1. We have reviewed the accompanying Statement of Unaudited Standalone Financial Results of Ramco Systems Limited ("the Company") for the quarter ended 31 December 2023 and year to date results for the period from 01 April 2023 to 31 December 2023 ("the Statement"), being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("the Regulation").
2. This Statement, which is the responsibility of the Company's Management and has been approved by the Board of Directors of the Company, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to issue a report on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with applicable accounting standards and other recognized accounting practices and policies, has not disclosed the information required to be disclosed in terms of the Regulation, read with applicable Circulars, including the manner in which it is to be disclosed, or that it contains any material misstatement.

- (ii) the transaction was carried out through the block deal window mechanism between persons who were in possession of the UPSI without being in breach of Regulation 3 and both parties had made a conscious and informed trade decision;

Provided that such UPSI was not obtained by either person under regulation 3.3.

- (iii) the transaction in question was carried out pursuant to a statutory or regulatory obligation to carry out a bona fide transaction.

- (iv) the transaction in question was undertaken pursuant to the exercise of stock options in respect of which the exercise price was pre-determined in compliance with applicable regulations.

- (v) in the case of non-individual Insiders: –

- (a) the individuals who were in possession of such UPSI were different from the individuals taking trading decisions and such decision-making individuals were not in possession of such UPSI when they took the decision to trade; and

- (b) appropriate and adequate arrangements were in place to ensure that these regulations are not violated and no UPSI was communicated by the individuals possessing the information to the individuals taking trading decisions and there is no evidence of such arrangements having been breached;

- (vi) the trades were pursuant to a trading plan set up in accordance with Code 5 referred herein below.

4.2 In the case of Connected Persons the onus of establishing, that they were not in possession of UPSI, shall be on such Connected Persons.

5. Trading Plans

5.1 An Insider falling under the category of Key Managerial Personnel and their Immediate Relative shall be entitled to formulate a trading plan and present it to the Compliance Officer for approval and public disclosure pursuant to which trades may be carried out on his behalf in accordance with such plan, save and except for pledging of securities. Board of Directors of the Company represented by its Chairman or Managing Director or Whole Time Director, is the approving authority in case of trades done by the Compliance Officer or his immediate relatives.

NOTE: This provision intends to give an option to persons who may be perpetually in possession of UPSI and enabling them to trade in securities in a compliant manner. This provision would enable the formulation of a trading plan by such Insider to enable him to plan for trades to be executed in future. By doing so, the possession of UPSI when a trade under a trading plan is actually executed would not prohibit the execution of such trades as he had pre-decided even before the UPSI came into being.

5.2 Such trading plan shall:—

- (i) not entail commencement of trading on behalf of the Insider earlier than six months from the public disclosure of the plan;
- (ii) not entail trading for the period between the twentieth trading day prior to the last day of any financial period for which results are required to be announced by the issuer of the securities and the second trading day after the disclosure of such financial results;
- (iii) entail trading for a period of not less than twelve months;
- (iv) not entail overlap of any period for which another trading plan is already in existence;
- (v) set out either the value of trades to be effected or the number of securities to be traded along with the nature of the trade and the intervals at, or dates on which such trades shall be effected; and
- (vi) not entail trading in securities for market abuse.

- 53 The Compliance Officer / Board of Directors represented by its Chairman or Managing Director or Whole Time Director as the case may be shall review the trading plan to assess whether the plan would have any potential for violation of these regulations and shall be entitled to seek such express undertakings as may be necessary to enable such assessment and to approve and monitor the implementation of the plan.

Pre-clearance of trades shall not be required for a trade executed as per an approved trading plan.

Provided further that trading window norms and restrictions on contra trade shall not be applicable for trades carried out in accordance with an approved trading plan.

- 54 The trading plan once approved shall be irrevocable and the Insider shall mandatorily have to implement the plan, without being entitled to either deviate from it or to execute any trade in the securities outside the scope of the trading plan.

Provided that the implementation of the trading plan shall not be commenced if any UPSI in possession of the Insider at the time of formulation of the plan has not become generally available at the time of the commencement of implementation and in such event the Compliance Officer / Board of Directors of the Company represented by its Chairman or Managing Director or Whole Time Director as the case may be shall confirm that the commencement ought to be deferred until such UPSI becomes generally available information so as to avoid a violation of Code 4.1.

- 55 Upon approval of the trading plan, the Compliance Officer / Board of Directors of the Company represented by its Chairman or Managing Director or Whole Time Director as the case may be shall notify the plan to the stock exchanges on which the securities are listed.
