Basis for Qualified Opinion

- c. The following paragraph in respect of Basis for Qualified Opinion was included in the audit report dated September 12, 2020 issued on the Financial Statements of Prag Distillery (P) Ltd ("Prag"), a subsidiary company of the Holding Company issued by an Independent Firm of Chartered Accountants, is reproduced as under:
 - We draw attention to note no. 36 of the Financial Statements which states that the Company has incurred capital expenditure of Rs. 10,035.97 lakhs as at March 31, 2020 on expansion project grouped under the head capital work in progress. Work on the said project has been suspended and has not been completed since many years. The Company has not tested the said project for impairment loss as per Ind AS 36 - Impairment of Assets. In absence of sufficient audit evidence, we were unable to determine the amount of impairment in the value of capital work in progress
 - We draw attention to note no. 37 of the financial statements which states that there are unsecured overdue trade receivables of Rs. 586.55 lakhs from Andhra Pradesh Beverage Corporation Ltd. The management has not considered any provision for allowance on doubtful trade receivables /expected credit loss though it is long overdue. In absence of sufficient appropriate audit evidence and balance confirmations, we are unable to verify the recoverability amount of the trade receivables.

Note no. 36 and 37 of Prag as described above is reproduced as note no. 11 and 12 to the consolidated unaudited financial results respectively.

We conducted our audit in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Companies Act, 2013 ("the Act"). Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Consolidated Annual Financial Results section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act, and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us along with the consideration of audit report of the other auditor referred to in sub paragraph (a) of the "Other Matters" paragraph below, is sufficient and appropriate to provide a basis for our qualified opinion on the consolidated annual financial results.

Material uncertainty related to going concern in respect of subsidiaries:

- a. The following paragraph in respect of material uncertainty related to going concern was included in the audit report dated September 12, 2020 issued on the Financial statements of PunjabExpo Breweries Pvt Ltd ("Punjabexpo"), a subsidiary company of the Holding Company issued by an Independent firm of Chartered Accountants, is reproduced as under:

We draw attention to Note no. 38 of the financial statements which states that the Company has incurred a net loss of Rs. 967.35 lakhs during the current year and the business operations have been scaled down significantly. The Company has accumulated losses of Rs. 824.52 lakhs and its net worth has been fully eroded as at March 31, 2020. These conditions indicate that a material uncertainty exists that may cast a significant doubt about the Company's ability to continue as a going concern. However, the financial statements of the Company have been prepared on a going concern basis for the reasons stated in the said Note.

Our opinion is not modified in respect of this matter.

Note no. 38 of Punjabexpo as described above is reproduced as note no. 10 to the consolidated unaudited financial results.

- b. The following paragraph in respect of Material uncertainty related to going concern was included in the audit report dated September 12, 2020 issued on the Financial statements of Prag Distillery (P) Ltd ("Prag"), a subsidiary company of the Holding Company issued by an Independent firm of Chartered Accountants, is reproduced as under :

We draw attention to Note no. 35 the financial statements which states that the Company has been referred to National Company Law Tribunal (NCLT) for Corporate Insolvency Resolution Process (CIRP) under the provisions of Insolvency and Bankruptcy Code 2016 (the Code). Further the Company has incurred net loss during the year ended March 31, 2020 and as of that date the business has ceased completely and there are defaults in repayment of bank loans. The uncertainty of the outcome of the NCLT proceedings and other events as mentioned above, indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern. Our opinion is not modified in respect of this matter.

Note no. 35 of Prag as described above is reproduced as note no. 11 to the consolidated unaudited financial results.

Emphasis of matter

The following Emphasis of matter was included in the audit report dated September 12, 2020 issued on the Financial Statements of Prag Distillery (P) Ltd ("Prag"), a subsidiary company of the Holding Company issued by an Independent firm of Chartered Accountants, is reproduced as under:

We draw attention to note no. 38 of the financial statements regarding the pending litigation between the Company and DCB Bank wherein the outcome of the matter is uncertain.

Our opinion is not modified in respect of this matter.

Note no. 38 of Prag as described above is reproduced as note no. 13 to the consolidated unaudited financial results.

We draw attention to note no. 15 of the consolidated annual financial results which describes the assessment made by the management of the Group that no material uncertainty exists on the Group's ability to continue as a Going Concern, despite erosion of Net-worth and that the going concern assumption is appropriate in preparation of these Financial Statements.

Management's and Board of Directors' Responsibilities for the Consolidated Annual Financial Results

These consolidated annual financial results have been prepared on the basis of the consolidated annual financial statements.

The Holding Company's Management and the Board of Directors are responsible for the preparation and presentation of these consolidated annual financial results that give a true and fair view of the consolidated net loss and other comprehensive income and other financial information of the Group in accordance with the recognition and measurement principles laid down in Indian Accounting Standards prescribed under Section 133 of the Act and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The respective Management and Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of each company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated annual financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated annual financial results by the Management and the Directors of the Holding Company, as aforesaid.

In preparing the consolidated annual financial results, the Management and the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of each company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group is responsible for overseeing the financial reporting process of each company.

Auditor's Responsibilities for the Audit of the Consolidated Annual Financial Results

Our objectives are to obtain reasonable assurance about whether the consolidated annual financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SA's will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could

reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated annual financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated annual financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion through a separate report on the complete set of financial statements on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the consolidated financial results made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated annual financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated annual financial results, including the disclosures, and whether the consolidated annual financial results represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial results of the entities within the Group to express an opinion on the consolidated annual financial results. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the consolidated financial results of which we are the independent auditors. For the other entity included in the consolidated annual financial results, which has been audited by other auditor, such other auditor remains responsible for the direction, supervision and performance of

the audit carried out by them. We remain solely responsible for our audit opinion. Our responsibilities in this regard are further described in para (a) of the section titled "Other Matters" in this audit report.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated annual financial results of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

We also performed procedures in accordance with the circular No CIR/CFD/CMDI/44/2019 issued by the SEBI under Regulation 33(8) of the Listing Regulations, as amended, to the extent applicable.

Other Matters

- a. The consolidated annual financial results include the results for the quarter ended March 31, 2020 being the balancing figure between the audited figures in respect of the full financial year and the published unaudited year to date figures up to the third quarter of the current financial year which were subject to limited review by us, except for the quarter ended June 30, 2019 which was reviewed by predecessor auditor.
- b. We did not audit the financial statements / information of 8 subsidiaries included in the consolidated financial results whose Ind AS financial statements include total assets of Rs.19,004.01 lakhs as at March 31, 2020 and total revenue of Rs 2,227.09 lakhs and total loss of Rs.1,533.00 lakhs including other comprehensive income for the year ended March 31, 2020 as considered in the consolidated annual financial results. These Financial statements have been audited by other auditors whose reports have been furnished to us by the Management, and our opinion on the Consolidated Ind AS financial results insofar as it relates to the amounts and disclosures included in respect of these subsidiaries and our report in terms of section 143 (3) of the Act insofar as it relates to the aforesaid subsidiaries is based solely on the reports of such auditors.

Our opinion on the consolidated Ind As financial results is not modified in respect of the above matter with respect to our reliance on the work done and the reports of other auditors.

- c. The Consolidated financial results also include Group's share of loss / profit Rs Nil for the year ended March 31, 2020 as considered in the Consolidated financial results in respect of 1 Associate whose financial statements have not been audited by us. The Financial Statements / information of the Associate is not available and the Group has provided its share of loss to the extent of the Investment. In our opinion and according

to the information and explanation given to us by the management this financial statements / information are not material to the Group.

Our opinion is not modified in respect of the above matter.

- d. Due to the COVID-19 related lock-down restrictions, the management of the Holding company was able to perform year-end physical verification of inventories, only subsequent to the year-end. Also, we were not able to physically observe the stock verification, when carried out by the management. Consequently, we have performed alternate procedures to audit the existence of inventory as per the guidance provided in SA 501 "Audit Evidence - Specific Considerations for Selected Items" and have obtained sufficient appropriate audit evidence to issue our opinion on the Holding Company's Financial Statements / results.

Our opinion is not modified in respect of the above matter.

- e. The comparative financial information of the company for the corresponding quarter and year ended March 31, 2019 were reviewed by the predecessor auditor who expressed modified opinion on that financial information on July 26, 2019.

The said amount in default has since been paid on 30th June 2020. The above has been recorded in the financial Statements as per the requirements of IND AS.
- 10 The net worth of PunjabExpo Breweries Private Limited, a subsidiary of TI, has eroded consequent to the losses incurred in the current year. However, the parent company is actively exploring the possibility of entering into northern markets where PunjabExpo will be one of the major sources of supply. It is also in talks with other brand owners to enter into bottling arrangements for the said brand owners. This would significantly improve the capacity utilisation and have favourable impact on the profitability of the company. Moreover, the Company is also in the process of rationalization of its administrative overheads the effect of which is expected in the last quarter of 2020-21. The Board of Directors have assessed the above conditions and indicators and have come to the conclusion that no material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern taking into account the plans management has put in place and the other mitigating factors described above.

- 11 The National Company Law Tribunal("NCLT") has ordered for liquidation of Prag Distillery (P) Ltd, wholly owned subsidiary of the Company ("Prag") vide its order No. MA 309/2018 in CP1067/ 2017 dated July 26, 2018, as a going concern. The Official Liquidator having initiated the preliminary process of liquidation of Prag as a going concern has sought for further directions from NCLT in the matter, which is still awaited. Tilaknagar Industries Ltd. has also submitted a formal proposal to the lenders for full and final settlement of all their claims, final approval for which is awaited. Hence, the accounts of Prag have been prepared on a going concern basis. The impairment, if any, of the project undertaken by Prag in earlier years will be considered on completion of the liquidation process/ final settlement as the case may be, as the recoverable value is not currently ascertainable.
- 12 Trade Receivables of Prag Distillery (P) Ltd, wholly owned subsidiary of the Company ("Prag"), include Rs. 586.55 lacs (PY Rs. 2,174.13 lacs) receivable from Andhra Pradesh Beverage Corporation Ltd. towards sale of IMFL made by the Company in 2018-2019 and 2019-2020 . Prag, through the Liquidator is in the process of filing an application with National Company Law Tribunal for approval to initiate legal action against Andhra Pradesh Beverage Corporation Ltd. for recovery of the same. The Management believes that no provision for doubtful debts is required to be made against this receivable as the amount is expected to be received.
- 13 Prag Distillery (P) Ltd has filed an application with the Hon'ble National Company Law Tribunal seeking reversal of interest debited by DCB Bank during the Corporate Insolvency Resolution Process. The Hon'ble National Company Law Tribunal Had directed DCB Bank to reverse the interest debited. The said order has been appealed against by DCB bank with the Hon'ble National Company Law Appellate Tribunal and later with the Hon'ble Supreme Court of India, where the matter is currently pending. Prag has also filed a Miscellaneous Application to the Hon'ble National Company Law Tribunal against DCB Bank Ltd., seeking removal of the lien marked on the bank account with DCB Bank and an order declaring the realisation/enforcement of security interest of DCB Bank Ltd. as null and void. The said application is pending before the National Company Law Tribunal for further arguments.
- 14 The Company has adopted modified simplified retrospective approach under Ind AS 116 - Leases, with effect from April 01, 2019. Accordingly the Company has recognized 'Right of use' assets of Rs.117.99 lacs and present value of lease liabilities of Rs.117.99 lacs as on April 01, 2019. In the statement of financial results for the current period, instead of rent expenses (as accounted under previous periods). Amortization of Right of use has been accounted under depreciation and amortization expenses and unwinding of discount on lease liabilities has been accounted under finance cost. Accordingly, current period's figures are not comparable with previous periods to that extent. The net impact of adopting this standard on earning per share is not material.
- 15 The erosion of the net worth of the Group till the previous financial year has been substantially recovered in the current year and the negative networth stands at Rs 1,737.28 lacs as at 31 March 2020 as compared to Rs 28,721.85 lacs in the previous year. This is due to major reduction in debt resulting from compromise settlements with banks and entering into agreement, during the quarter ended March 31, 2020 with Edelweiss Asset Reconstruction Company Limited ("EARC") acting as Trustee on behalf of Trusts in favour of whom some of the lender Banks and Financial Institution have assigned all the rights, title and interests in financial assistances granted by them to the Company with respect to restructuring of the debts owed to it by the Company. The compromise settlements and restructuring agreement have significantly reduced the debt burden and consequential finance cost thereon, the benefit whereof will continue to accrue in the years to come. The Group has initiated the process of cost reduction, changes in business strategy and rationalisation of manpower which will strengthen its financial position.
In spite of the country wide lockdown due to the global pandemic affecting the operations in the first two months of the current year, ever since the staggered resumption of operations, sales have started stabilising across the country with certain southern states showing substantial growth and is expected to match the yearly estimates resulting in improved operational performance of the business in terms of sales, market share and margins.
The Board of Directors have assessed the above conditions and indicators and have come to the conclusion that no material uncertainty exists that may cast significant doubt on the Group's ability to continue as a going concern taking into account the plans management has put in place and the other mitigating factors described above.
- 16 **Impact of COVID-19:**
In view of the country-wide lockdown due to the outbreak of COVID-19 pandemic, operations/despaches and administrative offices of the Company were scaled down or shut down for certain days beginning from second half of March, 2020. The lockdown is being lifted with systematic process by the Government at this point in time and resumption of full-fledged operations will depend upon directives issued by the Government authorities. The Company continues to closely monitor the situation and take appropriate action in due compliance with the applicable regulations. The operations/despaches have partially resumed at certain locations of the Company in compliance with Government directives in May, 2020.
The Company has considered the possible effects that may result from the pandemic relating to COVID-19 on the carrying amounts of property, plant and equipment, trade receivables and other current assets. The eventual outcome or impact of COVID-19 on the Company's results may differ from that estimated as at the date of approval of these results, however, as per the current assessment of the management, the carrying amounts of these assets are expected to be recovered.
- 17 The Standalone and Consolidated audited financial results of the Company for the quarter and year ended March 31, 2020 are available on the Company's website (www.tilind.com) and on the website of BSE (www.bseindia.com) and NSE (www.nseindia.com).

We conducted our audit in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Companies Act, 2013 ("the Act"). Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Standalone Annual Financial Results section of our report. We are independent of the Company, in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act, and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our qualified opinion on the Standalone annual financial results.

We draw attention to note no. 13 of the standalone annual financial results which describes the assessment made by the management of the Company that no material uncertainty exists on the Company's ability to continue as a Going Concern, despite erosion of Net-worth and that the going concern assumption is appropriate in preparation of these Financial Statements.

Management's and Board of Directors' Responsibilities for the Standalone Annual Financial Results

These standalone annual financial results have been prepared on the basis of the standalone annual financial statements.

The Company's Management and the Board of Directors are responsible for the preparation and presentation of these standalone annual financial results that give a true and fair view of the net loss and other comprehensive income and other financial information in accordance with the recognition and measurement principles laid down in Indian Accounting Standards prescribed under Section 133 of the Act and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone annual financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone annual financial results, the Management and the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Annual Financial Results

Our objectives are to obtain reasonable assurance about whether the standalone annual financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone annual financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone annual financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion through a separate report on the complete set of financial statements on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the standalone financial results made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone annual financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone annual financial results, including the disclosures, and whether the standalone annual financial results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

- a. The standalone annual financial results include the results for the quarter ended March 31, 2020 being the balancing figure between the audited figures in respect of the full financial year and the published unaudited year to date figures up to the third quarter of the current financial year which were subject to limited review by us.
- b. Due to the COVID-19 related lock-down restrictions, the management of the Company was able to perform year-end physical verification of inventories, only subsequent to the year-end. Also, we were not able to physically observe the stock verification, when carried out by the management. Consequently, we have performed alternate procedures to audit the existence of inventory as per the guidance provided in SA 501 "Audit Evidence - Specific Considerations for Selected Items" and have obtained sufficient appropriate audit evidence to issue our opinion on the Company's Financial Statements / results. Our opinion is not modified in respect of the above matter.
- c. The comparative financial information of the company for the corresponding quarter and year ended March 31, 2019 were reviewed by the predecessor auditor who expressed modified opinion on that financial information on July 26, 2019.

- 5 The Company had applied to the State government authorities for dual feed permission for manufacture of ENA through molasses as well as grain at one of its ENA Plants. Permission has been received for operating the fermentation section till September 02, 2021. It is expected that permission for operating the distillation section also will be received soon. In view of this, the management believes that there is no impairment in value of its ENA Plant and hence the recoverable amount of the ENA Plant is not required to be estimated.
- 6 In lieu of advances given to certain body corporates amounting to Rs. 6,074.08 lacs, the Company had received land from their holding company. The land received has been registered in the name of the Company. The advances have not been adjusted against the dues to the said holding company pending completion of the merger formalities of the said body corporates with their holding company. In view of this, the management believes that no provision is considered necessary in the books of accounts.
- 7 Exceptional items accounted as net income include the following : a) During 2017-2018, the Company had entered into a One Time Settlement (OTS) with Bank of India at Rs.9,500.00 lacs in full and final settlement of its dues payable over a period of three years. The Company has paid Rs.3,000.00 lacs during the year ended March 31, 2020 in compliance with the payment schedule of the OTS. Until the payment of last instalment, the Company continued to provide interest in books of accounts on the principal outstanding at original contracted rates. - 8 The National Company Law Tribunal ("NCLT") has ordered for liquidation of Prag Distillery (P) Ltd, wholly owned subsidiary of the Company ("Prag") vide its order No. MA 309/2018 in CP1067/ 2017 dated July 26, 2018, as a going concern. The Official Liquidator having initiated the preliminary process of liquidation of Prag as a going concern has sought for further directions from NCLT in the matter, which is still awaited. Tilaknagar Industries Ltd. has also submitted a formal proposal to the lenders for full and final settlement of all their claims, final approval for which is awaited. The impairment, if any, of the equity investment in Prag will be considered on completion of the liquidation process/ final settlement as the case may be.
- 9 The Company has executed, during the quarter ended March 31, 2020, restructuring documents/agreements with Edelweiss Asset Reconstruction Company Limited (EARC), acting as Trustee of EARC Trust SC233, EARC Trust SC241 and EARC Trust SC269, in favour of whom some of the Lender Banks and Financial Institution had assigned all the rights, title and interests in financial assistances granted by them to the Company with respect to restructuring of the debts owed to it by the Company. As per the terms of the restructuring documents/agreements the total dues of Rs 52,332.37 lacs were segregated into
i) Restructured debt of Rs.34,447.23 lacs carrying interest at the rate of 9% per annum payable in instalments by 31st March 2024
ii) Balance debt of Rs. 14,498.38 lacs accruing interest at the rate of 0.001% per annum, the payment, including the interest thereon, of which was to be waived on the repayment of the Restructured Debt to the Lender, to the satisfaction of Lender and
iii) Interest free Converted Balance debt of Rs. 3,386.75 to be converted into Equity shares.
Although certain on account payments were made to Edelweiss Asset Reconstruction Company Limited (EARC), the Company had defaulted in repayment of principal dues of loans amounting to Rs. 1,000.00 lacs as per the terms of the restructuring documents/agreements with 'EARC. The said amount in default has since been paid on 30th June 2020. The above has been recorded in the financial Statements as per the requirements of IND AS.

- 10 The net worth of PunjabExpo Breweries Private Limited, a subsidiary of TI, has eroded consequent to the losses incurred in the current year. However, the parent company is actively exploring the possibility of entering into northern markets where PunjabExpo will be one of the major sources of supply. It is also in talks with other brand owners to enter into bottling arrangements for the said brand owners. This would significantly improve the capacity utilisation and have favourable impact on the profitability of the company. Moreover, the Company is also in the process of rationalization of its administrative overheads the effect of which is expected in the last quarter of 2020-21. The Board of Directors have assessed the above conditions and indicators and have come to the conclusion that no material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern taking into account the plans management has put in place and the other mitigating factors described above. Hence, the management believes that no provision for impairment in equity investment and advances given.
- 11 The Company has adopted modified retrospective approach under Ind AS 116 - Leases, with effect from April 01, 2019. Accordingly, the Company has recognized 'Right of use' assets of Rs. 106.84 lacs and present value of lease liabilities of Rs. 106.84 lacs as on April 01, 2019. In the statement of financial results for the current period, instead of rent expenses (as accounted under previous periods). Amortization of Right of use assets has been accounted under depreciation and amortization expenses and unwinding of discount on lease liabilities has been accounted under finance cost. Accordingly, current period's figures are not comparable with previous periods to that extent. The net impact of adopting this standard on earning per share is not material.
- 12 The Company had entered into arrangements with Vahni Distilleries Private Limited and Punjab Expo Breweries Private Limited, (its subsidiary companies) for manufacture and marketing of its own brands. These subsidiary companies have necessary license and regulatory permits to manufacture alcohol. Upto the quarter ended June 30, 2019, the Company had recognised net surplus (total revenue over total expenses) from the operation through these units under Revenue from operations and thereafter, it has aggregated sales and expenses in its Statement of financial results with respect to these subsidiary companies. The Company also presents inventory, trade receivables and trade payables under such arrangements as its own inventory, trade receivables and trade payables. Accordingly, current period's figures are not comparable with previous periods to that extent. Consequent to these changes, there is no impact on the total profit.
- 13 The erosion of the net worth of the Company till the previous financial year has been substantially recovered in the current year and the negative networth stands at Rs 2,374.65 lacs as at 31 March 2020 as compared to Rs 33,178.22 lacs in the previous year. This is due to major reduction in debt resulting from compromise settlements with banks and entering into agreement, during the quarter ended March 31, 2020 with Edelweiss Asset Reconstruction Company Limited ("EARC") acting as Trustee on behalf of Trusts in favour of whom some of the lender Banks and Financial Institution have assigned all the rights, title and interests in financial assistances granted by them to the Company with respect to restructuring of the debts owed to it by the Company. The compromise settlements and restructuring agreement have significantly reduced the debt burden and consequential finance cost thereon, the benefit whereof will continue to accrue in the years to come. The Company has initiated the process of cost reduction, changes in business strategy and rationalisation of manpower which will strengthen its financial position.
In spite of the country wide lockdown due to the global pandemic affecting the operations in the first two months of the current year, ever since the staggered resumption of operations, sales have started stabilising across the country with certain southern states showing substantial growth and is expected to match the yearly estimates resulting in improved operational performance of the business in terms of sales, market share and margins. The Board of Directors have assessed the above conditions and indicators and have come to the conclusion that no material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern taking into account the plans management has put in place and the other mitigating factors described above.
- 14 **Impact of COVID-19:**
In view of the country-wide lockdown due to the outbreak of COVID-19 pandemic, operations/despaches and administrative offices of the Company were scaled down or shut down for certain days beginning from second half of March, 2020. The lockdown is being lifted with systematic process by the Government at this point in time and resumption of full-fledged operations will depend upon directives issued by the Government authorities. The Company continues to closely monitor the situation and take appropriate action in due compliance with the applicable regulations. The operations/despaches have partially resumed at certain locations of the Company in compliance with Government directives in May, 2020. The Company has considered the possible effects that may result from the pandemic relating to COVID-19 on the carrying amounts of property, plant and equipment, trade receivables and other current assets. The eventual outcome or impact of COVID-19 on the Company's results may differ from that estimated as at the date of approval of these results, however, as per the current assessment of the management, the carrying amounts of these assets are expected to be recovered.
- 15 The previous period figures have been regrouped and reclassified wherever necessary.

b.	Type of Audit Qualification:	Qualified Opinion
c.	Frequency of qualification:	Point (i) - Appearing fifth time Point (ii) - Appearing fourth time Point (iii) - Appearing third time Point (iv) – Appearing for first time
d.	For Audit Qualification(s) where the impact is quantified by the auditor, Management's Views:	<p><u>Response to Point (II)(a)(ii)</u></p> <p>In lieu of advances given to certain body corporates amounting to Rs. 6,074.08 lacs, the Company had received land from their holding company. The land received has been registered in the name of the Company. The advances have not been adjusted against the dues to the said holding company pending completion of the merger formalities of the said body corporates with their holding company. In view of this, the management believes that no provision is considered necessary in the books of accounts.</p> <p><u>Response to Point (II)(a)(iii)</u></p> <p>The National Company Law Tribunal("NCLT") has ordered for liquidation of Prag Distillery (P) Ltd, wholly owned subsidiary of the Company ("Prag") vide its order No. MA 309/2018 in CP1067/ 2017 dated July 26, 2018, as a going concern. The Official Liquidator having initiated the preliminary process of liquidation of Prag as a going concern has sought for further directions from NCLT in the matter, which is still awaited. Tilaknagar Industries Ltd. has also submitted a formal proposal to the lenders for full and final settlement of all their claims, final approval for which is awaited. The impairment, if any, of the equity investment in Prag will be considered on completion of the liquidation process/ final settlement as the case may be.</p>

			<p><u>Response to Point (II)(a)(iv)</u></p> <p>The net worth of PunjabExpo Breweries Private Limited, a subsidiary of TI, has eroded consequent to the losses incurred in the current year. However, the parent company is actively exploring the possibility of entering into northern markets where PunjabExpo will be one of the major sources of supply. It is also in talks with other brand owners to enter into bottling arrangements for the said brand owners. This would significantly improve the capacity utilisation and have favourable impact on the profitability of the company. Moreover, the Company is also in the process of rationalization of its administrative overheads the effect of which is expected in the last quarter of 2020-21. The Board of Directors have assessed the above conditions and indicators and have come to the conclusion that no material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern taking into account the plans management has put in place and the other mitigating factors described above. Hence, the management believes that no provision for impairment in equity investment and advances given.</p>
e.	For Audit Qualification(s) where the impact is not quantified by the auditor:		
	(i) Management's estimation on the impact of audit qualification:	Nil for the reasons given at para 2(e)(ii) below	
	(ii) If management is unable to estimate the impact, reasons for the same:	<p><u>Response to Point (II)(a)</u></p> <p>The Company had applied to the State government authorities for dual feed permission for manufacture of ENA through molasses as well as grain at one of its ENA Plants. Permission has been received for operating the fermentation section till September 02, 2021. It is expected that permission for operating the distillation section also will be received soon. In view of this, the management believes that there is no impairment in value of its ENA Plant and hence the recoverable amount of the ENA Plant is not required to be estimated.</p>
