Dear Sir/ Madam,

As per Regulation 33 of the Listing Regulation the company is required to submit its Quarterly financial result in the format as specified by the SEBI within the prescribed time. However, the company is unable to file its quarterly and yearly results ended March, 31 2023 by the due date i.e 30th May 2023 due to corruption of financial data during the updation of the Accounting Software (notified by Ministry of Corporate Affairs Second Amendment rule 2022)and its failure to generate the results.

While our Information technology and Accounting Team are working to the best of their ability to restore the data , given the limited resource and work environment . The company is already making all the efforts to finalize/approve the financial results and submit it to stock exchange as soon as possible with due Notice.

In view of the extra ordinary circumstances as mentioned above, we request you to take the lenient view in the above matter.

THANKING YOU.
