Formulae for calculation of ratios are as follows:

- (a) Debt service coverage ratio = (Profit/(loss) before tax – Dividend income + Interest expenses) / (Interest expenses + Repayment of Long-term loans during the year)
For the purpose of calculation, loans having original maturity of more than 360 days are considered as Long-term loans.
- (b) Interest service coverage ratio* = (Profit/(loss) from ordinary activities before tax – Dividend income + Interest expenses – Interest income earned on surplus funds) / (Interest expenses – Interest income earned on surplus funds).
- (c) Debt equity ratio** = (Total debt – Cash and cash equivalents – Short term investments) / (Total equity – Investments in subsidiaries)
- (d) Net worth = Equity share capital + Other equity
- (e) Current ratio = Current assets / Current liabilities
- (f) Current liabilities ratio = Current liabilities / Total liabilities
- (g) Long term debt to Working capital = Long term borrowings (including current portion of long-term borrowings) / Working capital
Working capital = Current assets (excluding Assets classified as held for sale) - Current liabilities (excluding current maturities of long term debt, interest accrued on borrowings).
- (h) Bad debts to Accounts receivable ratio = Bad debts / Trade receivables
- (i) Total debts to Total assets ratio = (Non-current borrowings + Current borrowings) / Total assets
- (j) Debtors turnover ratio (number of times) (annualized) = Revenue from operations / Average Trade receivables
- (k) Inventory turnover ratio (number of times) (annualized) = (Purchases of traded goods + Changes in inventories of traded goods) / Average Inventories
- (l) Operating margin (%) = (Profit before tax + Finance costs – Dividend income) / Revenue from operations
- (m) Net profit margin (%) = Net profit after tax excluding dividend income / Revenue from operations

* Since interest income has been obtained from surplus funds, the same has been adjusted with interest expense for interest service coverage ratio computation.

** Debt equity ratio negative means excess Cash and cash equivalents over Total debt.

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Results for the year ended March 31, 2023 as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Standalone Financial Results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Annual Standalone Financial Results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.

Deloitte Haskins & Sells

- Evaluate the appropriateness and reasonableness of disclosures made by the Board of Directors in terms of the requirements specified under Regulation 33 and Regulation 52 of the Listing Regulations.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Annual Standalone Financial Results, including the disclosures, and whether the Annual Standalone Financial Results represent the underlying transactions and events in a manner that achieves fair presentation.
- Perform procedures in accordance with the circular issued by the SEBI under Regulation 33(8) of the Listing Regulations to the extent applicable.

Materiality is the magnitude of misstatements in the Annual Standalone Financial Results that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Annual Standalone Financial Results may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Annual Standalone Financial Results.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings including any significant deficiencies in internal control that we identify during our audit.

We conducted our review of the Consolidated Financial Results for the quarter ended March 31, 2023 in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the ICAI. A review of interim financial information consists of making inquiries, primarily of the Company's personnel responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with SAs specified under section 143(10) of the Act and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

The Statement includes the results of the entities as listed under paragraph (a)(i) of Opinion and Conclusion section above.

As part of our annual audit, we also performed procedures in accordance with the circular issued by the SEBI under Regulation 33(8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.
