments arising out of the same.
