- 5) The Company is undergoing substantial financial stress and severe liquidity constraints since last Financial Year coupled with changed industrial dynamics, time and cost overrun in completion of its projects, reduction in subsidies and incentive benefits with delay in disbursements, Covid related disruptions etc. which has resulted into reduction in capacity utilization of its plants and, therefore, steep fall in sales volume and incurring of losses. The company has defaulted in debt obligation of debentures aggregating to Rs. 466.67 Crores for the period April'19 to June 20 apart from other credit facilities. Further, Company's inability to meet its obligation in relation to the payment of certain letters of credit which led to devolvement and consequent over utilization of the cash credit facilities availed by the Company , delay in payment of certain term loan instalments as well as interest thereof and in view of the same from 12th June,2019 the Company has suffered downgrades in its credit rating from "BWR A-Stable" to "BWR D-Stable". The management of the company has assessed that any provision needs to be recognised on account of the impairment of assets in respect of property , plant and equipment of its Textile Division. The higher of Textile Division assets fair value (less cost of disposal) and its value in use as estimated by the management and is found lower than its carrying amount as per books of accounts of the company and hence the management has recognised impairment loss of Rs. 426.64 crores for quarter ended June 2020. Independent Auditor's Review Report on the Quarterly Unaudited Standalone Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.

**REVIEW REPORT TO
THE BOARD OF DIRECTORS
SINTEX INDUSTRIES LIMITED**

1. We have reviewed the accompanying statement of unaudited standalone financial results of **SINTEX INDUSTRIES LIMITED** (the "Company") for the Quarter ended June 30, 2020 (the "Statement") attached herewith, being submitted by the company pursuant to the requirements of regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended (the "Listing Regulation").
2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the statement is free of material misstatement. A Review of interim financial information consists of making inquiries, primarily of person responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as stated above, nothing has come to our attention that causes us to believe that the accompanying statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

5. Emphasis of Matter Paragraph:

- i. We draw attention to Note 4 of the statement, which state that the Listed Non-Convertible Debentures of the Company aggregating to Rs. 500 Crore outstanding as on 30 June, 2020 are secured by way of first pari-passu charge on the Company's certain properties. Considering the impairment of Textile Division assets, the asset cover thereof is lower than required one hundred twenty five percent of the principal amount of the said debentures and the Company will not be able to comply with same in near future.
- ii. We draw attention to Note 5 of the statement, which states that the company's credit rating has been downgraded, which may substantially impair its ability to raise or generate funds to repay its obligations. As described in said Note, the company's ability to continue as going-concern depends on outcome of various legal cases pending at NCLT under Insolvency and Bankruptcy Code, 2016 and scale up of company's level of operations. All the current developments raise doubt on the ability of the company to continue as going concern and, therefore, it may be unable to realize its asset and discharge its liabilities in the normal course of business. The ability of the company to continue as going concern is depend upon the factors described in the said Note, which are not within the company's control. The management has prepared the statement following going concern basis of accounting based on their assessment of the successful outcome of above referred actions and accordingly, no adjustments have been made to the carrying value of assets and liabilities, which may affect the results shown in the statement except for impairment of assets for Textile Division as mentioned in Note 6.
- iii. We draw attention to Note 6 to the statement with respect to impairment of assets. As describe in the said note, the management has recognised impairment loss of Rs.426.64 crores during the quarter under review. The management has considered information available to them as the basis of valuation for all the Property, Plant and Equipment. The actual impact may be different from that considered in assessing the recoverable amount of these Property, Plant and Equipment in present situation. This estimate and judgment of the management being inherently subjective and technical as well as considering the facts of the case, we have relied upon the management representation.
- iv. We draw attention to Note 8 to the statement with respect to insurance claim receivable of Rs 24.77 Crores lodged in the earlier years which are outstanding as on 30th June, 2020 for settlement of which management of the company is hopeful.

- v. We draw attention to Note 9 to the statement with respect to realization of subsidies aggregating to Rs 210.96 Crores. As per the information and explanations furnished to us, the management is taking necessary actions for realization of these subsidies and as stated in the said Note, the management is hopeful of receipt of this amount.
- vi. We draw attention to Note 11 to the standalone financial statement, with respect to assessment of the recoverability of certain assets, the management has considered internal and external information upto the date of this report in respect of the current and estimated future global including Indian economic indicators consequent to the global health pandemic of Covid 19. The actual impact of the pandemic may be different from that considered in assessing the recoverability of these assets.

Our conclusion is not modified in respect of above matters.

7. Emphasis of Matter:

- i. We draw attention to Note 4 of the statement, which state that the Listed Non-Convertible Debentures of the Company aggregating to Rs. 500 Crore outstanding as on 30 June, 2020 are secured by way of first pari-passu charge on the Company's certain properties. Considering the impairment of Textile Division assets, the asset cover thereof is lower than required one hundred twenty five percent of the principal amount of the said debentures and the Company will not be able to comply with same in near future.
- ii. We draw attention to Note 5 of the statement, which states that the parent's credit rating has been downgraded, which may substantially impair its ability to raise or generate funds to repay its

obligations. As described in said Note, the company's ability to continue as going-concern depends on outcome of various legal cases pending at NCLT under Insolvency and Bankruptcy Code, 2016 and scale up of company's level of operations. All the current developments raise doubt on the ability of the company to continue as going concern and, therefore, it may be unable to realize its asset and discharge its liabilities in the normal course of business. The ability of the company to continue as going concern is depend upon the factors described in the said Note, which are not within the company's control. The management has prepared the statement following going concern basis of accounting based on their assessment of the successful outcome of above referred actions and accordingly, no adjustments have been made to the carrying value of assets and liabilities, which may affect the results shown in the statement except for impairment of assets for Textile Division as mentioned in Note 6.

- iii. We draw attention to Note 6 to the statement with respect to impairment of assets. As describe in the said note, the management has recognised impairment loss of Rs.426.64 crores during the quarter under review. The management has considered information available to them as the basis of valuation for all the Property, Plant and Equipment. The actual impact may be different from that considered in assessing the recoverable amount of these Property, Plant and Equipment in present situation. This estimate and judgment of the management being inherently subjective and technical as well as considering the facts of the case, we have relied upon the management representation.
- iv. We draw attention to Note 8 to the statement with respect to insurance claim receivable of Rs 24.77 Crores lodged in the earlier years which are outstanding as on 30th June, 2020 for settlement of which management of the company is hopeful.
- v. We draw attention to Note 9 to the statement with respect to realization of subsidies aggregating to Rs 210.96 Crores. As per the information and explanations furnished to us, the management is taking necessary actions for realization of these subsidies and as stated in the said Note, the management is hopeful of receipt of this amount.

- vi. We draw attention to Note no. 10 to the consolidated financial statement, with respect to appropriation of funds by HDFC Bank & RBL Bank amounting to Rs. 37.69 Crores & Rs. 21.00 Crores from the funds lying in current account of BVM Overseas Limited with the respective banks against the default in servicing various credit facilities by group companies. As informed, company is in process of taking up the matter with respective banks for recovery of the same. Hence amount of Rs. 58.69 Crores has been disclosed as receivable from respective banks in the financial statement.
- vii. We draw attention to Note no. 13 to the consolidated financial statement, with respect to assessment of the recoverability of certain assets, the management has considered internal and external information upto the date of this report in respect of the current and estimated future global including Indian economic indicators consequent to the global health pandemic of Covid 19. The actual impact of the pandemic may be different from that considered in assessing the recoverability of these assets.

Our conclusion is not modified in respect of above matters.
