Notes

- 1 The above Statement of Unaudited Standalone Financial Results for the quarter ended 30 June 2020, were reviewed by the Audit Committee and approved by the Board of Directors at their meeting held on 4 August 2020. The said results along with the limited review report of the Statutory auditors are available on the Bombay Stock Exchange ('BSE') website (URL:www.bscindia.com), the National Stock Exchange ('NSE') website (URL:www.useindia.com) and on the Company's website (URL:www.jtekt.co.in).
- 2 The figures of the quarter ended 31 March 2020 as reported in the Statement, are the balancing figures between the audited figures in respect of full financial year and the unaudited published figures up to the third quarter ended 31 December of previous year.
- 3 The Board at its meeting held on 22 June 2020 considered and recommended a final dividend @ 35% i.e. Rs. 0.35 per equity share of Rs. 1.00 each for the financial year 2019- 20 and the same is subject to approval by the Share holder at their Annual General Meeting to be held on 23 September 2020.
- 4 The Company's business activity falls within a single primary business segment viz. "Automotive components". The operating segment has been defined based on regular review by the Company's Chief Operating Decision Maker to assess the performance of the Company and to make decision about allocation of resources.
- On account of the spread of COVID-19, the Government of India had imposed a complete nation-wide lockdown on 25 March 2020 leading to shut down of the Company's manufacturing facilities and logistics operations. Since then the government of India has progressively relaxed lockdown conditions and has allowed most of the industries and businesses to resome operations in a phased manner. During the quarter, the Company has resumed its manufacturing facilities and is currently in the process of further scaling up its operations. Further, since the lockdown was still in force for a significant period of the reported quarter, the Company's operations were impacted however, management believes that the impact seems to be temporary in nature and the pandemic is not likely to have an impact on the recoverability of the carrying value of its assets as at 30 June 2020. The management is continuously and closely monitoring the developments and possible effects that may result from the current pandemic on its financial condition, liquidity and operations and is actively working to minimize the impact of this unprecedented situation. As the situation is still continuously evolving, the eventual impact may be different from the estimates made as of the date of approval of these financial results.

Board of Directors of

JTEKT India Limited (formerly knowns as 'Sona Koyo Steering Systems Limited')

- We have reviewed the accompanying Statement of unaudited standalone financial results of JTEKT India Limited (formerly knowns as 'Sona Koyo Steering Systems Limited') for the quarter ended 30 June 2020 ("the Statement").
- 2. This Statement, which is the responsibility of the Company's management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. Our responsibility is to issue a report on the Statement based on our review.
- 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
- 4. Attention is drawn to the fact that the figures for the 3 months ended 31 March 2020 as reported in these financial results are the balancing figures between audited figures in respect of the full previous financial year and the published year to date figures up to the third quarter of the previous financial year. The figures up to the end of the third quarter of previous financial year had only been reviewed and not subjected to audit.
- 5. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with applicable accounting standards and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.
