Independent Auditor's Review report on unaudited Quarterly and Year to date financial results of Spice Islands Apparels Limited pursuant to the Regulations 33 of SEBI (Listing obligations and Disclosures Requirements) Regulations, 2015, as amended ("Listing Regulations")

To the Board of Directors of Spice Islands Apparels Limited

We have reviewed the accompanying statement of unaudited financial results of Spice Islands Apparels Limited ("the Company") for the quarter ended 30th September, 2021 ("the statement") and year to date results for the period from 1st April, 2021 to 30th September, 2021 attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligation and Disclosure Requirement) Regulation, 2015, as amended.

This statement, which is the responsibility of the Company's Management and which has been approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued there under and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. Our responsibility is to issue a report on the statement based on our review.

We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information performed by the Independent auditor of the Entity" issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A Review is substantially less in scope than an audit conducted in accordance with Standards of Auditing and consequently does not enable us to obtain assurance that we have become aware of all significant matters that may be identified in an audit. Accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that caused us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the applicable Indian Accounting Standards ("Ind AS") specified under Section 133 of the Companies Act, 2013, read with relevant rules issued there under and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and disclosure Requirements) Regulations 2015, read with SEBI Circular No. CIR/CFD/FAC/62/2016 dated 5th July 2016, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Material Uncertainty Related to Going Concern

The Company's capital deficiency further increased as at September, 2021 because of its continuing net losses from operations. As at 30th September, 2021, its net worth is negative amounting to Rs 14.88 lacs. These conditions indicate the existence of a material uncertainty that may cast significant doubt on the Company's ability to continue as a going concern. However management has represented to us that they are exploring the possibility of market expansion and confident of eventually generate profit. Considering all efforts undertaken and further efforts in pipeline, the management is firm about the recoverability of the losses and earning profits in the subsequent years. Accordingly, the accompanying Company's Financial Statements have been prepared assuming that the Company will continue as a going concern which contemplates the realization of assets and settlement of liabilities in the normal course of business. Our opinion is not modified in respect of this matter.
