3. Material Uncertainty Related to Going Concern

- a) We draw attention to Note no.5 of the Standalone unaudited financial results, which indicates that the Company's net worth has been eroded as on June 30, 2019. As per SA 570, These events or conditions, along with other matters indicate that a material uncertainty exists that may cast significant doubt on the company's ability to continue as a going concern. Majority of Indian lenders have categorized borrowings of the company as Non- Performing Asset(NPA) and have sent recall notices u/s 132(2) of Securitization and Reconstruction of Financial Assets and Enforcement of security Interest Act(SARFAESI),2002 to the Company and some of the lenders have filled application for recovery of its dues before Debt Recovery Tribunal(DRT). In Case the going concern concept is vitiated, necessary adjustment will be required in Carrying amount of assets and liabilities which are not ascertainable. Loan from State Bank of India and Indian bank has been assigned to Asset Reconstruction Company Private Limited under the Securitization and Reconstruction of Financial Assets and Enforcement of Security Interest (SARFESI) Act,2002. However, the financial result of the Company has been prepared on the basis of the reasons stated in the above notes.
- b) The Company has not charged to Statement of Profit and loss account, an interest expense of Rs.1,388.57 lakhs for the current quarter and Rs.20,647.88 lakhs upto March 31, 2019 respectively and related penal interest and other charges if any in respect of delay in repayment of borrowings from banks. Therefore, we are unable to comment on the adequacy of interest and other charges provided for in the statement of Profit & Loss. Refer Note no. 9 to the standalone unaudited financial results for the quarter and year ended June 30, 2019.

We Further that, without considering the Impact of paragraph (a) above the effect of which, could not be determined and had the observation made by us in paragraph (b) is considered, the loss before tax for the quarter ended June 30, 2019, would have been Rs. 2841.55 Lakhs as against the reported figure of Rs. 1452.98 lakhs.

5. Based on our review conducted as above subject to the adjustments that may be required to the financial results in view of our remarks stated in paragraphs 3 and 4 above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited Standalone Financial Results, prepared in accordance with the applicable Accounting standards and other recognized accounting practices and policies, has not disclosed the information required to be disclosed in terms of Regulations 33 of SEBI (Listing obligations and Disclosure Requirements) Regulations, 2015 as modified by Circular No. CIR/CFD/CMD1/44/2019 dated March 29, 2019, including the manner in which it is to be disclosed or that it contains any material misstatement.
