Limited Review Report on unaudited standalone financial results of Thomas Cook (India) Limited for the quarter ended 30 June 2022 pursuant to Regulation 33 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015

To the Board of Directors of Thomas Cook (India) Limited

1. We have reviewed the accompanying Statement of unaudited standalone financial results of Thomas Cook (India) Limited ("the Company") for the quarter ended 30 June 2022 ("the Statement").
2. This Statement, which is the responsibility of the Company's management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "*Interim Financial Reporting*" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015. Our responsibility is to issue a report on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "*Review of Interim Financial Information Performed by the Independent Auditor of the Entity*" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. Attention is drawn to the fact that the figures for the three months ended 31 March 2022 as reported in these unaudited standalone financial results are the balancing figures between audited figures in respect of the full previous financial year and the published year to date figures up to the third quarter of the previous financial year. The figures up to the end of the third quarter of previous financial year had only been reviewed and not subjected to audit.
5. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with applicable accounting standards and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.
6. We draw attention to Note 9 to the unaudited standalone financial results, which describes the economic and social consequences the entity is facing as a result of COVID-19 which is impacting supply chains / consumer demand.

Our conclusion is not modified in respect of this matter.

The Company was awaiting order on the same. The Company had provided for stamp duty of Rs. 2,500.0 lakhs and had charged to the Statement of Profit and Loss as an exceptional item for the year ended 31 March 2020. In June, 2022, Government of Maharashtra announced an Amnesty Scheme, which the Company availed. Pursuant to the same, the Company has withdrawn the appeal and deposited Rs. 2,702 lakhs upto the date of board meeting (including interim payments) with the Collector of Stamps Enf-2 and has applied for closure of the matter. The amount deposited includes Rs. 202.8 lakhs towards penalty, which has been shown as an exceptional item in these results.

20 June 2022	132,937,000	28,105,073	Rs. 47.30	72.34%
TOTAL	435,657,000	92,105,073		

8. As required by Ind AS 36 – “Impairment of Assets”, Financial Assets are tested for impairment on annual basis and assessed for any indication of impairment as at each reporting date to ensure that carrying amount does not exceed the recoverable amount. Accordingly, the company assessed the recoverable amount of advances provided to its subsidiary Luxe Asia Private Limited as at March 2022. Due to adverse business conditions, the recovery of advances provided to the subsidiary is doubtful and this has resulted in as impairment provision of Rs.140.6 lakhs and has been charged to the statement of Profit and Loss as an exceptional item for the year ended 31 March 2022.
Further, the company assessed the recoverable amount of Investment, Loans and advances provided to its subsidiaries Borderless Travel Services Limited and Jardin Travel Solutions Limited as at March 2022. The original businesses have ceased to operate due to adverse business conditions, and hence the recovery of invested amount and advances provided to the subsidiaries is doubtful. This has resulted in as impairment provision of Rs.366.7 lakhs and has been charged to the statement of Profit and Loss as an exceptional item for the year ended 31 March 2022.

9. Post the pandemic, the Company has restarted its business across all segments and expects operations to normalize in a phased manner. The Company has assessed the impact of COVID-19 on the carrying amount of its assets and revenue recognition. In developing the assumptions relating to the possible future uncertainties, the Company, as on date of approval of these standalone financial results has used internal and external sources of information to the extent available. The Company, based on current estimates and information, expects the carrying amount of these assets to be recovered.

The Company has also assessed the impact for existing and anticipated effects of COVID-19 on the future cash flow projections on the basis of significant assumptions as per the available information. Rebound of business and continued cost saving measures has helped the Company to maximize operating cash flows and conserve cash position in the given situation. The Company has raised funds through issuance of Optionally Convertible Cumulative Redeemable Preference Shares which has already been converted into equity shares ensuring liquidity to meet its commitments and also availed loan under the Emergency Credit Line Guarantee Scheme.

Limited Review Report on unaudited consolidated financial results of Thomas Cook (India) Limited for the quarter ended 30 June 2022 pursuant to Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

To the Board of Directors of Thomas Cook (India) Limited

1. We have reviewed the accompanying Statement of unaudited consolidated financial results of Thomas Cook (India) Limited ("the Parent"), and its subsidiaries (the Parent and its subsidiaries together referred to as "the Group") and its share of the net loss after tax and total comprehensive loss of its associates for the quarter ended 30 June 2022 ("the Statement"), being submitted by the Parent pursuant to the requirements of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ('Listing Regulations').
2. This Statement, which is the responsibility of the Parent's management and approved by the Parent's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the Securities and Exchange Board of India under Regulation 33(8) of the Listing Regulations, to the extent applicable.

4. The Statement includes the results of the entities as mentioned in Annexure I.
5. Attention is drawn to the fact that the figures for the three months ended 31 March 2022 as reported in these unaudited consolidated financial results are the balancing figures between audited figures in respect of the full previous financial year and the published year to date figures up to the third quarter of the previous financial year. The figures up to the end of the third quarter of previous financial year had only been reviewed and not subjected to audit.
6. Based on our review conducted and procedures performed as stated in paragraph 3 above and based on the consideration of the review reports of the other auditors referred to in paragraph 8 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.
7. We draw attention to Note 10 to the unaudited consolidated financial results, which describes the economic and social consequences the Group/some of the components of the group is/are facing as a result of COVID-19 which is impacting supply chains / consumer demand.

Our conclusion is not modified in respect of this matter.

Registered Office:

B S R & Co. LLP

8. We did not review the interim financial information/ financial results of 3 subsidiaries included in the Statement, whose interim financial information/ financial results reflect total revenues of Rs.13,498.5 lakhs (before giving effect to the consolidation adjustments), total net profit after tax (net) of Rs. 1,124.4 lakhs (before giving effect to the consolidation adjustments) and total comprehensive income (net) of Rs. 1,124.4 lakhs (before giving effect to the consolidation adjustments), for the quarter ended 30 June 2022, as considered in the unaudited consolidated financial results. These interim financial information/ interim financial results have been reviewed by other auditors whose reports have been furnished to us by the Parent's management and our conclusion on the Statement, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, is based solely on the reports of the other auditors and the procedures performed by us as stated in paragraph 3 above.

Our conclusion is not modified in respect of this matter.

9. The Statement includes the interim financial information/ financial results of 44 Subsidiaries which have not been reviewed, whose interim financial information/ financial results reflects total revenues of Rs. 20,262.7 lakhs (before giving effect to the consolidation adjustments), total net loss after tax (net) of Rs.1,506.1 lakhs (before giving effect to the consolidation adjustments) and total comprehensive loss (net) of Rs.1,515.7 lakhs (before giving effect to the consolidation adjustments), for the quarter ended 30 June 2022, as considered in the Statement. The Statement also includes the Group's share of net loss after tax of Rs.16.4 lakhs and total comprehensive loss of Rs. 16.4 lakhs, for the quarter ended 30 June 2022 as considered in the unaudited consolidated financial results, in respect of 3 associates, based on their interim financial information/ financial results which have not been reviewed. According to the information and explanations given to us by the Parent's management, these interim financial information/ financial results are not material to the Group.
