2. This Consolidated Statement, which is the responsibility of the Holding Company's management and approved by the Holding Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. Our responsibility is to express a conclusion on the Consolidated Statement based on our review.
3. We conducted our review of the Consolidated Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33 (8) of the Listing Regulations to the extent applicable.

4. This Consolidated Statement includes the results of Holding Company and its following Subsidiaries and Associate:

Reference is invited to note no. 9 of the consolidated statement.

6. Based on our review conducted and procedures performed as stated in paragraph 3 above and based on the consideration of the review report of the other auditors referred to in paragraph 9 below and except for the possible effects of the matters described in paragraph 5 above, nothing has come to our attention that causes us to believe that the accompanying Consolidated Statement prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations including the manner in which it is to be disclosed, or that it contains any material misstatement.

The permissions from State Government was received in 2014 after a delay of several years and was subject to a licence fee payment of approx Rs 20 crores. Meanwhile, TI group had started facing financial liquidity crunch. Hence, Prag could not fulfil the financial obligation necessary to acquire the requisite permissions for commencing the aforesaid project. While the Holding Company was in talks with the Banks and Financial Institutions for settlement, Prag was admitted under National Company Law Tribunal (NCLT) in June 2017. The process of settlement of financial creditors of Prag took around five years. This further stalled the commissioning of the expansion project. In the year 2022-23, the Liquidator of Prag, has filed an application at NCLT- Mumbai, seeking withdrawal of the Petition filed by the financial creditor Standard Chartered Bank and closure of the liquidation process. In the several years that elapsed, the business dynamics has changed and the external bottling capacities available in Andhra Pradesh have become sufficient and economically prudent to meet the TI group's business requirements. Subsequent to the application for closure of the liquidation process, the Management has evaluated the current situation with respect to aforesaid project and concluded that since the project has got inordinately delayed, it was no longer financially prudent to incur expenditure to increase capacity as part of the aforesaid capex project. The same is disclosed under exceptional items in the quarter ended December 31, 2022 and year ended March 31, 2023.	5,132.93
b) The Company had entered into a Master Restructuring Agreement (MRA) dated February 06, 2020 with Edelweiss Asset Reconstruction Company Limited (EARC) acting as Trustee of three trusts i.e EARC Trust SC 233, EARC Trust SC 241 and EARC Trust SC 269 with respect to restructuring of the debts owed to some of the lender banks and a Financial Institution by the Company. Accordingly, the total debt owed by the Company of Rs. 52,332.37 lacs was restructured by EARC at Rs. 34,447.23 lacs as Sustainable Debt and Balance Debt of Rs. 17,885.14 lacs. A part of Balance Debt was subsequently converted into equity. The Company had been regularly paying the stipulated principal and interest of the restructured debt to all the three EARC trusts from 2020 onwards till date in accordance with the repayment schedule of MRA. During the quarter ended March, 2023, the Company made a prepayment of the entire outstanding principal along with accrued interest of Rs 54.10 crores towards EARC Trust SC 233 and EARC Trust SC 269. As per terms of restructuring by EARC, the Balance Debt would remain outstanding till the time the restructured debt was repaid. c) During the year 2017-2018 and thereafter, many of the bottling tie up arrangements with "PunjabExpo Breweries Private Ltd" a wholly owned subsidiary (referred as PE) were not renewed leading to a severe fall in its operations. Further, there was a considerable drop in its existing business in Canteen Stores Department in the Northern Markets. To stay float, it entered into bottling arrangements with the Holding Company (TI) for its northern and export markets. However, due to lower capacity utilisation, the bottling income from 2018-19 onwards was insufficient to cover the fixed costs leading to increased losses. Over the years, the net worth of PE has been fully eroded despite attempts to rationalize its administrative overheads. Further, TI was actively exploring the possibility of entering the northern civil markets where PE would be one of the major sources of supply. It was also in discussions with other brand owners in Northern Markets to enter into bottling arrangements. This would have significantly improved the capacity utilisation and have favourable impact on the profitability of PE. The discussions with various parties did not concretely materialise post covid situation. Despite its best efforts, PE could not increase its business. TI management has assessed the current situation and has arrived at the conclusion that there is no sufficient visibility on PE northern business and return on investments and recoverability of loans and advances is doubtful. Hence, TI has provided for impairment of the equity investments in PE of Rs 2,680.39 lacs, advances of Rs 3,320.75 lacs and loan of Rs 565.79 lacs aggregating to Rs. 6,566.94 lacs in its books of accounts. The same is accounted under exceptional items for the quarter and year ended March 31, 2023.	-6,566.94
