Independent Auditor's Review Report on Quarterly and year to date Unaudited Financial Result of Trans Asia Corporation Limited under Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.

Review Report to
The Board of Directors of
Trans Asia Corporation Limited

1. We have reviewed the accompanying Statement of Un audited financial results of Trans Asia Corporation Limited ('the Company') for the quarter ended 31 December 2020 ('the Statement') attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ('the Regulation').
2. This Statement, which is the responsibility of the Company's management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" (Ind AS 34), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review of interim financial statement consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with standards on auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement is prepared in accordance with the recognition and

measurement principles laid down in Ind AS 34, prescribed under Section 133 of the Act, and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including the manner in which it is to be disclosed, or that it contains any material misstatement.

Material Uncertainty Related to Going Concern

5. During the quarter the company has made provisions for doubtful advances, doubtful trade receivable, diminution in value of investment and balances of sundry creditors has been written back and the netted off balances have been shown as exceptional item. As a result of this exceptional item, the company has incurred huge loss during the quarter and as a result net worth of the company has eroded substantially. These factors and conditions indicates the existence of a material uncertainty that may cast significant doubt about the Company's ability to continue as a going concern. However, based on the future projections which is dependent on certain assumptions and estimates and positive net worth as on reporting date, the management considers the use of going concern appropriate. Our conclusion is not modified in respect of this matter.
