4 During earlier years, the Company has received demand notices/show cause-cum-demand notices from the Excise department covering period from June 2000 till June 2017 for Rs. 1,383.51 crores (including penalty but excluding interest not presently quantified).

These demands are of excise duty payable on inclusion of the cost of bought out items in the assessable value of certain products manufactured by the Company, though such duty paid bought out items are directly dispatched by the manufacturers thereof to the ultimate customer, without being received in the Company's factory. The Company has filed an appeal against the said orders received before CESTAT, Mumbai. Based on independent legal advice, the Company is confident of the issue being ultimately decided in its favour and accordingly no provision has been considered necessary.

5 Pursuant to acquisition of additional shares of Thermax Babcock & Wilcox Energy Solutions Private Limited (TBWES) and Thermax SPX Energy Technologies Limited (TSPX) which were earlier consolidated on 'Equity' basis have herein been consolidated as a wholly owned subsidiary. Consequently, the financial results are not comparable to that extent.

The financial parameters in respect of discontinued operations are stated below. The financial results of the previous periods have accordingly been restated. The transaction has no impact on the consolidated financial results as the business will be continued in TBWES, a wholly owned subsidiary of the Company.

7 Pursuant to Finance Bill 2019, dated July 5, 2019, the effective tax rate for certain subsidiaries would be reduced once the bill is enacted. The impact of such change will be considered once the bill is enacted. Had the bill been substantively enacted on or before reporting date, the net profit for the consolidated financial result would have reduced by Rs. 16.11 crores.

8 The Ministry of Corporate Affairs has notified Ind AS 116 "Leases" with effect from April 1, 2019. The Group has applied the standard to lease contracts existing on April 1, 2019 using modified retrospective method. Accordingly, comparative amounts for year ended March 31, 2019 have not been retrospectively adjusted. Adoption of the new standard has resulted in recognition of "Right-of-Use assets" (ROU) and lease liability, and did not have any significant impact on the standalone and consolidated financial results for the quarter ended June 30, 2019.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRF) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. We have not performed an audit and accordingly, we do not express an audit opinion.
4. 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
