Management's Responsibilities for the Standalone Financial Results

4. These results have been prepared on the basis of the interim financial statements. The Company's Board of Directors are responsible for the preparation of these financial results that give a true and fair view of the net profit and other comprehensive income and other financial information in accordance with the recognition and measurement principles laid down in Indian Accounting Standard (Ind AS) 34, 'Interim Financial Reporting' prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the results that give a true and fair view and are free from material misstatement, whether due to fraud or error.
5. In preparing the results, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
6. The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Results

7. Our objectives are to obtain reasonable assurance about whether the results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these results.
8. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the standalone financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.

Price Waterhouse & Co Chartered Accountants LLP

- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the results, including the disclosures, and whether the financial results represent the underlying transactions and events in a manner that achieves fair presentation.
9. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
10. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Notes :

- (1) The name of the Company has been changed from Tata Sponge Iron Limited to Tata Steel Long Products Limited ('TSLPL' or 'the Company') with effect from August 20, 2019.
- (2) (a) In the month of November 2012, Ministry of Coal ('MoC') issued notices to the Company for invocation of bank guarantee of Rs. 32.50 crores submitted towards performance of conditions for allocation of Radhikapur (East) coal block against which the Company had filed a writ petition in the Hon'ble High Court of Delhi, which directed the Company to keep the bank guarantee valid till November 30, 2015 by which date the MoC was directed to take decision. The bank guarantee expired after November 30, 2015 and had not been renewed, since no communication had been received from MoC. Subsequently, MoC issued a notice dated December 28, 2015, stating that the bank guarantee be invoked and the aforesaid amount be deposited. Consequent to MoC's notice, the Company moved to the Hon'ble High Court of Delhi. The Hon'ble High Court of Delhi vide its Order dated May 27, 2020 remanded the matter to MoC to consider afresh on the aspect whether the delay in achieving the milestones was attributable to the Company. Further, the Company was required to furnish a bank guarantee and the Hon'ble High Court also directed the MoC to render a final decision within six months from September 2, 2020. Pursuant to Hon'ble High Court of Delhi directive, the Company has submitted the bank guarantee amounting to Rs. 32.50 crores on October 22, 2020. The MoC has issued a notice to the Company seeking details including the reasons for delay in achievement of the performance of conditions and the agencies responsible, to which the Company has responded. Pending finalisation of the matter, the amount continues to be treated as a contingent liability.
- (b) (i) During pendency of the aforesaid matters in Hon'ble High Court of Delhi, the Hon'ble Supreme Court of India vide its order dated September 24, 2014 had cancelled allocation of 214 coal blocks including the Radhikapur (East) Coal Block which was allotted to the Company on February 7, 2006. The amount incurred on the Radhikapur (East) Coal Block upto December 31, 2020 aggregates to Rs. 180.41 crores, (September 30, 2020 : Rs. 180.41 crores, March 31, 2020 : Rs. 180.41 crores, December 30, 2019 : Rs. 180.41 crores), and the carrying amount in the books net of depreciation and write off as at December 31, 2020 is Rs. 178.84 crores (September 30, 2020 is Rs. 178.87 crores, March 31, 2020 is Rs. 178.93 crores, December 31, 2019 is Rs. 178.96 crores).
- (ii) Pursuant to the judgment of Hon'ble Supreme Court of India, the Government of India had promulgated Coal Mines (Special Provision) Rules, 2014 ("Rules") for allocation of the coal mines through auction and matters related thereto. In terms of the said Rules, the successful bidder will be called upon to pay to the prior allottee the expenses incurred by the prior allottee towards land and mine infrastructure. Pursuant to the judgement dated March 9, 2017 of the Hon'ble High Court of Delhi in W.P (c) 973/2015, the directives of MoC vide its letter dated February 1, 2018 and as per details prescribed by Nominated Authority, the Company had furnished the required statement of expenses and other details in the prescribed format on February 22, 2018. As part of 11th tranche of auction under The Coal Mines Act 2015, the MoC has carried out an auction of the coal block in November 2020 and EMIL Mines and Mineral Resources Limited has been declared as the successful bidder by the nominated authority on December 24, 2020. Relying on the legal position and legal opinion obtained by the Company in respect of the recoverability of the amount, no provision is considered necessary.
- (3) The Company acquired the steel business from Usha Martin Limited on April 9, 2019, and the related iron ore and coal mines on July 3, 2019, under a going concern and on slump sale basis on compliance with the relevant conditions/precedents specified in the Business Transfer Agreement. Accordingly, the results for the nine months ended December 31, 2020 are not comparable with corresponding results of the previous period.
- (4) (a) Acquisition related expenditure represents expenses incurred on stamp duty and registration fees for a portion of land parcels and mines acquired as part of the acquisition, as stated in Note 3 above, aggregating to Rs. 27.42 crores during the year ended March 31, 2020.
- (b) The acquisition referred to in Note 3 above included a coal block with a performance obligation by way of a bank guarantee to the Nominated Authority, Ministry of Coal, towards development of the said coal block. Post acquisition, the Company assessed the social and environmental challenges for the development of the coal block and came to the view that the performance obligations of developing the coal block looked challenging to fulfill. Accordingly, the Company, as a matter of prudence, had taken provision related to the aforesaid bank guarantee during the year ended March 31, 2020. Subsequently, the Company made an application to MoC seeking cancellation of the vesting of the coal block. Pursuant to such application, on November 11, 2020, the Company received a letter from MoC confirming cancellation of the vesting rights of the coal block and directed State Bank of India for the encashment of aforesaid bank guarantee associated with the performance obligation. Accordingly, the Company has made a payment of Rs. 133.72 crores on December 2, 2020. With the aforesaid provision already recorded during the year ended March 31, 2020, there is no further financial impact expected by the Company.
- (5) On account of the Covid 19 outbreak globally and in India, the Company had on April 1, 2020 made a disclosure in terms of Regulation 30 of SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015
- The Company is in the business of manufacturing steel / steel products, which support activities that are fundamental to the Indian economy. The Government imposed nation-wide lock down / restrictions due to the Covid-19 pandemic had impacted the Company's production, sales and other operations and the Company is gradually returning to normalcy. Considering the current internal and external factors, the Company has made detailed assessment of its liquidity position / cash flows for the next one year and carrying amounts / values of Property, Plant and Equipment, Intangible assets (including goodwill), Right of use of assets, trade receivables, inventories, investments and other assets as at December 31, 2020, and has concluded that there are no material adjustments required in the standalone financial results.
- (6) The Company had issued fully paid equity shares on rights basis in July, 2019. Post issue, the equity shareholding of the Parent Company, Tata Steel Limited, had increased from 54.50% to 75.91%. As a consequence, the public shareholding fell below the requirement of minimum public shareholding of 25% under the provisions of Securities Contracts (Regulation) Rules, 1957 and Securities and Exchange Board of India (Listing obligations and disclosure requirements) Regulations, 2015. The Company was permitted by SEBI to comply with minimum public shareholding requirement by July 23, 2020, which was subsequently extended till August 31, 2020 pursuant to the general relaxations provided by SEBI in Circular SEBI/HO/CFD/CMD/ICIR/P/2020/81 dated May 14, 2020. Tata Steel Limited has completed open market sale of 451,000 equity shares during the period November 23, 2020 through November 27, 2020, pursuant to which Tata Steel Limited's holding has come down to 74.91% in the Company and the Company adhered to the aforesaid minimum public shareholding requirement.

the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us, is sufficient and appropriate to provide a basis for our opinion.

Management's Responsibilities for the Consolidated Financial Results

4. These quarterly financial results as well as the year to date consolidated financial results have been prepared on the basis of the interim financial statements. The Holding Company's Board of Directors are responsible for the preparation and presentation of these consolidated financial results that give a true and fair view of the net profit and other comprehensive income and other financial information of the Group in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, 'Interim Financial Reporting' prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. Auditor's Responsibilities for the Audit of the Consolidated Financial Results

7. Our objectives are to obtain reasonable assurance about whether the consolidated financial results as a whole are free from material misstatement, whether due to fraud or error, and issue an auditor's report that includes our opinion. Reasonable assurance is a high level assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial results.

Price Waterhouse & Co Chartered Accountants LLP

8. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
- Identify and assess the risks of material misstatement of the consolidated financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.

Notes :

- (1) The name of the company has been changed from Tata Sponge Iron Limited to Tata Steel Long Products Limited with effect from August 20, 2019.
- (2) Consolidated financial results include the results for Tata Steel Long Products Limited ("TSPL" or "the Holding Company") and its wholly owned subsidiary TSIL Energy Limited. The Holding Company and its subsidiary form the "Group".
- (3) (a) In the month of November 2012, Ministry of Coal ("MoC") issued notices to the Holding Company for invocation of bank guarantee of Rs. 32.50 crores submitted towards performance of conditions for allocation of Radhikapur (East) coal block against which the Holding Company had filed a writ petition in the Hon'ble High Court of Delhi, which directed the Holding Company to keep the bank guarantee valid till November 30, 2015 by which date the MoC was directed to take decision. The bank guarantee expired after November 30, 2015 and had not been renewed, since no communication had been received from MoC. Subsequently, MoC issued a notice dated December 28, 2015, stating that the bank guarantee be invoked and the aforesaid amount be deposited. Consequent to MoC's notice, the Holding Company moved to the Hon'ble High Court of Delhi. The Hon'ble High Court of Delhi vide its Order dated May 27, 2020 remanded the matter to MoC to consider afresh on the aspect whether the delay in achieving the milestones was attributable to the Holding Company. Further, the Holding Company was required to furnish a bank guarantee and the Hon'ble High Court has also directed the MoC to render a final decision within six months from September 2, 2020. Pursuant to Hon'ble High Court of Delhi directive, the Holding Company has submitted the bank guarantee amounting to Rs. 32.50 crores on October 22, 2020. The MoC has issued a notice to the Holding Company seeking details including the reason for delay in achievement of the performance of conditions and the agencies responsible, to which the Holding Company has responded. Pending finalisation of the matter, the amount continues to be treated as a contingent liability.
- (b) (i) During pendency of the aforesaid matters in Hon'ble High Court of Delhi, the Hon'ble Supreme Court of India vide its order dated September 24, 2014 had cancelled allocation of 214 coal blocks including the Radhikapur (East) Coal Block which was allotted to the Holding Company on February 7, 2006. The amount incurred on the Radhikapur (East) Coal Block upto December 31, 2020 aggregates to Rs. 180.41 crores, (September 30, 2020 : Rs. 180.41 crores, March 31, 2020 : Rs. 180.41 crores, December 30, 2019 : Rs. 180.41 crores), and the carrying amount in the books net of depreciation and write off as at December 31, 2020 is Rs. 178.84 crores (September 30, 2020 is Rs. 178.87 crores, March 31, 2020 is Rs. 178.93 crores, December 31, 2019 is Rs. 178.96 crores).
- (ii) Pursuant to the judgment of Hon'ble Supreme Court of India, the Government of India had promulgated Coal Mines (Special Provision) Rules, 2014 ("Rules") for allocation of the coal mines through auction and matters related thereto. In terms of the said Rules, the successful bidder will be called upon to pay to the prior allottee the expenses incurred by the prior allottee towards land and mine infrastructure. Pursuant to the judgement dated March 9, 2017 of the Hon'ble High Court of Delhi in W.P (c) 973/2015, the directives of MoC vide its letter dated February 1, 2018 and as per details prescribed by Nominated Authority, the Holding Company had furnished the required statement of expenses and other details in the prescribed format on February 22, 2018. As part of 11th tranche of auction under The Coal Mines Act 2015, the MoC has carried out an auction of the coal block in November 2020 and EMIL Mines and Mineral Resources Limited has been declared as the successful bidder by the nominated authority on December 24, 2020. Relying on the legal position and legal opinion obtained by the Holding Company in respect of the recoverability of the amount, no provision is considered necessary.
- (4) The Holding Company acquired the steel business from Usha Martin Limited on April 5, 2019, and the related iron ore and coal mines on July 3, 2019, under a going concern and on slump sale basis on compliance with the relevant conditions/precedents specified in the Business Transfer Agreement. Accordingly, the results for the nine months ended December 31, 2020 are not comparable with corresponding results of the previous period.
- (5) (a) Acquisition related expenditure represents expenses incurred on stamp duty and registration fees for a portion of land parcels and mines acquired as part of the acquisition, as stated in Note 4 above, aggregating to Rs. 27.42 crores during the year ended March 31, 2020.
- (b) The acquisition referred to in Note 4 above included a coal block with a performance obligation by way of a bank guarantee to the Nominated Authority, Ministry of Coal, towards development of the said coal block. Post acquisition, the Holding Company assessed the social and environmental challenges for the development of the coal block and came to the view that the performance obligations of developing the coal block looked challenging to fulfil. Accordingly, the Holding Company, as a matter of prudence, had taken provision related to the aforesaid bank guarantee during the year ended March 31, 2020. Subsequently, the Holding Company has made an application to MoC seeking cancellation of the vesting of the coal block. Pursuant to such application, on November 11, 2020, the Holding Company received a letter from MoC confirming cancellation of the vesting rights of the coal block and directed State Bank of India for the encashment of aforesaid bank guarantee associated with the performance obligation. Accordingly, the Holding Company has made a payment of Rs. 133.72 crores on December 2, 2020.
