INDEPENDENT AUDITOR'S REPORT

TO THE BOARD OF DIRECTORS OF TAMILNADU PETROPRODUCTS LIMITED.

Report on the Audit of The Standalone Financial Results

Opinion

We have audited the accompanying standalone quarterly financial results of Tamilnadu Petroproducts Limited (the "Company") for the quarter ended 31st March 2020 and the year to date results for the period from 01st April 2019 to 31st March 2020 attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015; as amended ("Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us these standalone financial results:

- i. are presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and
- ii. give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable accounting standards and other accounting principles generally accepted in India of the net profit and other comprehensive income and other financial information for the quarter ended 31st March 2020 as well as the year to date results for the year ended 31st March 2020.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 (the Act). Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Results* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial results under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to Note no 7 of the standalone financial results wherein the Company has disclosed the impact of COVID-19 pandemic on its current and future financial results. Considering the uncertainties involved in the future economic scenario which is based on various external factors outside the control of the Company, the management's assumptions and estimates on operational and financial performance of the company would largely depend on future developments as they emerge as stated in the said note. Our opinion is not modified in respect of this matter.

Management's Responsibilities for the Standalone Financial Results

These quarterly financial results as well as the year to date standalone financial results have been prepared on the basis of standalone financial statements. The Company's Board of Directors are responsible for the preparation of these financial results that give a true and fair view of the net profit and other comprehensive income and other financial information in accordance with the recognition and measurement principles laid down in Indian Accounting Standard prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial results, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the standalone financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess risks of material misstatement of the standalone financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of
- expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the standalone financial results, including the disclosures, and whether the standalone financial results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

1. The Statement includes the results for the quarter ended March 31, 2020, being the balancing figure between the audited figures for in respect of the full financial year ended March 31, 2020 and the published unaudited year-to-date figures up to third quarter of the current financial year, which were subjected to a limited review by us, as required under the Listing Regulations.
2. Due to prevailing lockdown conditions and travel restrictions due to COVID-19, we were unable to participate in the physical verification of Cash and Inventory as at 31st March 2020. Consequently, we have adopted alternative audit procedures as per the guidance note issued by the ICAI on physical inventory verification – key audit considerations amid COVID-19 and SA 501- Audit Evidence – Specific Considerations for selected items and have obtained sufficient and appropriate audit evidence to issue our unmodified audit opinion in respect of the above on these financial statements.

Our opinion is not modified in respect of the above matters.

Notes to the Audited Standalone Financial Results:

- 1 The above financial results were reviewed and recommended by the Audit Committee and approved by the Board of Directors at their meeting held on 15th June 2020 and have been subjected to Audit by the Statutory Auditors of the Company. The above results have been prepared in accordance with the Indian Accounting Standards - (Ind AS) as prescribed under Section 133 of the Companies Act 2013, read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.
- 2 The Chief Operating Decision Maker (CODM) has considered manufacturing of Industrial Intermediate Chemicals as the single operating segment as defined in Ind AS 108- Operating Segments.
- 3 Effective April 1, 2019 the Company adopted Ind AS 116- "Leases" using modified retrospective method, which on initial application resulted in recognition of Right of Use Assets(ROU) of Rs 1.18 crores and a corresponding lease liability. The effect of this adoption is not significant to the profit for the period and earning per share.
- 4 The Company elected to exercise the option permitted under Section 115BAA of the Income Tax Act, 1961 as introduced by the Taxation Laws (Amendment) Ordinance, 2019. Accordingly, the Company has recognised the provision for Income Tax for the year ended 31st March, 2020 and re-measured its Deferred Tax Assets basis the rate prescribed in the said section. The impact of this change has been recognized in the Statement of Profit & Loss for the year ended 31st March, 2020.
- 5 The Linear Alkyl Benzene Plant shutdown for turnaround maintenance was taken up between 7th February, 2020 and 17th March, 2020.
- 6 Normal Paraffin revamp project increasing the annual production capacity from 70,000 MT to 90,000 MT was commissioned and put to use on 12th March, 2020.
- 7 In view of the Government of India's Order under the Disaster Management Act, 2005 to implement complete lock down in all parts of India with effect from 25th March 2020 to contain spread of COVID-19 virus, the operations of the plants were shut down. This has impacted the normal business operations of the Company by way of interruption in production, supply chain disruption, unavailability of personnel, closure/lock down of production facilities, sales and profitability. The operations of the Units restarted in phases from 2nd week of April 2020, duly following the Government guidelines. Though the sale of LAB being input for surfactant/disinfectant products was not materially impacted, the demand for caustic and Propylene Oxide off-take have been significantly lower due to the end-use industries remaining shutdown for longer periods. The demand for these products are yet to recuperate fully and it is not certain how long the situation would continue.

The Company has considered the impact that may arise from the pandemic situation on the carrying amount of its assets including inventory and receivables as at the date of the year. Based on the current assessment it is expected that the net carrying amount of the said assets will be recovered. As at the date of approval of these results, it is not possible to reliably estimate the future financial effect of the situation on the Company's operations as normalcy is yet to return. The impact assessment is a continuing process given the uncertainties associated with nature and duration of the current situation. The eventual impact may differ from what has been assessed by the Management as at the date of approval of these financial results. The Company will continue to closely monitor any material changes in future economic conditions and take appropriate actions as may be required.

The Auditors have included an Emphasis of Matter para in their report on the financials regarding the same.
- 8 The figures of the current quarter and the quarter ended March 31, 2019 are the balancing figures between audited figures of the full financial year ended March 31, 2020 and March 31, 2019, respectively and published year to date figure upto third quarter ended December 31, 2019 and December 31, 2018 respectively.
- 9 The Board of Directors have recommended a dividend of INR.1.50 per share (15%) on 8,99,71,474 equity shares of Rs.10/- each for the Financial Year 2019-20 subject to approval of Members at the Annual General Meeting.
- 10 Previous year figures have been re-grouped / re-classified, where necessary to make it comparable with the current period.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 (the Act). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Results section of our report. We are independent of the Group, in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us and the other auditors in terms of their reports referred to in "Other Matter" paragraph below, is sufficient and appropriate to provide a basis for our opinion on these consolidated financial results.

Emphasis of Matter

We draw attention to Note.no.7 in the consolidated financial results wherein the Group has disclosed the impact of COVID-19 pandemic on its current and future financial results. Considering the uncertainties involved in the future economic scenario which is based on various external factors outside the control of the company, the management's assumptions and estimates on operational and financial performance of the Group would largely depend on future developments as they emerge as stated in the said note.

Our opinion on the consolidated financial statement is not modified in respect of this matter.

Management's Responsibilities for the Consolidated Financial Results

These quarterly financial results as well as the year to date consolidated financial results have been prepared on the basis of the consolidated financial statements.

The Holding Company's Board of Directors are responsible for the preparation and presentation of these consolidated financial results that give a true and fair view of the net profit and other comprehensive income and other financial information of the Group in accordance with the recognition and measurement principles laid down in Indian Accounting Standard prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial results by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial results, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of their entity in the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Results

Our objectives are to obtain reasonable assurance about whether the consolidated financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess risks of material misstatement of the consolidated financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

- Evaluate the overall presentation, structure, and content of the consolidated financial results, including the disclosures, and whether the consolidated financial results represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial results/financial information of the entities within the Group to express an opinion on the consolidated Financial Results. We are responsible for the direction, supervision, and performance of the audit of financial information of such entities included in the consolidated financial results of which we are the independent auditors. For the other entities included in the consolidated Financial Results, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial results of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33(8) of the Listing Regulations, as amended, to the extent applicable.

Other Matters

1. Due to prevailing lockdown conditions and travel restrictions due to COVID-19, we were unable to participate in the physical verification of Cash and Inventory as at 31st March 2020 of the Holding Company. Consequently, we have adopted alternative audit procedures as per the guidance note issued by the ICAI on physical Inventory verification – Key audit consideration amid COVID-19 and SA 501- Audit evidence – Specific Considerations for selected items and have obtained sufficient and appropriate audit evidence to issue our unmodified audit opinion in respect of the above on the consolidated financial statements. Our opinion is not modified in respect of this matter.
2. The consolidated financial results include the audited financial results of 3 (including two step-down subsidiaries) subsidiaries listed above, whose financial statements reflect Group's share of total assets of Rs. 12752.57 lakhs as at 31st March 2020, Group's share of total revenue of Rs. 539.54 lakhs and Rs.872.80 lakhs and Group's share of total net profit after tax of Rs. 526.82 lakhs and Rs. 820.23 lakhs for the quarter ended 31st March 2020 and for the period from 1st April 2019 to 31st March 2020 respectively, as considered in the consolidated Financial Results, which have been audited by their respective independent auditors. The independent auditors' reports on financial statements of these entities have been furnished to us and our opinion on the consolidated Financial Results, in so far as it relates to the amounts and disclosures included in respect of these entities, is based solely on the report of such auditors and the procedures performed by us are as stated in paragraph above.

3. The statement includes the results for the quarter ended 31st March 2020 being the balancing figures between the audited figures in respect of the full financial year and the published unaudited year to date figures up to the third quarter of the current financial year which were subject to limited review by us.

Our opinion on the consolidated Financial Results is not modified in respect of the above matters, including with respect to our reliance on the work done and the reports of the other auditors.

Notes to the Audited Consolidated Financial Results:

- 1 The above financial results were reviewed and recommended by the Audit Committee and approved by the Board of Directors at their meeting held on 15th June 2020 and have been subjected to Audit by the Statutory Auditors of the Company. The above results have been prepared in accordance with the Indian Accounting Standards - (Ind AS) as prescribed under Section 133 of the Companies Act 2013, read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.
- 2 The Chief Operating Decision Maker (CODM) has considered manufacturing of Industrial Intermediate Chemicals as the single operating segment as defined in Ind AS 108- Operating Segments.
- 3 Effective April 1, 2019 the Company adopted Ind AS 116- "Leases" using modified retrospective method, which on initial application resulted in recognition of Right of Use Assets(ROU) of Rs 1.18 crores and a corresponding lease liability. The effect of this adoption is not significant to the profit for the period and earning per share.
- 4 The Company elected to exercise the option permitted under Section 115BAA of the Income Tax Act, 1961 as introduced by the Taxation Laws (Amendment) Ordinance, 2019. Accordingly, the Company has recognised the provision for Income Tax for the year ended 31st March, 2020 and re-measured its Deferred Tax Assets basis the rate prescribed in the said section. The impact of this change has been recognized in the Statement of Profit & Loss for the year ended 31st March, 2020.
- 5 The Linear Alkyl Benzene Plant shutdown for turnaround maintenance was taken up between 7th February, 2020 and 17th March, 2020.
- 6 Normal Paraffin revamp project increasing the annual production capacity from 70,000 MT to 90,000 MT was commissioned and put to use on 12th March, 2020.
- 7 In view of the Government of India's Order under the Disaster Management Act, 2005 to implement complete lock down in all parts of India with effect from 25th March 2020 to contain spread of COVID-19 virus, the operations of the plants were shut down. This has impacted the normal business operations of the Company by way of interruption in production, supply chain disruption, unavailability of personnel, closure/lock down of production facilities, sales and profitability. The operations of the Units restarted in phases from 2nd week of April 2020, duly following the Government guidelines. Though the sale of LAB being input for surfactant/disinfectant products was not materially impacted, the demand for caustic and Propylene Oxide off-take have been significantly lower due to the end-use industries remaining shutdown for longer periods. The demand for these products are yet to recuperate fully and it is not certain how long the situation would continue.

The Company has considered the impact that may arise from the pandemic situation on the carrying amount of its assets including inventory and receivables as at the date of the year. Based on the current assessment it is expected that the net carrying amount of the said assets will be recovered. As at the date of approval of these results, it is not possible to reliably estimate the future financial effect of the situation on the Company's operations as normalcy is yet to return. The impact assessment is a continuing process given the uncertainties associated with nature and duration of the current situation. The eventual impact may differ from what has been assessed by the Management as at the date of approval of these financial results. The Company will continue to closely monitor any material changes in future economic conditions and take appropriate actions as may be required

The Auditors have included an Emphasis of Matter para in their report on the financials regarding the same.
- 8 The figures of the current quarter and the quarter ended March 31, 2019 are the balancing figures between audited figures of the full financial year ended March 31, 2020 and March 31, 2019, respectively and published year to date figure upto third quarter ended December 31, 2019 and December 31, 2018 respectively.
- 9 The Board of Directors have recommended a dividend of INR.1.50 per share (15%) on 8,99,71,474 equity shares of Rs.10/- each for the Financial Year 2019-20 subject to approval of Members at the Annual General Meeting.
- 10 Previous year figures have been re-grouped / re-classified, where necessary to make it comparable with the current period.

Leadership Comment:

Mr. Ashwin Muthiah, Vice Chairman – TPL & Founder Chairman, AM International, Singapore

"Business performance is getting redefined in a post-COVID19 world. In such uncertain times, the TPL team has ensured the safety and health of our workforce and continued to serve the customers in the best possible manner. We were able to overcome the pandemic challenges with minimum disruption. However, it has impacted our business performance. I am confident of getting back to normal operations and improve our performance in the future."
