Review Report

To The Board of Directors Sharp India Limited Gat no : 686/4, Koregaon Bhima Taluka Shirur, Pune – 412216

- 1) We have reviewed the unaudited financial results of Sharp India Limited (the "Company") for the quarter ended September 30, 2022 and the year to date results for the period April 01, 2022 to September 30, 2022 which are included in the accompanying the Statement of Unaudited Financial Results for the quarter and six months ended September 30, 2022, the Statement of Assets and Liabilities as on that date and the Statement of Cash Flows for the half-year ended on that date (the "Statement"). The Statement has been prepared by the Company pursuant to Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations, 2015"), which has been initialled by us for identification purposes. The Statement is the responsibility of the Company's management and has been approved by the Board of Directors. Our responsibility is to issue a report on the Statement based on our review.
- 2) We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement.
- 3) A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
- 4) We draw your attention to Note 4 to the Statement, regarding the preparation of financial results using the going concern assumption. The Company has ceased business operations during the financial year ended March 31, 2016 and has incurred loss during the current quarter and six months ended September 30, 2022 aggregating to Rs. 393.33 Lakhs and Rs. 768.36 Lakhs respectively. The accumulated losses of the Company aggregate to Rs. 12,137.50. Lakhs as at September 30, 2022. While the holding company has provided a support letter to the Company, the plans for the revival of business operations and the consequent impact on the going concern assumption are not ascertainable at this stage.
- 5) Based on our review conducted as above, except for the effects of the matter described in paragraph 4 above, nothing has come to our attention that causes us to believe that the Statement has not been prepared in all material respects in accordance with the applicable Accounting Standards prescribed under Section 133 of the Companies Act, 2013 and other recognised accounting practices and policies and has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

STATEMENT OF UNAUDITED FINANCIAL RESULTS FOR THE QUARTER AND SIX MONHTS ENDED SEPTEMBER 30, 2022

4) During the quarter and six months ended September 30, 2022, the Company incurred a loss of Rs. 393.33 Lakhs and Rs. 768.36 Lakhs respectively and the accumulated loss as at September 30, 2022 is Rs. 12,137.50 Lakhs. There was no production of LED TVs from April, 2015 (except in August 2015) and of Air Conditioners since June, 2015 in the absence of any orders. The Company continues to receive financial and operational support from Sharp Corporation, Japan, the majority shareholder and holding company.

As at September 30, 2022, the Company has received a support letter from Sharp Corporation, Japan for fmancial and operational support until September 30, 2023. Sharp Corporation, Japan is a group company of Hon Hai/Foxconn Group, one of the world's largest contract electronics manufacturer.

Based on this continued support from the holding company, and the fact that the Company has entered into (i) Basic Services Agreement with Sharp Corporation dated 3rd June 2021; (ii) Service Agreement with Sharp Business Systems (India) Private Limited dated 1st June 2021 for the revival of business operations, the management is of the opinion that the Company will be able to continue as a going concern. Further, the management based on prima facie assessment, is of the opinion that the values of the assets (except freehold land) and liabilities disclosed in the financial statements are close to their fair value and no material impact would possibly be there on financial statements if actual exercise of fair valuation is undertaken.

However, taking into consideration the current economic scenario in India and Japan, the revival of the operations of the Company may take longer than anticipated earlier.

The auditors have qualified their audit report with respect to this matter.

- 5) There was delay in submission of results of company for year quarter and six months ended September 30, 2022 due to delay in filing of results for quarter ended March 31, 2022. The letter stating reason for delay in submission of financial results as per SEBI Circular No. CIR/CFD/CMD-1/142/2018 dated November 19, 2018 was submitted to stock exchange on November 11, 2022. The Company has provided for the applicable penalty in the books of account
- 6) The Indian Parliament has approved the Code on Social Security, 2020 which would impact the contributions by the Company towards Provident Fund and Gratuity. The draft rules for the Code on Social Security, 2020 have been released by the Ministry of Labour and Employment on November 13, 2020. The Company is in the process of assessing the additional impact on Provident Fund contributions and on Gratuity liability contributions and will complete their evaluation and give appropriate impact in the financial statements in the period in which the rules are notified and become effective.

7) Previous period figures have been regrouped/rearranged, wherever considered necessary.
