We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

**Basis of Qualified Conclusions:**

*Attention is invited to following:-*

In view of the accumulated losses, the net worth of the company become negative. Accounts have been prepared, by the management on going concern basis considering the future business plans and expected cash flows. In the event of the same not being held to be a going concern and various assets and liabilities being consequently required to be adjusted with respect to their realizable value, the impact thereof has not been ascertained and therefore cannot be commented upon by us.

The company has provided interest on bank loans at the rate, as provided in Draft Rehabilitation Scheme (DRS) submitted to the operating agency, Bank of Baroda, other than the rates sanctioned by the banks resulting in short provision of interest by Rs. 401 lacs for the quarter ended 30<sup>th</sup> June 2016.

Regarding pending confirmation/ reconciliation of balances of certain receivables, bank balances, payables, secured loans, other liabilities, loan and advances etc. and in absence of full details in this respect, impact is unascertainable and cannot be commented upon by us.
