- 1. We have reviewed the accompanying Statement of Unaudited Standalone Financial Results of SEL Manufacturing Company Limited (the company) for the quarter ended on September 30, 2021 and year to date from April 01, 2021 to September 30, 2021 ("the Statement") attached herewith, being submitted by the company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with SEBI Circular no. CIR/CFD/FAC/62/2016 dated July 5, 2016.
- 2. This Statement, which is the responsibility of the Company's Management and has been approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (INDAS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued there under and other accounting principles generally accepted in India. - 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
- 4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement of unaudited standalone financial results read with notes thereon, prepared in accordance with the recognition and measurement principles laid down in Ind AS 34, prescribed under Section 133 of the Act, and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including the manner in which it is to be disclosed, or that it contains any material misstatement.

5. Emphasis of Matter

We draw attention to the following matter:

- a. Note No. 2 of the standalone unaudited financial results, the Company has written back provision on allowance for Trade Receivables and Advances to suppliers aggregating to Rs. 22.52 lacs net of amount collected and provision made, in compliance of IND AS-109 for the six months ended on September 30, 2021.
- b. Note No. 5 of the standalone unaudited financial results, as a part of approved Resolution Plan of the Company, which was implemented from 13th March, 2021 (i.e. closing date as defined under the

resolution plan), the non-interest bearing secured loan of Rs. 4,911.23 lakhs shall be repaid to the banks out of the sale proceeds of Identified Assets within six months from the Effective Date. In case, there is any shortfall in envisaged proceeds from the sale of assets, funds to bridge the corresponding shortfall shall be infused by the Resolution Applicant. The Company is in process of selling the Identified Assets. For the sale of the Identified Assets, the Company needs Non-Objection Certificate (NOC) from the banks, which is still pending to issue by the banks. However, the Company is hopeful to receive NOC from the banks within reasonable time and the amount will be repaid subsequently.

Our conclusion is not modified in respects of the matter reported in para (a &b) of Emphasis of matters.

A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

In case, there is any shortfall in envisaged proceeds from the sale of assets, funds to bridge the corresponding shortfall shall be infused by the Resolution Applicant. The Parent Company is in process of selling the Identified Assets. For the sale of the Identified Assets, the Parent Company needs NOC from the banks, which is still pending to issue by the banks. However, the Parent Company is hopeful to receive Non Objection Certificate (NOC) from the banks within reasonable time and the amount will be repaid subsequently

Our conclusion is not modified in respects of the matter reported in para (a & b)of Emphasis of Matters.

Other Matters

We draw attention to the following matter:

We did not review the interim financial results of one subsidiary included in the consolidated financial results whose interim financial results reflect total revenues of Rs. NIL for the quarter & six months ended on 30th September, 2021. The consolidated financial results also include the group's share of net loss of Rs. 0.16 lacs for the month ended on 30th September, 2021.
