## Independent Auditor's Review Report on the Quarterly Unaudited Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

To  
The Board of Directors  
Shree Rajasthan Syntex Limited

1. We have reviewed the accompanying statement of unaudited financial results of Shree Rajasthan Syntex Limited (the "company") for the quarter ended September 30, 2023, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including relevant circulars issued by the SEBI from time to time.
2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under Section 143(10) of the Act, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

### 5. Material Uncertainty Related to Going Concern

We draw attention to the fact that preparation of the financial statements on a going concern basis. The Company has accumulated losses as on September 30, 2023, its current liabilities are substantially higher than current assets and has defaulted in repayment of borrowings. These conditions indicate the existence of a material uncertainty on the Company's ability to continue

as a going concern. The Company's application for Pre-Packaged Scheme u/s 54A read with section 10 of the Insolvency Bankruptcy Code, 2016 has been approved by NCLT, Jaipur wide order dated August 22, 2023. In view of the management's expectation of a successful revival in the coming days, the Statements have been prepared on a going concern basis.

Our conclusion is not modified in respect of this matter.

#### 6. Emphasis of matter

We draw attention to the following matters: -

- a) The company has not made any provision for the amount towards penal interest, penalty, etc. as may be charged by the lenders. Further, In the absence of statements of accounts from banks, the company has recognized interest expense on an estimated basis taking reference of the last sanctioned interest rates charged by the banks.
- b) For the half year ended September 30, 2023, the value in use of Polycot Division being in excess as compared to the carrying value, as estimated by a technical valuer, which is not operating. We are unable to comment upon the achievability of future cash flow projections as well as its impairment provision, if any as per IND AS 36 "Impairment of Assets".

Our conclusion is not modified in respect of the above matter.
