#### Notes

- 1 The above Financial Results were reviewed by the Audit Committee and approved by the Board of Directors at their meeting held on August 12, 2020.
- 2 These financial results have been prepared in accordance with Indian Accounting Standards (Ind AS) as prescribed under section 133 of Companies Act 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules 2015 (as amended).
- 3 As the Company's business operations fall within a single primary business segment viz. product and systems for electricity distribution, the disclosure requirements of Ind AS 108 Operating Segments prescribed under section 133 of the Companies Act 2013 read with relevant rules issued thereunder, are not applicable.
- 4 Exceptional items in comparative period represent expenses incurred under the organisational restructuring, to achieve higher efficiency, planned for over a period of time and includes shifting of factory lines to other locations and related employees settlement cost, there is a reversal of excess provision during the previous quarter.
- The global pandemic outbreak of COVID-19 has substantially disrupted the economic activities with high uncertainty and intermittent lockdowns during the quarter ended June 30, 2020 with near complete shutdown in April. The business activities started resuming during the month of May and improving further in June. The Government has announced Unlock 1.0 since June 8, 2020 for revival of economy, though business recovery continued to be unpredictable with intermittent location specific periodic lockdowns in several parts of the country thereafter until the date of these results. Therefore, the restoration of normal business conditions are dependent on future state of the pandemic on people and economy and any future directives from the Government. Basis the best estimates of revenue, expenses and assets, as on the date of reporting, the Company does not anticipate any material impact on the recoverability of the carrying value of its assets including trade and other receivables, contract assets, unbilled revenue, inventories, property, plant and equipment and right to use assets. However, considering the unpredictable situation giving rise to inherent uncertainty around the extent and timing of the potential future impact of the COVID-19 pandemic, the impact of COVID-19 on the Company's financial results may differ from that estimated as on the date of approval of these financial results.
- 6 During the quarter, the Company incurred a loss of 295.60 MINR with the total accumulated losses aggregating to 3,882.70 MINR as at June 30, 2020 and its net worth fully eroded and its current liabilities exceeds its current assets by MINR 181.90. Though these factors lead to material uncertainty on Company's assumption to continue on a going concern basis, however management believes that there are sufficient mitigating factors comprising of future cash flow projections, availability of working capital facilities and also the fact that borrowings of the Company are from group company which may be deferred depending upon Company's liquidity position. Basis this, the management believes that the Company is expected to have sufficient cash flows to meet its obligations for next twelve months and does not anticipate that it will not be able to realize its assets and discharge its liabilities in the normal course of business. Accordingly, these results have been prepared on a going concern basis.
- 7 The figures of the quarter ended March 31, 2020 are the balancing figures between audited figures in respect of the full financial year up to March 31, 2020 and the unaudited published year-to-date figures up to December 31, 2019, being the date of the end of the third quarter of the financial year which were subjected to limited review.
- 8 Prior period figures have been reclassified/regrouped wherever necessary, to correspond with those of the current period classification.

- 1. We have reviewed the accompanying statement of unaudited financial results of Schneider Electric Infrastructure Limited (the "Company") for the quarter ended June 30, 2020 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
- 2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. - 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
- 4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

These conditions, along with other matters set forth in Note 6, indicate the existence of a material uncertainty that may cast significant doubt about the Company's ability to continue as a going concern. Our conclusion is not qualified in respect of this matter.

# 6. Emphasis of Matter

We draw attention to Note 5 in the financial results, which describes the management's assessment of the impact of uncertainties related to COVID 19 and its consequential effects on the business operations of the Company. Our conclusion is not modified in respect of this matter.
