### Report on the audit of the Standalone Financial Results

### **Qualified Opinion**

We have audited the accompanying standalone quarterly and year to date standalone financial results of SBEC SugarLimited("the Company") for the quarter and year ended 31<sup>st</sup> March, 2022, ('Statement), attached herewith, being submitted by the company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to usexcept for the possible effects of the matters described in the "Basis of qualified opinion" para below, these standalone financial results:

i. are presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and

ii. gives a true and fair view in conformity with the recognition and measurement principles laid down in the applicable accounting standards and other accounting principles generally accepted in India of the net profit/(loss) and other comprehensive income and other financial information for the quarter and year ended 31<sup>st</sup>March, 2022.

### **Basis for Qualified Opinion**

1)During the quarter and year ended 31st March 2022, the company has not made provision for interest on late payment of cane dues amounting to Rs. 599.97 & Rs.656.34 lacs respectively for the sugar season 2021-22, Rs. 478.80 & Rs.3637.75 lacs respectively for the sugar season 2020-21 and Rs. NIL & Rs.15.35 lacs respectively for the sugar season 2019-20, had the company made provisions the profit for the quarter and loss for the year would have been lower/higher by Rs.1078.77 lacs and Rs.4309.44 lacs respectively and its consequential impact on EPS.

2) The company has takenthe debt of IDBI, PNB & IFCI in Modi Industries Limited. As at 31st March, 2022 the company has net exposure of Rs.14685.98lacs. No Interest on the said amount has been provided as there is no reasonable certainty of its collection since the net worth of Modi Industries Limited has been completely eroded. Recoverability of the above balance is alsodoubtful. However, no provisions for doubtful debts were made in the financial statements of the company and consequently we are unable to opine on the appropriateness of the same and its consequential impact on the financial statements.

3) The company has valued the closing stock at NRV instead of "the lower of cost and net realisable value" as required under IND AS-2 "Inventories". Since the NRV is higher than cost this has resultant in overstatement of Inventories (Finished Goods and WIP-Sugar) by Rs. 719.29 lacs, understatement of losses for the year by Rs. 719.29 lacs and its consequential impact on EPS.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 (the Act). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Results section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial results under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Emphasis of Matter**

We draw attention to note no (d)of the standalone audited financial statement regarding interest payment on cane dues where the High Court vide its order dated 9th March, 2017 has set aside the decision of State Government for the waiver of Interest for the year 2012-13, 2013-14 and 2014-15 and asked the Cane Commissioner to take a final call in the matter, pending final order the Company has not made provision for interest, on the late payment of cane dues for years 2012-13, 2013-14 and 2014-15. The Hon'ble Supreme Court vide its order dated 23.04.2018 has upheld the Hon'ble High Court order dated 9th March, 2017. The matter is still sub-judice. Under the power vested with the Cane Commissioner (U.P.) for waiver of interest under UP Sugar Cane (Regulation of Supply & Purchase) Act,1953 in respect of loss making/sick companies, the company had made an application to Cane Commissioner (U.P.) for waiver of interest on cane dues. Pending receipt of the Cane Commissioner's decision, no interest has been provided on the cane dues. The company has decided to account for the same upon decision in the matter/payment.

Our opinion is not qualified in respect of this matter

Management's Responsibilities for the Standalone Financial Results

The statement has been prepared on the basis of the standalone annual financial statements. The Company's Board of Directors are responsible for the preparation of these financial results that gives a true and fair view of the net profit and other comprehensive income and other financial information in accordance with the applicable accounting standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial results, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors

either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial results. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit
  procedures that are appropriate in the circumstances, but not for the purpose of
  expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
  - Evaluate the overall presentation, structure and content of the statement, including the
    disclosures, and whether the financial results represent the underlying transactions and
    events in a manner that achieves fair presentation.
  - Obtain sufficient appropriate audit evidence regarding the Standalone Financial Results of the Company to express an opinion on the Standalone Financial Results.

Materiality is the magnitude of misstatements in the Standalone Financial Results that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Results may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Results.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all

relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

### Other Matter

The Statement includes the results for the quarter ended March 31, 2022 being the balancing figure between the audited figures in respect of the full financial year ended March 31. 2022 and the published unaudited year-to-date figures up to the third quarter of the current financial year which were subjected to limited review by us, as required under the Listing Regulations.

Our opinion on the Statement is not modified in respect of the above matter.

### **Emphasis of Matter**

We draw attention to note no (d)of the standalone audited financial statement regarding interest payment on cane dues where the High Court vide its order dated 9th March, 2017 has set aside the decision of State Government for the waiver of Interest for the year 2012-13, 2013-14 and 2014-15 and asked the Cane Commissioner to take a final call in the matter, pending final order the Company has not made provision for interest, on the late payment of cane dues for years 2012-13, 2013-14 and 2014-15. ### Management's Responsibilities for the Consolidated Financial Results

The Statement has been prepared on the basis of the consolidated annual financial statements. The Company's Board of Directors are responsible for the preparation and presentation of these consolidated financial results—that give a true and fair view of the net loss and other comprehensive income and other financial information of the Company including its associate in accordance with the applicable accounting standards prescribed—under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The respective Board of Directors of the company and of its associate are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the company and its associate and for preventing and detecting frauds and other irregularities;

selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the statement by the Directors of the Company, as aforesaid.

In preparing the consolidated financial results, the respective Board of Directors of the company and of its associate are responsible for assessing the ability of the company and of its associate to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so. The respective Board of Directors of the companies included in the Group is also responsible for overseeing the financial reporting process of each Company.

Auditor's Responsibilities for the Audit of the Consolidated Financial Results

Our objectives are to obtain reasonable assurance about whether the consolidated financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain

professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the consolidated financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.

- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the company and its associate to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company and its associate to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial results, including the disclosures, and whether the consolidated financial results represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial results/financial information of the company and its associate to express an opinion on the consolidated Financial Results. We are responsible for the direction, supervision and performance of the audit of financial information of such entity included in the consolidated financial

results of which we are the independent auditors. For the other entity included in the consolidated Financial Results, which has been audited by other auditors, such other auditor remains responsible for the direction, supervision and performance of the audits carried out by him. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the Statement that individually or in aggregate. Make it probable that the economic decisions of a reasonably knowledgeable user of the Statement may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our atuallt work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Statement.

We communicate with those charged with governance of the Company and such other entity included in the consolidated financial results of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33(8) of the Listing Regulations, as amended, to the extent applicable.

1	During the quarter and year ended 31st March 2022, the company has not made provision for interest on late payment of cane dues amounting to Rs. 599.97 & Rs.656.34 lacs respectively for the sugar season 2021-22 ,Rs. 478.80 & Rs.3637.75 lacs respectively for the sugar season 2020-21 and Rs. NIL & Rs.15.35 lacs respectively for the sugar season 2019-20, had the company made provisions the profit for the quarter and loss for the year would have been lower/higher by Rs.1078.77 lacs and Rs.4309.44 lacs respectively and its consequential impact on EPS. 2	The company has taken the debt of IDBI, PNB & IFCI in Modi Industries Limited. As at 31st March, 2022 the company has net exposure of Rs.14685.98lacs. No Interest on the said amount has been provided as there is no reasonable certainty of its collection since the net worth of Modi Industries Limited has been completely eroded. Recoverability of the above balance is also doubtful. However, no provisions for doubtful debts were made in the financial statements of the company and consequently we are unable to opine on the appropriateness of the same and its consequential impact on the financial statements.	The management is of the opinion that no provision for doubtful debts is required as subsidiary company is the major secured creditor of Modi Industries Limited which owns substantial properties which are quite sufficient to take care of its entire liabilities. In view of that the management is confident for recovery of whole amount.	Since the amount is still pending to be recovered from Modi Industries Limited.Our opinion still remains the same as mentioned in our auditor's report and actual impact is currently not ascertainable.

the lower of cost and net realisable value" as required under IND AS-2 "Inventories". Since the NRV is higher than cost this has resultant in overstatement of Inventories (Finished Goods and WIP-Sugar) by Rs. 719.29 lacs, understatement of losses for the year by Rs. 719.29 lacs and its consequential impact on EPS.

considering the current market price of around Rs. 3370.00 per quintal. The same is still lower than the Market price. Since the market price is much higher than NRV, it has been thought expedient to value Closing Stock at NRV.

per IND AS-2 "Inventories" therefore our opinion still remains the same as mentioned in our auditor's report
