**INDEPENDENT AUDITOR'S REVIEW REPORT ON UNAUDITED STANDALONE
FINANCIAL RESULTS**

TO
THE RESOLUTION PROFESSIONAL
ROHIT FERRO - TECH LIMITED

(A company under Corporate Insolvency Resolution Process vide NCLT Order)

**Limited Review Report of the Unaudited Standalone Financial Results for the quarter
ended 30th June, 2020**

Qualified Conclusion

1. We have reviewed accompanying Statement of Unaudited Financial Results of **ROHIT FERRO - TECH LIMITED** (the 'Company') for the quarter ended 30th June, 2020, being submitted by the Company pursuant to the requirement of Regulations 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, ('Listing Regulations') as amended.
2. The Hon'ble National Company Law Tribunal ("NCLT"), Kolkata Bench, admitted the Corporate Insolvency Resolution Process ("CIRP") application filed by a Financial Creditor of Rohit Ferro Tech Limited (the Company) and appointed an Interim Resolution Professional (RP), in terms of the Insolvency and Bankruptcy Code, 2016 (The code) vide order dated 7th February, 2020 and was subsequently confirmed by the Committee of Creditors (CoC) as the Resolution Professional (RP) in its 1st CoC meeting held on 5th March, 2020 as approved by virtue of e - voting by the CoC members on 13th March, 2020. In view of pendency of CIRP, the management of the affairs of the company and power of the Board of Directors are now vested with RP. These standalone financial results have been prepared by the management of the company and certified by CFO and approved by RP.
3. This Statement, which is the responsibility of the Company's Management and approved by the RP (Refer Note 1 to the unaudited standalone financial results), has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 (Ind AS) for Interim Financial Reporting ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 ("the Act") read with relevant rules issued there under and other accounting principles generally accepted in India and in compliance with Regulation 33 of Listing Regulations. Our responsibility is to issue a report on these Financial Statements based on our review.

R Kothari & Co (a partnership firm with FRN-307069E) converted into R Kothari & Co LLP, (a Limited Liability Partnership with LLP Identification No.AAS-5294 w.e.f 3rd June, 2020)

4. We conducted our review of the statement in accordance with the Standard on Review Engagement (SRE) 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity' issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures, applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
5. Based on our review conducted as above, except for the possible effects of the matter described in the paragraph 6 below "Basis for qualified conclusion" and read with our comments in paragraph 7 & 8 below, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with the applicable Ind AS as prescribed under Section 133 of the Act read with relevant rules issued there under and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, read with the Circular, including the manner in which it is to be disclosed, or that it contains any material misstatement.

6. Basis for Qualified Conclusion

- i. *We draw your attention to Note No. 5 of the accompanying standalone Financial Results regarding non provision of interest expense on the borrowings of the Company for the period till date of commencement of CIRP. (Cumulative Non Provisioning of Rs. 1,08,797.67 lakhs till 30.06.2020) and penal interest and charges thereof (amount remaining unascertained) which is not in accordance with the requirements of Ind AS 23: Borrowing Costs read with Ind AS 109: Financial Instruments.*

The above reported interest has been calculated using Simple Interest rate.

- ii. The balance of "Trade Receivables", "Trade payables", "Advances from Customer", "Advances Recoverable In Cash or Kind" and "Advance to Suppliers and Other Parties" etc includes balances remaining outstanding for a substantial period. The balances are subject to confirmation/reconciliation. In the absence of above and other corroborative evidence, we unable to comment on the extent to which such balances are recoverable and the reported Financials might have consequential impact which remains unascertained.
- iii. As a part of CIRP, creditors were called upon to submit their claims. In aggregate the claim submitted by the financial creditors as well as operational creditors exceeded the amount as appearing in the books of account. The process of submitting claims is still going on and it is also under verification and reconciliation by RP with amount as appearing in books. Pending reconciliation and final outcome of such process, no accounting impact in the books of account has been made in respect of excess, shortage, non receipt of claims from operational and financial creditors. Hence, consequential impact if any on the reported financial results is currently not ascertainable.
- iv. We have been informed by RP that certain information including minutes of CoC meeting and the outcome of certain procedures carried out as part of CIRP process are confidential in nature and could not be shared with anyone other than Committee of Creditors and

NCLT. Accordingly we are unable to comment on the possible financial impact, presentation and disclosures, if any on aforesaid information not provided to us.

7. Material Uncertainty Related to Going Concern

We draw attention to the **Note 4** to the financial results regarding preparation of the financial results on going concern basis which states that the company has incurred cash losses, its liabilities exceeded its total assets and its net worth has been fully eroded as on 30.06.2020. In view of continuing default in payment of dues, certain lenders have sent notices, letters recalling their loans given and called upon the company to pay entire dues and Corporate Insolvency Resolution Process against the company is in process. Since, the CIRP is currently in process as per the IBC Code, it is required that the company be managed as going concern during the CIRP. The standalone financial result is continued to be prepared on going concern basis. However there exists material uncertainty about the company's ability to continue as a going concern since the same is dependent upon the resolution plan to be formulated and approved by NCLT. The appropriateness of preparation of the standalone financial results on going concern basis is critically dependent upon CIRP as specified in the IBC Code.

8. Emphasis of Matter

- i. We draw your attention to **Note 2** to the standalone financial results which explain the uncertainties and the management's assessment of the financial impact due to the lock-downs and other restrictions and conditions related to the COVID-19 pandemic situation, for which a definitive assessment of the impact in the subsequent period is highly dependent upon circumstances as they evolve.
- ii. Substantial amount of statutory dues amounting to Rs. 3258.43 lakhs has become overdue and remain unpaid. Interest, penalty if any in respect of the same has remained unascertained and unaccounted for.

Our conclusion is not modified in respect of this matter.

- 2 The COVID-19 pandemic has adversely impacted the economy and business Supply Chain disruptions in India as a result of the outbreak started with restrictions on movement of goods, closure of borders etc., in several states followed by a nationwide lockdown to curb the spread of COVID-19. Due to this, the manufacturing operations of the company along with supply and distribution got temporarily disrupted. Subsequently the Government of India has progressively relaxed lockdown conditions. The Company commenced its manufacturing operations at multiple locations on different dates after getting due permission from the local administration. As there were severe restrictions on the movement of man and material, the ramping up of operations was possible only in a phased manner. Accordingly, sales volume for the quarter ended 30th June, 2020 has been impacted and therefore, the results of this period are not comparable to that of the previous corresponding period results. The Resolution Professional (RP) has assessed its liquidity position as on 30th June, 2020 and does not anticipate any challenge in the Company's ability to continue as a going concern including recoverability of the carrying value of all assets. The impact assessment of COVID 19 is a continuing process given the uncertainties associated with its nature and duration. The Company will continue to monitor any material changes to future economic conditions.
- 3 As a part of Corporate Insolvency Resolution Process (CIRP), creditors of the company were called to submit their claims to the Resolution Professional (RP). The summary of claim till 14th September, 2020 is shown hereunder:

(₹ In Lacs)

| Particulars | Amount of Claims submitted | Amount of Claims admitted by Resolution Professional | Excess of claims submitted over claims admitted |
|-----------------------|----------------------------|--|---|
| Financial Creditors | 4,03,664.38 | 3,88,859.36 | 14,805.02 |
| Operational Creditors | 37,803.36 | 16,496.22 | 21,307.14 |
| Employee's Claim | 955.73 | 204.85 | 750.88 |
| Other Claims | 7,426.56 | - | 7,426.56 |

The party-wise reconciliation of outstanding balances appearing in books of account vis-a-vis claims submitted and admission of claim by RP is pending. This is an ongoing process till the approval of the resolution plan and the balances are subject to updation and reconciliations. Hence consequential impact if any on the financials is not currently ascertainable and no accounting adjustment has been made in the books of accounts for differences.

- 4 The Company has incurred loss of ₹ 1,799 Lacs for the quarter ended 30th June, 2020 and accumulated loss as on 30th June, 2020 is ₹ 2,45,444 Lacs which is in excess of the entire net worth of the Company. The Company's ability to meet its contractual and financial obligation is dependent on the resolution of the matter as a part of CIRP. Currently the company is in the process of identifying the resolution alternatives, and have invited EOI from prospective suitors and accordingly the financial results are at present being prepared on a going concern basis. The future prospects of the company to remain as a going concern shall be subject to resolution plan, if any, received and being approved by the Committee of Creditors and the Honorable NCLT Court.

6. **Basis for Qualified Opinion**
 - i. *We draw your attention to Note No.6 of the accompanying Consolidated Financial Results regarding non provision of interest expense on the borrowings of the Company for the period till date of commencement of CIRP. (Cumulative Non Provisioning of Rs. 1,09,602.27 lakhs till 30.06.2020) and penal interest and charges thereof (amount remaining unascertained) which is not in accordance with the requirements of Ind AS 23: Borrowing Costs read with Ind AS 109: Financial Instruments.*
The above reported interest has been calculated using Simple Interest rate.
 - ii. As referred in **Note No 7** of the Consolidated Financial Results, "Trade Receivables", "Trade payables", "Advances from Customer", "Advances Recoverable in Cash or Kind" and "Advance to Suppliers and Other Parties" certain current account and fixed deposit with banks etc includes balances remaining outstanding for a substantial period. The balances are subject to confirmation/reconciliation. In the absence of above and other corroborative evidence, we unable to comment on the extent to which such balances are recoverable. The reported Financials might have consequential impact which remains unascertained.
 - iii. As a part of CIRP, creditors were called upon to submit their claims. In aggregate the claim submitted by the financial creditors as well as operational creditors exceeded the amount as appearing in the books of account. The process of submitting claims is still going on and it is also under verification and reconciliation by RP with amount

the amount as appearing in the books of account. The process of submitting claims is still going on and it is also under verification and reconciliation by RP with amount as appearing in books. Pending reconciliation and final outcome of such process, no accounting impact in the books of account has been made in respect of excess, shortage, non receipt of claims from operational and financial creditors. Hence, consequential impact if any on the reported financial results is currently not ascertainable.

- iv. We have been informed by RP that certain information including minutes of CoC meeting and the outcome of certain procedures carried out as part of CIRP process are confidential in nature and could not be shared with anyone other than Committee of Creditors and NCLT. Accordingly we are unable to comment on the possible financial impact, presentation and disclosures, if any on aforesaid information not provided to us.

7. Material Uncertainty Related to Going Concern

We draw attention to the **Note 5** to the financial results regarding preparation of the financial results on going concern basis which states that the company has incurred cash losses, its liabilities exceeded its total assets and its net worth has been fully eroded as on 30.06.2020. In view of continuing default in payment of dues, certain lenders have sent notices, letters recalling their loans given and called upon the company to pay entire dues and other liabilities. Few of the lenders have filed petition for winding up of the company. The Corporate Insolvency Resolution Process against the company is in process. Since, the CIRP is currently in process as per the IBC Code, it is required that the company be managed as going concern during the CIRP. The consolidated financial result is continued to be prepared on going concern basis. However there exists material uncertainty about the company's ability to continue as a going concern since the same is dependent upon the resolution plan to be formulated and approved by NCLT. The appropriateness of preparation of the consolidated financial results on going concern basis is critically dependent upon CIRP as specified in the IBC Code.

8. Emphasis of Matter

- i. We draw your attention to **Note 3** to the consolidated financial results which explains the uncertainties and the management's assessment of the financial impact due to the lock-downs and other restrictions and conditions related to the COVID-19 pandemic situation, for which a definitive assessment of the impact in the subsequent period is highly dependent upon circumstances as they evolve.
- ii. Substantial amount of statutory dues amounting to Rs. 3258.43 lakhs has become overdue and remain unpaid. Interest, penalty if any in respect of the same has remained unascertained and unaccounted for.

Our opinion is not modified in respect of this matter.

9. Other Matter

We did not review the Financial Result of subsidiary company included in the consolidated financial results, whose financial information reflect total revenue of Rs. Nil & total comprehensive loss Rs. 29.82 lakhs for the quarter ended 30th June, 2020 as considered in the Consolidated Financial Results. The unaudited financial results of the subsidiary company have been furnished to us by the management and our conclusion on the Consolidated Financial Results in so far as it relates to the amounts and disclosures included in respect of the subsidiary, and our conclusion as it relates to the aforesaid subsidiary is based solely on such Unaudited Financial Statements as certified by the management.

- 3 The COVID-19 pandemic has adversely impacted the economy and business Supply Chain disruptions in India as a result of the outbreak started with restrictions on movement of goods, closure of borders etc., in several states followed by a nationwide lockdown to curb the spread of COVID-19. Due to this, the manufacturing operations of the company along with supply and distribution got temporarily disrupted. Subsequently the Government of India has progressively relaxed lockdown conditions. The Company commenced its manufacturing operations at multiple locations on different dates after getting due permission from the local administration. As there were severe restrictions on the movement of man and material, the ramping up of operations was possible only in a phased manner. Accordingly, sales volume for the quarter ended 30th June, 2020 has been impacted and therefore, the results of this period are not comparable to that of the previous corresponding period results. The Resolution Professional (RP) has assessed its liquidity position as on 30th June, 2020 and does not anticipate any challenge in the Company's ability to continue as a going concern including recoverability of the carrying value of all assets. The impact assessment of COVID 19 is a continuing process given the uncertainties associated with its nature and duration. The Company will continue to monitor any material changes to future economic conditions.
- 4 As a part of Corporate Insolvency Resolution Process (CIRP), creditors of the company were called to submit their claims to the Resolution Professional (RP). The summary of claim till 14th September, 2020, is shown hereunder:

| (₹ In Lacs) | | | |
|-----------------------|----------------------------|--|---|
| Particulars | Amount of Claims submitted | Amount of Claims admitted by Resolution Professional | Excess of claims submitted over claims admitted |
| Financial Creditors | 4,03,664.38 | 3,88,859.36 | 14,805.02 |
| Operational Creditors | 37,803.36 | 16,496.22 | 21,307.14 |
| Employee's Claim | 955.73 | 204.85 | 750.88 |
| Other Claims | 7,426.56 | - | 7,426.56 |

The party-wise reconciliation of outstanding balances appearing in books of account vis-a-vis claims submitted and admission of claim by RP is pending. This is an ongoing process till the approval of the resolution plan and the balances are subject to updation and reconciliations. Hence consequential impact if any on the financials is not currently ascertainable and no accounting adjustment has been made in the books of accounts for differences.

- 5 The Parent Company has been referred to NCLT by one of its lenders and consequently CIRP has been initiated, as detailed in Note 1. The Company has incurred consolidated loss of ₹ 1,829 Lacs for the quarter ended 30th June, 2020 and accumulated consolidated loss as on 30th June, 2020 is ₹ 2,54,001 Lacs which is in excess of the entire net worth of the company. The Company's ability to meet its contractual and financial obligation is dependent on the resolution of the matter as a part of CIRP. Currently the company is in the process of identifying the resolution alternatives, and have invited EOI from prospective suitors and accordingly the financial results are at present being prepared on a going concern basis. The future prospects of the company to remain as a going concern shall be subject to resolution plan, if any, received and being approved by the Committee of Creditors and the Honorable NCLT Court. Appropriateness of the going concern assumption on which the financial statement of the SKP Overseas Pte Ltd are prepared is dependent on the continued financial support from its shareholders and resolution plan.
- 6 The lenders have stopped charging interest on debts, since the dues from the company have been categorised as Non Performing Asset. The company has not provided accrued interest in its books as the account has been declared NPA by the respective lenders. The amount of interest has been recognised in the books of accounts to the extent the amount charged/realised by the bank till the commencement of CIRP period as reflected in the bank statement. The unprovided liability in respect of interest on borrowings till the date of commencement of CIRP stands at ₹ 1,09,602 Lacs. Penal interest and charges thereof (amount remaining unascertained) has not been provided for. The liability towards any interest, penal interest charges, and other charges prior to commencement of CIRP have been charged and claimed in FORM C. Accordingly no provision has been considered for the same. The non provision of interest might have consequential impact on the reported figures.
