Limited Review Report on Quarterly Unaudited Consolidated Financial Results of UPL Limited pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To the Board of Directors of UPL Limited

We have reviewed the accompanying statement of unaudited consolidated financial results of UPL Limited ('the Company') and its subsidiaries (collectively, 'the Group'), associates and jointly controlled entities as listed in Annexure-I for the quarter ended 30 June 2018 ('the Statement'), attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations'). Attention is drawn to the fact that the figures for the 3 months ended 31 March 2018 as reported in this Statement are the balancing figures between audited figures in respect of the full previous financial year and the published year to date figures up to the third quarter of the previous financial year. The figures up to the end of the third quarter of previous financial year had only been reviewed and not subjected to audit.

This Statement is the responsibility of the Company's management and has been approved by the Board of Directors in their meeting held on 31 July 2018. Our responsibility is to issue a report on this Statement based on our review.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', specified under section 143(10) of the Companies Act, 2013. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

The accompanying Statement includes the interim financial results of 29 subsidiaries whose interim financial information reflects revenues of Rs. 3,978 crores for the quarter ended 30 June 2018, which are before giving effect to any consolidated adjustments, have been reviewed by the other auditors and whose reports have been furnished to us. Our conclusion on the unaudited consolidated financial results, in so far as it relates to such subsidiaries is based solely on the reports of those other auditors.

Of the 29 subsidiaries listed above, the interim financial results and financial information of subsidiaries which are located outside India have been prepared under the generally accepted accounting principles ('GAAPs') applicable in their respective countries and which have been reviewed by the respective auditors under generally accepted auditing standards applicable in their respective countries. The Company's management has converted these interim financial results from accounting principles generally accepted in their respective countries to Indian Accounting Standards prescribed under Section 133 of the Companies Act, 2013. We have reviewed these conversion adjustments made by the Company's management. Our conclusion in so far as it relates to such subsidiaries located outside India is based on the reports of other auditors under the aforementioned GAAPs in respective countries and the aforesaid conversion adjustments prepared by the Company's management and reviewed by us.

Limited Review Report on Quarterly Unaudited Consolidated Financial Results of UPL Limited pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Continued)

UPL Limited

The accompanying Statement includes the interim financial results of 60 subsidiaries whose interim financial information reflects revenues of Rs. 1,106 crores for the quarter ended 30 June 2018 and the Group's share of net loss of Rs. 2 crores for the quarter ended 30 June 2018, in respect of 8 associates and 3 joint controlled entities which have not been subjected to a review. These interim financial results have been certified by the Company's management and our report on the Statement, in so far as it relates to the amounts included in respect of these entities, is based solely on such interim financial results certified by the Company's management. In our opinion and according to the information and explanations given to us by the Company's management, these financial results, are not material to the Group

Our conclusion on the Statement, is not modified with respect to our reliance on the work done by and the reports of the other auditors and the interim financial results certified by the Company's management

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with applicable accounting standards i.e. Ind AS prescribed under Section 133 of the Companies Act, 2013 and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Limited Review Report on Quarterly Unaudited Standalone Financial Results of UPL Limited pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To the Board of Directors of UPL Limited

We have reviewed the accompanying statement of unaudited standalone financial results of UPL Limited ('the Company') for the quarter ended 30 June 2018 ('the Statement'), attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations'). Attention is drawn to the fact that the figures for the 3 months ended 31 March 2018 as reported in this Statement are the balancing figures between audited figures in respect of the full previous financial year and the published year to date figures up to the third quarter of the previous financial year. The figures up to the end of the third quarter of previous financial year had only been reviewed and not subjected to audit.

This Statement is the responsibility of the Company's management and has been approved by the Board of Directors in their meeting held on 31 July 2018. Our responsibility is to issue a report on this Statement based on our review.

We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', specified under section 143(10) of the Companies Act, 2013. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with applicable accounting standards i.e. Ind AS prescribed under Section 133 of the Companies Act, 2013 and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Limited Review Report on Quarterly Unaudited Standalone Financial Results of UPL Limited pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Continued)

UPL Limited

We draw attention to Note 3 of the Statement, relating to the accounting treatment of goodwill aggregating Rs. 3,697 crores arising on amalgamation of Advanta Limited with the Company accounted during the quarter ended 30 June 2016 and amortization of the said goodwill arising therefrom both of which are different from the treatment prescribed under Indian Accounting Standard (Ind AS) 103 - 'Business Combinations' for business combination of entities under common control. Had the accounting treatment prescribed under Ind AS 103 been followed, profit after tax reported for the quarter ended 30 June 2018 would have been higher by Rs. 92 crores. Our conclusion is not modified in respect of this matter.
