Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Results* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Auditor's Responsibilities for the Audit of the Consolidated Financial Results:

7. Our objectives are to obtain reasonable assurance about whether the Consolidated financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated financial results.
8. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the Consolidated financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are responsible for expressing our opinion on the whether the Company has adequate internal financial control with reference to financial statements in place and the operating effectiveness of such controls (refer paragraph 11 below).
 - Evaluate the appropriateness of accounting policies used and the

reasonableness of accounting estimates and related disclosures made by the Board of Directors.

- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the Consolidated financial results, including the disclosures, and whether the financial results represent the underlying transactions and events in a manner that achieves fair presentation.
9. We communicate with those charged with governance of the Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. Notes on Segment Information :

- The Company is in the business of Engineering and Product R&D services. The Company's primary reporting segment is geographical as the revenue in non software related areas are not more than 10% of the total revenue.
- Assets and liabilities used in the Company's business are not identified to any of the reportable segments, as these are used interchangeably between segments. Management believes that it is not practicable to provide segment disclosures relating to total assets and liabilities since a meaningful segregation of the available data is onerous.
- The group has identified Engineering Services and manufacturing as a secondary segment

Notes :

Since the company has been acquired during the current year, comparable financial information for the same has not been considered. The Ind AS adjustments of the said company pertaining to Ind AS 116 and Ind AS109, prior to acquisition by ASM Technologies Limited has been considered directly in opening reserves of SEMCON as on November 1, 2020.
- The consolidated financial results relate to ASM Group. The Group consists of ASM Technologies Ltd and its wholly owned overseas subsidiaries and 70% share of partnership in RV Forms and Gears as follows

 - ASM HHV Engineering Private Limited - Jointly controlled entity
- The preparation of financial statements in conformity with Ind AS requires the management to make judgements, estimates and assumptions that affect the application of accounting policies and reported amounts of incomes, expenses and capital employed. Any further adjustments that may be necessary due to fresh evidence/facts and interpretations of MCA/ICAI that may be observed/received at the time of finalization of annual financial statements for the year ended March 31, 2022.
- Impact of COVID-19 on Business:**
The management has considered the possible effects that may result from the Covid-19 pandemic on the carrying value of assets. In developing the assumptions relating to the possible future uncertainties in the economic conditions because of this pandemic, the company, as at the date of approval of these financial results has used internal and external sources of information to assess the expected future performance of the company. The company has internally performed sensitivity analysis on the assumptions used and based on the current estimates, the company expects that the carrying amount of these assets, as reflected in the balance sheet as at March 31, 2022, are fully recoverable as on reporting date. The management has also estimated the future cashflows for the company with the possible effects that may result from the COVID-19 pandemic and does not foresee any adverse impact on its ability to continue as going concern and in meeting its liabilities as and when they fall due. The actual impact of the COVID-19 pandemic may be different from the estimated results and approval of these financial results.

6.
