- 3. We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. We have not performed an audit and accordingly, we do not express an audit opinion.

Review of interim financial information, requires obtaining an understanding of the entity and its environment, including its internal control, relating to the preparation of both annual and interim financial information.

Our understanding of the entity and its environment, including its internal control, the results of the risk assessments relating to the preceding audit and consideration of materiality as it relates to the interim financial information have been impacted due to time constraint.
